A PAINFUL accident happened to Venah Milligan, Sherbrooke on Friday last while he was untying his horse in one of the sheds in Summerside, the animal became frightened and backed up suddenly. The rope as it became tight caught two of Mr. Milligan's fingers and cut them off.

THERE has been sent to The Guardian Office a seven-leaved clover, which was picked, on the 11th inst., by R. H. Rayner, of Gaspeque. Seven years ago Mr. Rayner picked a similar leaf and sent it also to this office. This is a rather remarkable experience, and one that would appear hard to equal.

MRS. H. MACDONALD, Bathurst, N. B. is visiting friends in Summerside.

THREE were 230 passengers going and 230 returning by the Empress Saturday. About 140 persons made the round trip to Moncton.

JOHN ASKREW, Jr. of Alberton has gone to Moncton on an extended visit to his sister Mrs. Ralph Fielding, and his uncle the Rev. G. D. Ireland of Woodstock.

A GENTLEMAN from Port Hill, Prince Edward Island, who was in Moncton lately, said that the quahaug industry in that vicinity has been a great financial plan for a lot of farmer boys who fished after putting in their crop, in many of them made as high as \$250 in cash.

The fish wardens have closed down on the quahaug fishermen until some news comes from Ottawa concerning the close dates. Not long ago this shell fish was considered to be of no earthly value.

A. H. WADMAN, undertaker etc., Summerside, has just received the latest improved embalming outfit and is now prepared to do embalming in all his branches without any assistance. Mr. Wadman wishes to correct a rumor that he did not understand embalming but had to procure the services of a Charlottetown embalmer; but this was owing to the fact that he had not received his embalming outfit. Mr. Wadman claims that he was the first person on the Island to use an embalming outfit, but disposed of it when he went temporarily out of the undertaking business. Mr. Wadman also owns a large barouche which he uses to convey his pall bearers. Being an energetic young man he is determined to lead in whatever he undertakes.

SCHELDON are the people of Long River seen together on a more impressive occasion than on Friday afternoon, July 14th, when they assembled in the Hall to honor Peter and Mrs. Gillespie their respect and last wishes on the latter's departure from the community, to spend their declining years, with their daughter Mrs. Wm. Rodd, Mayfield. Rev. A. D. Sterling occupied the chair and spoke very impressively of the object of their gathering together and also of the loss sustained by the community in the departure of Mr. and Mrs. Gillespie. The choir then sang "Best be the tie that binds our hearts in Christian love", after which John Johnstone read a most complimentary address on behalf of the community. The Guardian regrets that lack of space prevents publication of the address. The songs by Misses Rachel and Christina McLeod, and John Johnstone, Murdoch McLeod, and Gordon McLeod, highly appreciated. James Carruthers, Belvedere, gave an appropriate address. The meeting was also honored by an address from Rev. Mr. McNeil late of Massachusetts. A table loaded with all the delicacies suitable to the occasion, satisfied the appetite of all those present from the grey haired men down to the little boy. The meeting closed by singing "God be with you till we meet again".

A table loaded with all the delicacies suitable to the occasion, satisfied the appetite of all those present from the grey haired men down to the little boy. The meeting closed by singing "God be with you till we meet again".

SCHELDON are the people of Long River seen together on a more impressive occasion than on Friday afternoon, July 14th, when they assembled in the Hall to honor Peter and Mrs. Gillespie their respect and last wishes on the latter's departure from the community, to spend their declining years, with their daughter Mrs. Wm. Rodd, Mayfield. Rev. A. D. Sterling occupied the chair and spoke very impressively of the object of their gathering together and also of the loss sustained by the community in the departure of Mr. and Mrs. Gillespie. The choir then sang "Best be the tie that binds our hearts in Christian love", after which John Johnstone read a most complimentary address on behalf of the community. The Guardian regrets that lack of space prevents publication of the address. The songs by Misses Rachel and Christina McLeod, and John Johnstone, Murdoch McLeod, and Gordon McLeod, highly appreciated. James Carruthers, Belvedere, gave an appropriate address. The meeting was also honored by an address from Rev. Mr. McNeil late of Massachusetts. A table loaded with all the delicacies suitable to the occasion, satisfied the appetite of all those present from the grey haired men down to the little boy. The meeting closed by singing "God be with you till we meet again".
