**WASHINGTON GOES "BONE-DRY."**  
(Canadian Press Despatch.)  
OLYMPIA, Wash., February 19.—Governor Lister today signed the "bone-dry" prohibition bill, which, unless referred by petition to the 1918 election, will become effective ninety days after the adjournment of the legislature, early in March. The law prohibits possession of intoxicating liquors by any person, except regularly ordained clergymen, priests and rabbis for sacramental purposes. It allows wholesale and retail druggists and manufacturing chemists to handle alcohol only if granted a license after public hearings, and provides radical penalties for violations.

**RACING.**—Owing to the inclemency of the weather the horse races that were to take place on the Montague river ice last Tuesday were not successful. But the boys look forward to having a fine day in the near future, when the speed mettle will be tested out.—B.

**SPLENDID ANIMALS.**—Mr. Daniel A. Wilson, Cardigan, sold recently to the well known butchers, Messrs. McGee & McMillan, Montague, two Shorthorn heifers, of extra fine quality, being well fed, for which he received a snug sum. Mr. Wilson is an up-to-date farmer and feeder, and always has his stock in first-class condition.—B.

**FORTUNE.**—The Fortune fishermen report smelts very scarce. It is pleasing to write that Mr. P. L. Campbell, and his son, Wilfred, of Fortuna Bridge, are recovering from their recent illness.—The farmers of Fortune are very busy hauling their winter fire wood.—Mr. Charles McKinnon of Souris was in Fortune on a business trip last week.—The Fortune horsemen are planning for a big race in the near future on the river ice. F

**RACE RACING.**—The horse race held on the Cardigan ice, February 14th, was one of the most interesting events of the season. The day was an ideal one, and the ice in perfect condition. The management spared no means to accommodate the large attendance, and went so far this season as to provide shelter for the on-lookers. Cardigan may well be proud of the fine showing of horses, special mention might be made of Royal Blend, owned and driven by W. Martin. Mr. McSwain may well be proud of his high class pacer, also Mr. Campbell and Mr. Sharkey, but the sensation of the day was "My Soul," owned by Mr. Munn and driven by the veteran reinsman, Stephen Shaw, who has again come to the front with his usual art and drove this green pacer in a most creditable manner far outclassing his opponents. Shaw received long and lasting applause at the first of each heat, as the boys were all glad to see him back to the bike again.—B.

**EASTERN PERSONALS**

**EXTENDING FACILITIES OF C. P. R. TELEGRAPHS**  
(Canadian Press Despatch.)  
HALIFAX, February 21.—The C. P. R. Telegraphs plan substantial improvements in their wire service between Nova Scotia points, St. John and Montreal. J. McMillan, manager of Telegraphs, is in Halifax on an inspection visit and to look into the perfecting of plans for the extension of facilities—the providing of additional wires between Halifax, St. John and Montreal, and the rebuilding of pole lines which require constant attention. Mr. McMillan added, as a sort of comment on his pole line rebuilding remark, that the C. P. R. has probably the best maintained lines on the continent of America. A new copper wire is to be strung between Halifax and St. John and Montreal.

**FOR A BAD COUGH**  
Here is a fine old-fashioned recipe for coughs, colds or catarrh trouble that has been used with great success. Get from your druggist 1 oz. of Parmit (Double Strength) about 75c worth and add to it ¼ pint of hot water and 4 oz. of granulated sugar. This will make full half a pint when mixed. Take one tablespoonful 4 times a day. No more racking your whole body with a cough. Clogged nostrils should open, air passages of your head clear up so you can breathe freely. It is easy to prepare, costs little and is pleasant to take. Anyone who has a stubborn cough, or hard cold or catarrh in any form should give this prescription a trial.  
Any druggist can supply you, or a bottle will be sent on receipt of 75c, postal note or money order. Address International Laboratories, 74 St. Antoine St., Montreal, Canada.

**RED POINT PIE SOCIAL.**—A very successful pie social and entertainment was held in Red Point, Baltic Hall on February 19th. An ideal night with good roads, a large audience listened to a splendid program arranged by the Red Point Women's Institute. Mr. T. S. Robertson occupied the chair. He also gave the opening speech. Next on the program was a solo by Rancolph Bruce entitled "When You Were a Tulip, and I Wore a Big Red Rose." Needless to say this part of the program was very much enjoyed as Mr. Bruce has an excellent voice. Miss Alberta Yates gave a patriotic recitation, then to the delight of the audience, Mr. W. G. Bruce came forward amid cheers and rounds of applause and gave a very interesting account of some of his experiences from the time of his enlistment in Winnipeg till his return to this, his native province. He exhibited some very interesting souvenirs, hand grenades, portions of German shells, etc., and he explained how they were used. Mr. Bruce is an eloquent and pleasing speaker, and is receiving a hearty welcome wherever he goes. Next on the program was a recitation by Miss Katie Morris, "The Cremation of Sam McGee," which was worthy of special mention. Mr. Louis McInnis, violinist, accompanied by Miss MacDonald, organist, gave some splendid selections. After intermission for sale of candy, Mrs. Adrien McInnis gave a patriotic reading, which called forth the admiration of all, needless to say, Mrs. McInnis is interested in all patriotic work as her husband is now training in the 272nd, soon expected to go to France. After the recitation, Mr. Bruce came to the front again and sang, "For King and Country." Last on the program, but by no means least, was a musical monologue by Sgt. Bruce, "The Girl I Kissed on the Stairs," which was very humorous. After singing the National Anthem, the pies were auctioned by T. S. Robertson. The sum of \$50.00 was realized which goes to Red Cross purposes.

**GERMANY ENCOURAGING SHIPBUILDING**  
COPENHAGEN, Feb. 19, via London Feb. 20.—According to the Cologne Gazette, a copy of which has been received here, the Reichstag will appropriate 300,000,000 marks for the support of shipbuilding, the money to be distributed among shipowners in proportion to their losses in ships during the war, in seizures or otherwise. The newspaper says it is intended to enlarge the German merchant fleet by 1,500,000 tons.

## SOCIALISTS, BUT STILL GERMANS

(Canadian Press Despatch.)  
LONDON, February 21.—The Vorwarts (Berlin) says a Copenhagen despatch to the Exchange Telegraph Company, publishes the cablegram of Samuel Gompers, president of the American Federation of Labor, to President Legien of the German Federation of Trade Unions, and the reply of President Legien, in behalf of the German workmen.  
Mr. Gompers called: "Can you bring influence to bear on your Government so that a breach with the United States may be avoided?"  
President Legien replied: "Since the war broke out the German laboring classes have worked for peace, and they are against every extension of the war. The refusal of the enemy to consider the sincere German peace offer, the continuation of the dreadful war of starvation directed against women and children and old people, and the open confession of our enemies that their war aim is the annihilation of Germany—all that has caused a sharpened submarine war, influence on our side on the Government is only if America can persuade England to give up her war of starvation."

## ARRESTED AT DARTMOUTH FOR BIGAMY.

HALIFAX, Feb. 21.—David E. Brennan, commanding officer of a British mine sweeper, was arrested at Dartmouth last night by Detective Kennedy and County Constable Uplugh on a charge of bigamy. It is alleged that he has two wives and it is suspected that he has three. One wife is said to live in Clark's Harbor, another in Port La Tour and another in Dartmouth. The accused is said to have a daughter living at Clark's Harbor, who is thirteen years of age. He is a man of about 35 and 40 years of age. He recently went on a trip to Anherst and other places, returning to Dartmouth about ten days ago. Unpleasant rumors got around about him with the result that the services of the detective department were solicited. From investigations there is strong reason to believe that the accused has

## ROADMASTER'S PATRIOTIC FUND

A Start Made—Who Follows in the Train?

In response to several appeals, Mr. A. W. Bruce, Red Point, has opened a Roadmasters' Patriotic Fund, the idea being that every Roadmaster contribute \$2.50 to the fund. The money may be sent to Mr. A. W. Bruce, to Mr. H. W. Binning, Bank of Nova Scotia, or to the Editor of the Guardian and it will be acknowledged in the columns of the Guardian.

Mr. Gompers called: "Can you bring influence to bear on your Government so that a breach with the United States may be avoided?"  
President Legien replied: "Since the war broke out the German laboring classes have worked for peace, and they are against every extension of the war. The refusal of the enemy to consider the sincere German peace offer, the continuation of the dreadful war of starvation directed against women and children and old people, and the open confession of our enemies that their war aim is the annihilation of Germany—all that has caused a sharpened submarine war, influence on our side on the Government is only if America can persuade England to give up her war of starvation."

at least two wives and possibly three. He was arraigned before the police magistrate today but was not asked to plead, being remanded. Bruce Graham is acting for the accused and Mr. Chaney, K. C., for the prosecution.

## CANADIAN HELD HIS OWN AGAINST ENGLISHMAN

(Canadian Press Despatch.)  
LONDON, February 15.—Among the contests at the National Sporting Club last night was a bout between Private Jimmy Clarke, of the Canadian Army Service Corps, and Jim Prendy, of Wellington. It proved a keen affair, but resulted in a draw. Clarke, whose strength was his great asset, forced the pace throughout, but around about him with the result that the services of the detective department were solicited. From investigations there is strong reason to believe that the accused has

## SIR DOUGLAS HAIG DID NOT SEE THE PROOFS

(Canadian Press Despatch.)  
LONDON, Feb. 20.—Regarding the interview with Sir Douglas Haig, commander-in-chief of the British forces in France, published in France last week, Andrew Bonar Law, chancellor of the exchequer, said in the house of commons today that the field marshal had a frank conversation with certain French journalists. The proofs were sent to general headquarters, but on account of the action of a subordinate they were not submitted to the commander-in-chief. The members of the British cabinet knew nothing of the matter until the interview appeared, the chancellor said.

# Heart Songs HAVE ARRIVED

Think of 400 of the songs that cheered a nation in the throes of civil war; that were sung by all young lovers for four generations; that were crooned by countless thousands of mothers in their nightly lullabies; that were spontaneously developed by a native minstrelsy; that were heard every Sabbath from every little country church in every village in the land.

These are the songs in Heart Songs.
