Smith—I wonder why they call a chicken dressed when all of its feathers have been removed?
Jones—For the same reason that they call a woman in a ball gown dressed, I suppose.

EXCURSIONS TO WESTERN CANADA

The Grand Trunk Railway System announces that on Tuesdays, July 18th and 25th, August 8th and 22nd, September 5th and 19th, 1911, Home-seekers' Excursions will be run from all Stations in Ontario and Quebec to Western Canada, via Chicago and Duluth or via Chicago, St. Paul and Minneapolis, at reduced round trip fares.

The well-known double track line of the Grand Trunk from the East to Chicago appeals to the traveller, and with the superior train service that is offered by this line, including the famous "International Limited" from Montreal Daily at 9.00 a. m., and which is the finest and fastest train in Canada, many passengers will be attracted this way. The route via Chicago is a most interesting one taking passengers through the principal cities and towns in Canada and in the States of Michigan and Indiana. In addition to this a choice of seven lines between Chicago and

St. Paul and Minneapolis is offered.

patrons who will take advantage of the opportunity thus afforded them. Owing to the great number of Canadians who reside in Chicago, St. Paul, Minneapolis, Duluth and other cities en route, there is no doubt that the Grand Trunk will find many for a brief visit at the stations with their friends.

Canadian citizens are exempt from so-called Immigration Examination and there is no detention at any point.

Baggage is carried through the United States in bond without requiring any special attention on the part of the passenger. Inspection is not necessary at any of the points at the border.

Another feature that will appeal to the homeseeker is the comfortable transfer at points like Chicago, St. Paul and Duluth into freshly ventilated clean cars, avoiding the necessity of travelling a long distance in the same car.
