Victoria, the Village by the Sea

Mrs. Louis Frances of nearby Westmoreland has returned home from the Prince Edward Island hospital somewhat improved in health, after receiving medical treatment there for some little time.

Mrs. Jack Dixon of the adjoining district of Hampton left recently for the west where she will be the guest of her son Gordon who settled there some few years ago. She will also spend some time in Ontario with her daughter Dorothy and family who are comfortably settled there.

The cold blustery weather of the past few days has led the residents of this village to believe that although Old Man Winter has been loitering around the corner for many weeks he is at last making up his mind to put in his appearance in earnest, and so once again hockey will be the order of the day, the rink again being under the capable management of Mr. H. B. Wood, Victoria.

Much sympathy is extended by the people of this place to Mrs. Ainer Howatt, Victoria, and her sister, Mrs. Steford Mullins, Hampton, on the loss they have been called upon to bear in the recent death of their youngest brother, Douglas McIntosh, of Long Beach, California. Douglas, when quite a young man, left his home town of Victoria where he was born a son of the late C. C. and Mrs. McIntosh to make his home in California where he has since resided. He played a large part in the protection of home and country, being a veteran of World War I, so to his bereaved relatives here and in California a sympathy is extended in this their hour of sorrow.

It is very unusual to have this harbour open at so late a date in January, and old timers are busy hunting up records of something to heat this, and many varied are the stories told of winters in the long ago when there was no snow on the ground or ice in the harbour at such and such a time in January and of how the wheels went one year in every month of the year and so forth, and stories are told of how other harbours of the Island remained open through the winter months.

There departed this life in the Prince Edward Island Hospital, Charlottetown, on Friday, January 14th, 1948, Mr. Roy Moore, at the residence of Hampton, at the early age of thirty-three years. Roy had been a patient in the hospital for the greater part of the past two years or more, and at many times during these months his suffering had been intense, but through it all he manifested a Christian fortitude and patience that was remarkable, trusting in the merits of his Saviour, through whose strength he bravely rallied from time to time during his long and trying illness, gradually weakening during the last months of his stay on earth, until finally he was released from his suffering, his spirit taking flight to the God who gave it. He had made his home for a number of years with the late Mr. and Mrs. John T. Inman and family of Hampton, where he received deserving care and comfort to the last and where he will be greatly missed. He was a young man of honest and upright character and his death at such an early age will be sorely felt by his loved ones. To his sorrowing relatives and to those with whom he made his abode, the sympathy of friends in Victoria and surrounding districts go out. His funeral was held on Sunday, January 16th at the Church of Scotland, Murray River, his remains being lovingly laid to rest in the church cemetery beside the remains of his sister Helen, who predeceased him several years ago. The services of the church and graveside were conducted by his pastor, Rev. Horace MacEwen, Carleton.
