PROSPECTUS OF PROPOSED Weeks Silver Black Fox Company Ltd. Head Office at North Tryon, P. E. I.

Capital Stock

The Company will be Capitalized at \$100,000.00 divided into 1000 shares of \$100.00 each.

The Foxes

There has been secured five pairs of 1913 pups guaranteed choicest selection of the Dalton—Tuplin Strain. This stock needs no further comment as they are the world's best.

Terms of the Company

The promoters of the Weeks Silver Black Fox Company have so much faith in the future of the Fox industry and in the stock they have purchased, that they guarantee ten pups from the five pair during the breeding season of 1914 and for every pup short of this number, they will forfeit \$3,000.00. This practically means a guarantee of upwards of 50 (fifty) per cent for the first year.

An-up-to-date Ranch

Mr. Hedley B. Weeks has purchased the beautiful farm property of Mr. George H. Callbeck, North Tryon, where the most improved ranch will be erected which is now under construction. This property is favored with the handsomest hardwood grove in Prince County and is most suitably adapted for a Fox farm.

Estimated Financial Returns

From the five pairs there should be fifteen pups. At present prices this would mean a net profit of about \$80,000.00 to the investors after deducting all ranching expenses.

No Organization Expenses

All the expenses incurred in the formation of this company viz—the organization including, building of ranch, advertising printing and all other incidentals will be paid by the promoters.

Application for Stock

Applications for stock can be made to Hedley B. Weeks, Fredericton, P. E. I. or to The Canada Fox Exchange and Investment Company Ltd. Charlottetown, P. E. I. — 10 p. c. of the subscribed amount must accompany application.
