**CHANGE THE VIBRATION** It Makes for Health.

A man tried leaving off meat, potatoes, coffee, etc., and adopted a breakfast of fruit, Grape-Nuts with cream, some crisp toast and a cup of Postum.

His health began to improve at once for the reason that a meat eater will reach a place once in a while where his system seems to become clogged and the machinery doesn't feed that smoothly.

A change of this kind puts aside food that is slow to digest and takes up food and drink of the highest value, already partly digested and capable of being quickly changed into good, rich blood and strong tissue.

A most valuable feature of Grape-Nuts is the natural mineral elements (phosphate of potash, etc.) grown in the grains from which it is made. These elements are absolutely necessary for the well-balanced rebuilding of body, brain and nerves.

A few days' use of Grape-Nuts will show one a way of physical, mental strength well worth the trial. Look in papers for the little book, "The Road to Wellville." "There's a Reason."

- (5) The Harland will leave on return on her first trip at 6 p.m.

**Took the Hint**  
"I was speaking with your father last night, at last, is somewhat inanely. "Oh, were you?" answered the sweet young thing, lowering her eyes. "Er—what were you—or talking about?" About the war. Your father said he hoped the fighting would be over." "Yes," she remarked, "I know he's very much opposed to long engagements." He took the hint. Saturday.

### MONTREAL GANG OF DISORDERLIES BREAKS UP A BIG RECRUITING MEETING

**MONTREAL, July 23.**—Between twelve and fifteen hundred disorderly boys, among them a great number of boys, shouting "We won't have conscription," succeeded by organized hooting, hissing and stone and egg throwing in breaking up a recruiting meeting at Lafontaine Park tonight, when more than five thousand persons were gathered to hear Major Emile Ranger, recently returned from the front, appeal for recruits for the Sixtieth Battalion, one of the newer units being organized under French-Canadian auspices. Major Ranger was not allowed to speak, and when he tried to secure a few minutes hearing he and several officers from local battalions, with an escort from the 65th regiment and the band of the 60th Battalion, became a target for the stones and eggs. Finally all left the platform and the park, a path being forced through one side of the audience.
