Hamilton Golfer Wins Canadian Senior Golf Title

Albert A. Adams Heads Field At Seignior Club In First Year In Senior Competition.

(Canadian Press) SEIGNIOR CLUB, Que., Sept. 6.—The climax of a competitive golfing career of 30 years came today for Albert A. Adams, Hamilton, Ont., in the form of a national championship.

The tall grey-haired golfer captured the championship of the Canadian Seniors Golf Association over the course of the Seignior Club when he added an 18 hole round of 82 to his low mark of 79 yesterday for a 36-hole gross of 161, a score which left far in the rear such established senior players as George L. Robinson of Toronto, the dethroned champion, George S. Lyon, Canada's "grand old man" of 80, and J. Dix Fraser, 1931 senior titleholder.

Highly Regarded Golfer

Mr. Adams' triumph came in his first year of senior competition, the new champion having recently reached the age of 55, the principal requirement in becoming a member of the Association. For 30 years, the Hamilton player has been a highly regarded golfer in western Ontario, holding competitive victories over C. Ross Somerville and leading the Hamilton Golf and Country Club's team during the last 14 years. But important titles slipped from his grasp until today when he entered the final round the favorite to win by virtue of his leading 79 of yesterday.

FLAT RIVER WINS TWO STRAIGHT In two games of softball recently played between Wood Islands and Flat River, the latter won the first game by a score of 20-11 and the second by a score of 34-12.

The first game was played on the Flat River diamond, Thursday, Aug. 10th. The game started at 6 o'clock and the first inning revealed the superior ball handling and heavier outting of the Flat River team, but although there were several bright spots on the Wood Island side, the South Side boys were able to maintain their standing only by the skill of their cool-headed pitcher.

The return game was played at Wood Islands on Aug. 17th. Although the lineup of the home team was considerably changed, the odds were again much in favor of Flat River, and the game ended with the above score. Nevertheless, Wood Islands may be proud of their sportsmanship, especially that shown to the visiting team as they left the grounds.

Following are the lineups: Flat River—Catcher, M. Gilmore; pitcher, L. Stewart; 1st base, A. Compton; 2nd base, E. Stewart; 3rd base, J. Beaton; short stop, D. McKenzie; left field, A. Gilmore; centre field, M. Ross; right field, M. Stewart.

Ever since the wadding she had chosen her husband's clothes for him, she was the better shopper of the two, and this was, she found, the only way to make sure that he was wearing the correct thing. So, when she decreed that he required a new hat, her first task was to glance at the newspaper to see what was being worn. And this time it did not need much finding. The mere headlines were enough. Only one headgear was being talked of in London. There was only one kind of hat possible. And convinced of this, she entered the shop.

"I want," she said, "one of these new body-line bowlers that everyone is talking about."

The market hit the "peg" level early in the nearby option and from that time on was generally inactive. Volume of trade for the day was quite small.

Hedging pressure was fairly liberal at the opening and though support was in evidence at times, it was insufficient to hold values in the early stages.

There were reports of some export business being worked during the morning, but late in the session no figure had been placed on sales of Canadian wheat for shipment abroad.

Outside markets were a depressing factor. Chicago tended to lower levels and, near the close, Liverpool wheat was 3-4-7-8d under the previous finish.

Cash grains trading was very slow with little demand for any grades in evidence. Coarse grains followed the trend of wheat and slipped off fractionally.

THE FITTING ANSWER Every teacher should ponder the remark of a five-year-old. In an intelligence test she was asked: "Are you a boy or a girl?" She looked the teacher squarely in the eye and solemnly replied: "Boy."

Later she told her mother: "When a person asks you a silly question, it's all right to give a silly answer."

FOREMOST CHALLENGERS WIN MATCHES

Several British Entries Suffer Elimination In Fight For Singles Championship. FOREST HILLS, N. Y., Sept. 6.—(C.P.)—The ranks of British contenders for the United States Singles Tennis Championship were whittled down a bit today, but the foremost challengers came through with impressive ease.

Sturdy Don Turnbull of Australia, fought a valiant fight against Frank X. Shields of New York, but finally went down in the slashing match by 6-4, 8-6, 6-3. The rangy American was trailing 2-4 and suffering a lapse in control in the second set. He kept forcing, however, and finally broke down Turnbull's resistance.

Edward R. "Ted" Ivory of England, also met elimination before the erratic racquet of Champion Ellsworth Vines. Scores were 6-3, 7-5, 6-1.

Robert Murray, McGill University champion was eliminated by Clifford Sutter of New Orleans, 6-1, 7-5, 6-2. Murray had reached the third round without any play. He drew a bye in the first round and his second round opponent, Dr. Carl Fischer of Philadelphia, defaulted.

Chief among the American casualties were the "boy wonder" from Milwaukee, 17 year old Frank E. Parker, and the "man of moods" from Chicago, George Martin Lotz.

Parks Turn Back Yarmouth Nine 3-2

Yesterday's Victory By Halifax Team Leaves Series "Up In Air." Protest Tilt Still Undecided. (Canadian Press) YARMOUTH, N. S., Sept. 6.—Halifax Willow Parks hung a 3-2 defeat today on Yarmouth Gateways in the fourth game of their semi-final series in the Provincial Baseball play-downs. Young Freddy Neate, of Halifax held the defending champions to five hits. Big Nate Bain, on the mound for Yarmouth allowed only one more safety, but his teammates contributed a brace of errors in the sixth as the Parks shoved their three runs across the plate.

Result of today's game leaves the series "up in the air." The series is a three-out-of-five affair, and tonight's game would have given Parks their third victory were it not for a protested game. Gateways claimed the second game at Halifax had been won by Willow Parks through an umpiring error, and the Nova Scotia Baseball Association allowed the protest.

A counter-protest by Halifax placed the matter before the M. P. E. A. A. U. of C., and that body has the contested game under consideration. Its ruling will determine whether Halifax has won the series, or if the teams must move back to the Capital for further play. Yarmouth has taken one of the four games played

Music Masters Given Honors By Old Pupils

LONDON, Sept. 6.—Sir Alexander Mackenzie, the Grand Old Man of English music, has received a striking tribute from English composers on his 86th birthday. He was presented with a silver tray, inscribed with facsimile autographs of the donors, many of whom were his students during the 36 years in which he presided over the Royal Academy of Music. Subscribers included such eminent figures as Frederick Delius, Sir Granville Bantock, Arnold Bax, Adrian Boult, Basil Cameron, Sir Frederick Cowen, Sir Walford Davies, Sir Edward Elgar, Sir Edward German, Sir Dan Godfrey, Sir Hamilton Harty, Sir George Henschel, John Ireland, Sir Landon Ronald, Sir Henry Wood, Roger Quilter, Malcolm Sargent, Sir Arthur Somervell, Dame Ethel Smyth, Leslie Heward, and Julius Harrison.

Sir Alexander is one of the few men who can look back to intimate acquaintance with Liszt. They first met in Germany when Sir Alexander, a mere boy, was playing second violin in the Ducal Orchestra at Sondershausen. A friendship grew up then which lasted until Liszt's death.

Sir Alexander heard Wagner's "Tannhauser" long before it was produced in this country. He remembered being present as a boy of six at an Edinburgh theatre when Sams Reeves played the part of Mackheath in the revival of the "Beggars' Opera."

"Why do you always look angry when your wife comes into the room?" "The doctor has ordered her to travel, and if I look pleased about it, she won't go."

STOCKS Irregular In N. Y. Market (By John L. Cooley Associated Press Financial Writer) NEW YORK, Sept. 6.—With commodities firmer, stocks today retraced ground lost in an early sag. Closing prices were somewhat irregular, but the average, in which the more prominent leaders are used, finished with a minute net gain.

Around noon losses of 1 to 3 points were numerous, but thereafter the market crawled back. Activity, however, was less on the rally than on the decline, though quotations made the r highs for the session in the late dealings. Transactions totalled 1,885,380 shares.

Aeroplanes Now Aid Maux Travel

LONDON, Sept. 6.—(C.P.)—The Isle of Man has been brought within five hours of London by the inauguration of a new air service from Blackpool and Liverpool to the island. It is now possible to leave London by train at 10:40 a. m. and be in the Isle of Man by 4 p. m. a saving of four hours.

The new service will be maintained by eight-seater aeroplanes, capable of 130 miles an hour, and with a cruising speed of 110 miles an hour. The cross-channel trip from Liverpool to the Isle of Man will take 50 minutes against the four or 4-1-2 hours taken by steamer.

There will be a daily service of six crossings. The service will operate on Sundays, and will thus provide the first Sunday communication ever established between the island and the mainland.
