TOBACCO HEART.

Have you been smoking a good deal lately and feel an occasional twinge of pain round your heart. Are you short of breath, nerves unhooked, sensation of pins and needles going through your arms and fingers? Better take a box or two of Milburn's Heart and Nerve Pills and get cured before things become too serious. Here's what Mr. John James, of Caledonia, Ont., has to say about them: "I have had serious heart trouble for four years, caused by excessive use of tobacco. At times my heart would beat very rapidly and then seemed to stop beating only to commence again with unnatural rapidity. This unhealthy action of my heart caused shortness of breath, weakness and debility. I tried many medicines and spent a great deal of money but could not get any help. Last November, however, I read of a man, afflicted like myself, being cured by Milburn's Heart and Nerve Pills. I went to Epper's drug store and bought a box. When I had finished taking it I was so much better I bought another box and this completed the cure. My heart has not bothered me since, and I strongly recommend all sufferers from heart and nerve trouble, caused by excessive use of tobacco, to give Milburn's Heart and Nerve Pills a fair and faithful trial." Milburn's Heart and Nerve Pills are 50c. a box or 8 for \$1.25, at all druggists. T. Milburn & Co., Toronto.
