It pays to buy in this province. There will be band at the Arena this evening. The ice is in good condition and the music excellent.

A. C. Duchemin, City, has returned from the P. E. I. Hospital, where he had been undergoing treatment for blood-poisoning.

The Business Men will bowl the Mechanics, the regular league game, at the Arena tonight at 7.30 o'clock. This will no doubt be a good game.

In Zion Church yesterday morning, Rev. A. Craise, New Dominion, preached most acceptably in the absence of the pastor, Rev. R. G. Strathie. In the evening T. C. James, City, occupied the pulpit, delivering a splendid address.

In St. James' Church yesterday morning Rev. Mr. Fullerton delivered a strong sermon on the great need of home life. In the evening his address was a particularly eloquent discourse on the life of John Knox, the preacher speaking from the text, John 1:6. There was a man sent from God and his name was John.

The Ontario Young Men's Christian Associations are to own their own summer conference place at Geneva Park, Lake Couchiching. The purchase has been made possible by the gifts of W. M. Birks, John Penman and Dr. Elmore Harris of \$5,000 each. The balance required including the current budget of the school is being secured.

A farmer writing from Covehead says: Quite a large flock of wild geese have been seen in the air continually around Covehead, owing, no doubt, to frozen rivers and bays, there being no chance for their lives except by wing. It is to be hoped the weather will take a change soon and warm rains with warm sunshine result on the opening up of navigation between Charlottetown and the mainland, as to have trade and shipping once more the order of the day.

The death occurred in this city on Saturday of Alex. G. Bremner, an aged and highly respected citizen. Mr. Bremner who had been in failing health for the past few months, was for many years Librarian at the Law Library. He was a respected member of Zion Church and took a great interest in all church work, never being absent from a service, when he was able to attend. He was born in Aberdeen, Scotland, in 1830 and leaves to mourn one brother Col. James Bremner of Halifax, and one sister, Mrs. James Cook, who resides in Scotland. The funeral notice is given elsewhere.

A recent issue of the Boston Post has the following with reference to the Boston Marathon in which Michael Thomas, the Lennox Island Aborigine, will compete: "Canada appears to have another 'cinder' in the coming B. A. A. marathon. According to the reports from across the border the Canadian runners have already been training some time for the event and are in fine fettle. Freddie Cameron came to the States last year some time before the great race and romped in an easy winner. Now the Canadians will follow his example. Sol Mintz, Longboat's manager, fancies either Jimmy Gage or Jim Corkery for the grind, and even goes so far as to say that Longboat's old record will go by the board. Picking the winner of the big race at such an early stage is a dangerous proposition, but it looks safe to say that one of the Canucks will take away the prize. Is Mike to be the 'Canuck' of 1911?"

As one of the initial moves in the reducing of expenses under the One Price Cash System, Prowse Bros., Ltd., have commenced at the reduction of the office staff by the placing of the Cash Desk and Cashier in the Main Office. This is an improvement in many ways, as it concentrates the office help, brings the cash direct to head quarters, and does away with an additional one in the office itself. The saving is among the first noted—but the improvement in the outside department from which the Cash Desk has been removed—is very noticeable, as it gives more room for the goods which are displayed there. Prowse Bros. have also installed a new and up-to-date cash carrier, the Lamson carrier, and it is an additional help as well as a great improvement on the former one which was insufficiently large. Prowse Bros. forge ahead with improvements and innovations in the way that always speaks the wide awake and up-to-date business firm.

Rev. E. E. Styles will lecture in Clifton Church, Lot 48, on Tuesday, March 28th, taking for his subject, Notes grave and gay from a Preacher's Diary. If the night is stormy, lecture will be held on following Thursday. 3-27d2i.

On Wednesday, March 22nd, the ladies of the W. F. M. S. of Margate held a parlor social at the residence of Frank Glydon, Margate. J. F. Profit presided as chairman. A program, consisting of music, recitations, and gramophone selections, made it one of the most enjoyable events of the season. A similar event was also held a week previous at the residence of J. J. Fyfe, Margate. Both events proved to be splendid successes financially.

The Mount Allison debating team holding up the pro side of "Resolved that free trade in natural products is beneficial to Canada," were defeated in Halifax on the 22nd by Dalhousie with their splendid oratory by 1 pt. out of about 500. Although "Mount A." got much the better of argument Dalhousie's delivery gave them the debate. A. Knight, formerly of Alberton, was one of the Mount A. debaters. On the same evening the "Mount A." Basketball team defeated the Brunswicks, last year's champions of Halifax by score 21 to 14. Milford played centre.

By special request the Pownal choir were recently entertained for their weekly practice at the hospitable home of J. H. and Mrs. Judson, Alexandria. The splendid new Elster music was attacked for the first time and good progress was made. After practice a bountiful repast was served in the spacious dining-room to which ample justice was done by the hearty singer.
