GAINED 20 POUNDS.

Mr. E. S. Massey, Belleville, Ont., tells how Milburn's Heart and Nerve Pills Increased his Weight and Restored his Health and Strength.

When you find yourself losing in weight, feel weak and miserable, you're in a serious condition. It's time for you to

start taking some remedy that will restore your lost flesh, tone your nerves and give you back your old time health and vigor. Nothing will do this so quickly and effectually as Milburn's Heart and Nerve Pills.

Read the following statement made by Mr. E. S. Massey, foreman at Capt. Allen's Coal and Wood Yard, Belleville, Ont.:

"For two years I suffered greatly from nervous prostration and was greatly run down and debilitated. In addition to this, severe headaches annoyed me greatly. My heart would throb, my nerves seemed completely unstrung, and I gradually lost flesh as a consequence. All I could do in the way of doctoring and using patent medicines seemed to do me no good. Finally I got Milburn's Heart and Nerve Pills. I have used two boxes, and am now better than I have been in a long time. I have gained 20 pounds in weight, and am now strong and healthy."

Milburn's Heart and Nerve Pills cure Palpitation, Nervousness, Sleeplessness, Dizzy Spells, etc. Price, 50c. a box, or 3 for \$1.25, at all druggists.

James Clark, Commanco, Ont., says:-- "Some time ago I was greatly troubled with headache and constipation. One bottle of Laxa-Liver Pills helped me more than any medicine I ever took." Price 25c.

THE ONLY HOPE!

For Victims of Bright's Disease is Dodd's Kidney Pills.

Not a day passes on which the newspapers do not record the death of one or more persons from Bright's Disease. Already its victims number hundreds of thousands. Day by day the awful total grows larger. No class is safe from this destroyer.

War and intemperance, with all their miseries and fatalities, are not responsible for as many deaths as have been caused by Bright's Disease. Yet, there is a way of resisting it; of drawing its poisoned fangs, and making it as harmless as a summer breeze. That great medicine, Dodd's Kidney Pills, has cured thousands of the worst cases. It never fails to cure, hopeless as the case may seem.

Would you safely shield your loved ones from the fatal grip of this curse of mankind—Bright's Disease? Then use Dodd's Kidney Pills, the only cure on earth for this disease.

M. Bard's Address

Paris, Oct. 30.—At the opening of the court of session Friday, Maitre Labori, who was counsel for M. Zola during the latter's famous trial, was seated among the lawyers occupying the first row. Mme. Dreyfus, wife of the prisoner, was provided with a seat in a corner. She was represented by Maitre Morard.

Reporter Bard opened the proceedings by referring to the excitement and scandals caused by the case, even before the appeal for a revision of the trial was lodged. He then reviewed the history of the case from the arrest of Dreyfus, and said his condemnation was for one of the crimes which inspire universal horror, and it struck one of those in whom the country had most confidence.

Continuing, M. Bard spoke of the efforts made to obtain a revision of the case, referred to the denunciation of Major Esterhazy and reviewed Mme. Dreyfus' appeal for a revision. In so doing M. Bard said this appeal was based on the assumption that the bordereau was written by Major Esterhazy. He then pointed out there were suspicious facts which justify the request for revision. Mme. Dreyfus contended that her husband did not write the bordereau which some of the experts reported he did write. The court, therefore, would have to examine these facts and decide whether a revision was justified. M. Bard added that the appeal for a revision was decided upon in consequence of the late Lieutenant-Colonel Henry's confession that he had forged a document in the case; but, M. Bard said this forgery was committed in 1896 and could not alone be regarded as ground for a revision or for an annulment of the judgment rendered in 1894.

Nevertheless, M. Bard then said, Lieutenant Colonel Henry had committed forgery, his evidence was the most crushing against Dreyfus, and the evidence of a forger is open to suspicion. There was, therefore, the presumption of innocence, based upon fresh facts, which led to the appeal for a revision of the case, and there was also ground to ask whether another new face has not been brought to light and if Dreyfus was really the author of the bordereau and note written to Major Esterhazy, and found in the apartment of Mile. Pays, in which the writer asked what he should do respecting the bordereau.
