*COLONEL WALTZ is pretty breezy, and you all remember what Zue Baughman was at Charlottetown last Fall. Well come to Kensington on the 20th and see them hit it off.

*THE FISHING SEASON along the North shore of King's County, has proved very satisfactory. The packers had the traps taken ashore the 24th, and 25th, and paid off the men at a pre war price, said to be about \$2 per cwt., on an average. The weather all through June was unfavorable. In the four weeks not more than two hauls a week could be taken. The fish are apparently becoming exhausted as there were no real big hauls taken during the season. The fishermen and the packers would be well advised to suspend for at least three years, and give the fish chance to multiply.

*AN OIL WITHOUT ALCOHOL—Some oils and many medicines have hace alcohol as a prominent ingredient. A judicious mingling of six essentials oils compose Dr. Thomas' Electric Oil, and there is no alcohol in it, so that the effects are lasting.

*THE ST COLUMBIA TEA on Wednesday was a great success considering the present financial state of the country. The day was apparently, "made to order," beautiful sunshine with a cooling breeze. The parish turned out in support of the tea with hearty good will. The numbers from adjoining parishes was 107. Range. Congratulations. Father Rooney.

*SUCCESSFUL TEA.—The Combined tea party and sports held in Georgetown on Tuesday, July 5th in aid of the Building Fund of St. James Church was a decided success in every way. There was a good crowd in attendance and everyone expressed himself as well pleased with the entertainment provided and especially with the dainty but substantial meals served by the ladies of the parish. All the old tea party attractions consisting of swing, wheel of fortune, howling alley, Bill Bailey, curiosity shop and many new ones were in full swing so that young and old had ample opportunity for recreation and enjoyment. No part of the entertainment was more thoroughly enjoyed than the excellent pipe music furnished by Mr. Duncan McDonald. It was marvellous to see how sober eyes grew bright and stilly points supple under the magic influence of "The Cock of the North." The athletic programme was carried through without a hitch. There was a full class of competitors in every event and the keenest interest was displayed by participants and spectators. The event which excited the greatest interest was the Tug-of-War between teams representing Georgetown and Newport. The latter aggregation won in two hard pulls and gave a splendid exhibition of what training and team work will do. Following is a list of events with their winners: Broad Jump, distance 17 feet, 1 inch by J. Cheverrie, Souris. High Jump, distance 5 feet 2 inches, D. McLean, De Gros Marsh. 100 Yard Dash (open) John Campbell, Newport. 100 yard dash (boys under 12) E. Fraser, Souris. Throwing Hammer, distance 88 feet, 4 inches, M. Steele, Newport. Putting Shot, distance 35 feet 1 inch, S. Johnson, Georgetown. Exhibition of Putting Shot distance 43 feet by Wm. McLean, De Gros Marsh.
