STOCK QUOTATIONS

MORNING STOCK LETTER

(Received over Pitfield and Co's Private Wire)

NEW YORK, April 29—According to Dow Jones London market is nervous and reactionary today. Also say that some stocks tended to be firmer later in the day. There was no overnight news of a nature that would have any effect on the market. It currently looks as though the Senate Judiciary Committee would not approve by a majority the Administration's Court Bill. Earnings statements for the most part continue good. Skelly Oil $1.43 against 69 cents. Earnings Gulf Oil last year were favorable, $2.90. Armstrong Cork declared 50 cents. Many stocks are getting down to intere ting levels and we are of the opinion that the market is in a buying range. Any further decline at this time will depend on how much forced selling the market will have to absorb and this is always an unknown quantity. We wo'd still favor purchases of oils on any further recession, also farm implements and rayon stocks.

TORONTO, April 29—Francoeur—West drift runs 266 ounces over 45 feet. East drift, 183 for 40 feet.

Aldermac—Mill construction and underground work are being rushed to place property in production basis of 1,000 tons daily as quickly as possible the president told shareholders at the annual meeting.

MONTREAL, April 29—McColl Frontenac—Dividend of ten cents for quarter ending May 1 payable June 15 to shareholders record May 15. Previously stock on 80 cents yearly basis.

MONTREAL, April 29—Big Missouri—During last year $523,000 was spent on development at the property, and installments.

Ford Motor Co.—President Campbell reports first quarter volume production and sales considerably in excess of same period during 1936.

Aluminum Limited—Financial counsel reports $8,000,000 worth five per cent bonds due 1948 to be redeemed July 1, 1937, the necessary funds presumably coming from proceeds from sale of common stock.

Fraser Companies Ltd.—Consolidated income for first three months in 1937 was $167,841 before income tax and audit adjustment, a 46 per cent increase over the full year 1936. After income tax, net income for whole year was equal to 27 cents a share on the 355,016 shares then outstanding. Earnings for the first quarter were 2.79 times all interest before and 1.7 times after providing for depletion and depreciation.

Lake Sulphite Pulp—Construction work on mill foundations to begin this week. Cutting and peeling pulpwood for fall and winter delivery to mill will begin the first two weeks in May.

Consolidated Paper—Sales first quarter show 6 per cent gain in volume over like period in 1936.

Be Sure to Get the First Coronation Issue of The Toronto Star Weekly

MAY 1

5 Big Magazines in one

4 Color Sections

All the Best Colored Comics

A full length color portrait of the King and Queen will occupy the entire front page of the color rotogravure section.

Four pictures of Queen Elizabeth in brown monotone will appear in the rotogravure section, also pictures of the King's household staff and an interior view of Westminster Abbey, where the Coronation ceremonies will be held.

The story of the Kohinoor diamond, illustrated in colors, will occupy the entire front page of colored magazine section No. 1. The Kohinoor diamond is the most important individual gem in the Crown jewels. The article has been written by Robert Reade, a Canadian, who is a graduate of Oxford University. "Elizabeth, Queen of Scots," is the title of the front page article of color magazine section No. 2. This will be illustrated by a full color painting of the Queen. The article has been written by M. H. Halton, The Star's own resident London correspondent.

"Fit for a Queen" is the title of a special fashion article that will also appear in this issue.

Be sure to place your order early.
