Interesting Jr. Red Cross Portfolios

The Junior Red Cross Branches of Prince Edward Island recently sent 30 portfolios to National Headquarters in Toronto to be exchanged with different countries. Recently, in return there has arrived from overseas most interesting consignments from three widely separated Junior Red Cross groups. From Kamionka, Strumlowa, Public School, Poland, comes a magnificent portfolio containing pictures of their school, groups showing the national costumes of the Polish people, samples of embroidery, paper cut-outs, and charming scenic views of their country. This portfolio is accompanied by a most interesting description of a Polish Junior Red Cross meeting and is addressed to Millvale School, P. E. I.

From the children of Leonard's Hill State School, Victoria, Australia there is a portfolio to be sent to Palmer Road South School. Accompanying this portfolio is a charming letter describing their school life. Very lovely views of the city of Melbourne are included as are also pictures of rounding up cattle and sheep droving in Australia, and a collection of Australian stamps.

Scout News and Notices

Dear Scouts and Scouters: We now have Scouts in the Western part of the Island, Tignish. Last Tuesday evening a Cub Pack of about thirty boys was formed, and placed in sixes. A Scout Troop of thirty boys was also formed, dividing up into four Patrols and setting them out on their Tenderfoot Tests. A Committee of ten men was formed, to be responsible for these two Troops, with Mr. J. A. Bernard as President, and Mr. McLean Kinch as Secretary-Treasurer. They have a very enthusiastic lot of boys in Tignish and there is great promise for a grand future in Scouting. We wish them the very best in Scouting and the fullest success. In Alberton they are coming along fairly well, and are expecting great increase in the Troop, and the possibility of a Cub Pack. We are fortunate in Alberton in having two Gilliwells as Leaders, and we feel that they will be up on the top very shortly. The Scout Leaders held a meeting last week, and are planning for a Rally in the near future, to be held in the Forum. We expect all the Scouts to back us in this enterprise. This Rally is for the purpose of acquainting the citizens of the Island with the aims and in general, Troop and Camp activities of the Boys Scout Movement. So Scouts, dig in, and help your Scoutmaster to plan and to work for the success of this Rally. This week I have news from one Cub Pack and one Scout Troop. The first Charlottetown Basilea Cub Pack informs us that the following Cubs have passed their First Star Tests: Jackie Binns, Teddy Bradley, Louis Campbell, Dennis Dowling, Junior Doyle, Freddie Flynn, Maurice Goodwin, Freeman Griffith, Michael Hennessy, Arthur MacCarville, Don McDonald, Gerald Roach, George Tulle. They are now working hard for their 2nd Stars. This Cub Pack has twenty-four members, and usually have one hundred per cent attendance. Miss Howatt, the Assistant Cubmaster, has been invested as a Cub and is to be congratulated on her position in this Troop. The Pack has a new Totem Pole of which they are very proud. It is the work of Vince King and a good job he did on it too. We are going to wind up our news this week with a report from the 8th Charlottetown Trinity Troop. Last week two boys were invested, Harold Gregory and Bill Waller. These boys have taken the oath of a Scout and we wish them success and happiness in this Troop. Four new recruits have attached themselves to the Troop: Bartley Ward, who is from the Baptist Cubs, John Stems, Albert Douglas and Jack Hudson, who come from Zion Cubs. The Scouts of Trinity are on the up grade and climbing high. They are passing a lot of badges and doing good work. Thought for the week: I dare do all that may become a man; Who dares do more is none. Smile for the week: Employer: John I wish you wouldn't whistle at your work. Boy: I wasn't working, sir; only whistling. Yours for better Scouting, "BUSY BEAVER."

addressed to Warren Grove School. In this collection are two Japanese dolls in costume, samples of bamboo work, and a map of Japan with sands from the village shore. To Springbrook School comes an album from Japan containing views of Mt. Fuji and other places of interest in their country, together with samples of modern Japanese paintings, pressed leaves and flowers as well as samples of calligraphy and art work by pupils of their school. These will be held for a few days at the Red Cross office for exhibit purposes before being sent to the schools for which they are intended.

Simple Life For Princess Elizabeth. LONDON, April 23—The Princess Elizabeth, heir presumptive to the British crown, lives a simple life, as simple as her parents can make it. Her day is arranged so that every minute is utilized. Play and recreation have important periods. Her mother, Queen Elizabeth; her adored "nanny," Mrs. Mary Knight and her governess, Miss Crawford. Her day begins at 8 a. m. in winter, at 7.30 in summer, when she and little, Margaret Rose, are awakened. School begins at 9 a. m., right after breakfast. Languages and geography already have been begun. Princess Elizabeth is an apt pupil in most subjects, but some appeal to her more than others, with obvious results. She is fond of French, and gives promise of linguistic abilities. Her favorite study is geography. She is learning Latin, but doesn't like it as well. C. N. R. REVENUES.
