Stomach Trouble and Rheumatism Relieved by "Fruit-a-tives"

MR. L. LABRIE  
594 Champlain St., Montreal.

"I have been restored to health by taking 'Fruit-a-tives'. For two years, I was a miserable sufferer from Rheumatism and Stomach Trouble. I became very weak, had frequent dizzy spells and when I took food, felt weak and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints and my hands swollen. A friend advised me to try 'Fruit-a-tives' and from the outset, they did me good. After I had started the second box, I felt I was getting well and I persevered in the treatment. I can truthfully say that 'Fruit-a-tives' is the only medicine that helped me.

LOUIS LABRIE, is the famous medicine made from fruit juices. 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

**FRIDAY.**  
**REASSURING.**—Mr. John McAulay of Grafton St., has received a telegram informing him that his son Pte. Malcolm McAulay who was reported killed in action, is now in No. 3 military hospital in France.

**—MR. NEWTON STRONG.**—The death of Mr. Newton Strong took place at the home of his father Mr. J. B. Strong, Summerside on Sunday last, after a short illness. He leaves to mourn his father, two sisters, Miss Sarah at home and Mrs. Frank Kunkel of Sydney, C. B. and one brother, Mr. C. B. and one brother, Mr. C. B. The funeral took place Tuesday morning at 9 o'clock from St. Pauls Church to the Catholic Cemetery. The pall-bearers were Messrs Charles McLellan, Archibald Sharp, J. J. McInnis, Gus DesRoches, Leonard McNeill and Mark Gaudet, X.

**A DELIGHTFUL EVENING.**—Rev. Dr. Pringle's address in St. James' Hall on Wednesday night, the report of which was unfortunately omitted from yesterday's issue, was a treat of rare excellence to those who had the privilege of hearing it. Dr. Pringle described in his own inimitable manner the organization of the great military camp at Valcartier, the passage of the Armada from Gaspe to England with Canada's first magnificent contingent of fighting men; the landing upon the soil of England; experiences at Salisbury Plains; life in the trenches of Belgium and France; the work of the armistice, and dwelt upon the splendid optimistic spirit which pervades not only the Canadian troops but all the soldiers of the Allied Nations. Those who missed Dr. Pringle's admirable address certainly missed a splendid treat, and the hearty applause which was given the speaker at the close showed how greatly his narrative had been enjoyed. The thanks of the audience were conveyed to the speaker at the close. A delightful feature of the evening was the musical recital which prefaced the lecture. Prof. Watkins in his several organ selections gave great pleasure to all while the vocal selections, "Cradle Song" by Miss J. Macdonald and "I Hear You Calling Me" by Mr. A. Bruce were decidedly well rendered.

**EARLY RHEUMATISM.**—A stock of strawbery rheubarb half a foot long and quite thick was shown The Guardian yesterday. It was picked up by Mr. Gordon Ward, gardener of the Bayfield estate and is certainly well advanced for so early in the season.

The following letter is from Dan Stewart, grandson of Mr. Murdoch Kinross, Forest Hill, to his former pastor, Rev. Wm. McLeod, Dundas. West Sandling, England. April 12th, 1916.

Dear Pastor and Bro.  
Received your welcome letter today. I was very much pleased to hear from you. I will read the verse of Scripture you have quoted. I always read a passage when I get time and I made a promise to my dear aunts before I left home to bend my knee in prayer to God and read some part of His word every day. So far I have kept my promise and will if I can. Perhaps there will be a time on the field of battle that we cannot get a chance to read the Scripture but we can always find time to pray. I was reading yesterday in The Guardian a letter from my friend, Corporal McLaren of Forest Hill now in France. He states that if one is prepared to meet death, he need not worry about the battle. I think this is as true a word as was ever spoken. Something that will sink deeply into one's mind. The army is a place where one meets with many temptations he would not meet in every day life and one finds it hard to keep straight but I believe as some people may, I say I will never hurt one. I know since joining the army last spring I have seen much of the effect of strong drink. I have this to say to some people had seen as much of its effect as they would never touch the foul stuff again. I am glad to hear of the good work the recruiting meetings are doing. Men are needed and lots of them as we face a hard problem. Now dear brother I guess I will close as I have to write home. We shortly leave for France. I am yours in F. H. & C. P. Dan Stewart 444604, 12th Machine Gun Brigade West Sandling Kent.

The Annual meeting of the Committee appointed to manage the Central Seed Fair was held in Prince of Wales College on Tuesday May 2nd, at 11 o'clock. The following were present:  
Rev. P. D. McGuigan, Messrs Simpson, J. A. O'Keefe, Brodie, O'Donnell, Devereaux, Noy, Lund, Cairns, Wood, Robert Drake and Wm. Drake, Mrs. Gill and Miss Howard.

The President called the meeting to order and made a few remarks. Minutes of the last meeting were read and adopted. Mr. O'Keefe made some remarks regarding the Fair and stated that this was the time for suggestions and criticisms. Mr. Cairns considered that it would be better to give only three prizes in each class and to spend the money saved in this way to increase each prize. Peter Brodie thought that each prize should be increased and that instead of making fewer prizes for each section, the number should be increased to at least ten. Wm. Drake and others agreed to the extension of the prizes. Mr. O'Keefe and Mr. Simpson thought it unwise to extend the number of prizes unless more money could be had. He thought, however, that the Central Seed Fair should receive the same grant as the Provincial Seed Fair, at Summerside receives. After considerable discussion Mr. Brodie moved, seconded by Mr. H. McDonald that Class A. be carried out to ten prizes

**SAM KATZ, Room N. 2560, 142 Mutual St., Toronto, Ont.**  
LONDON, May 10. Discussing the necessity for defence of the realm regulations Herbert Samuels, Secretary for Home Affairs, stated today that within the last few weeks there had been discovered in the heart of London a public house occupied by a naturalized German and a resort of other naturalized Germans where language of the most treasonable and anti-British character was used. He added that might become a dangerous centre Mr. Samuels said he doubted whether any charge could have been formulated under the ordinary law but it was necessary to deal with such cases and the power in his hands enabled him promptly to inter the men concerned.
