**DID NOT LEAVE HOUSE IN FOUR LONG MONTHS**

**Halifax Woman Was All Crippled Up With Rheumatism—Tanlac Restored her Health, Husband Says.**

"I had rather see my wife healthy and happy like she is now than have all the money in the universe and see her suffer like she did before she took Tanlac," said William A. Bowden, of 608 Robie St., Halifax, of which city he has been a resident for the past thirty five years.

"My wife was all crippled up with rheumatism for two or three years, which seemed to be all over her body—up in her shoulders and arms, in her back, and down through her knees, ankles and feet. She could hardly get around the room, and couldn't even go up the stairs at all. She couldn't do any housework and had to sit in a chair nearly all of the time. She had to go from chair to chair in getting to her bed, and didn't put a foot out of the house in four months. She wasn't able to wear her shoes, could scarcely comb her hair, and was in a badly run down condition.

"We saw on many statements from people here in Halifax praising Tanlac that my wife began taking it, and it has certainly done her a world of good. She has a fine appetite, and is doing all her housework now. In fact she seems to get around as well as she ever did, and both of us think Tanlac is the most wonderful medicine ever put in a bottle."

Tanlac is sold in Charlottetown at Reddin Bros. and at C. E. Pratt's, St. Peter's.

The pupils acquitted themselves very creditably and a splendid program was given consisting of songs and recitations, after which the teacher presented prizes to each deserving pupil. Then Florence Gillis read an address to the teacher and Lillian McDonald presented her with a purse. The teacher thanked all the pupils for their kind tokens of appreciation. Following is the address:

Dear Teacher.—The pleasant duty has been assigned me by my schoolmates of presenting you this purse as an evidence of our lasting esteem, friendship and love. We could not consent to let you go home to spend Xmas without leaving in your hands some memorial however trifling of deep and abiding gratitude for your unceasing efforts to benefit us. When in future days you look upon this memento let it be a pleasant token of our deepest love and reverence of our young hearts. Signed on behalf of the pupils of Forest Hill School.

**ICE RACING.**

Over five hundred persons witnessed the racing on the Fair Play Club course, at Oyster Bod Bridge on Saturday afternoon Feb. 5th. Much credit is due to committee who helped to make it the success it was. Seven tracks were ploughed, and though the track was slow good time was made. Two races were called and five started in each race. The horses were evenly matched and each race was a battle for first place. To the regret of the spectators, Prince Louis a favorite, sustained injuries by an accident at the beginning of each, which rendered him unable to do his best.
