Talk with your doctor about Ayer's non-alcoholic Sarsaparilla. Ask him if he prescribes it for pale, delicate children. Ask him if he recommends it when the blood is thin and impure, and when the nerves are weak and unsteady. Ask him if it aids nature in building up the general health.

There departed this life on Sept. 6th 1907 at his home Bonshaw, Peter A. McQuarrie, son of John McQuarrie, at the early age of 29 years. Although absent from the community for some years he will be greatly missed by the people of this place as well as by all those pleasure it was to enjoy his friendship. In his last illness he impressed every one by his patient trust in God and humble resignation to His divine will, and died in the full assurance of entering into the inheritance beyond.
