MISERABLE FROM STOMACH TROUBLE

Felt Wretched Until He Started To Take "Fruit-a-tives"

894 CHAMPLAIN ST., MONTREAL.
"For two years, I was a miserable sufferer from Rheumatism and Stomach Trouble. I had frequent Dizzy Spells, and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints, and my hands swollen. A friend advised "Fruit-a-tives" and from the outset, they did me good. After the first box, I felt I was getting well and I can truthfully say that "Fruit-a-tives" is the only medicine that helped me." LOUIS LABRIE.

The Cash System which we introduced on April 1st enables us to offer you immense values in our different departments. Our customers and the public in general, have been big enough to see that our somewhat severe terms are no reflection whatever on the financial standing of any customer. If you knew there was a \$5.00 bill between the pages of a book, you would look mighty careful, even if there wasn't a picture on every page. Lack of space prevents us from illustrating every article, but a careful inspection will disclose many opportunities for profitable purchases.

Our early buying enables us to offer you excellent values in our Millinery, Dry Goods, Boot and Shoe and Grocery Department.

We have just received two cars of Woven Wire from the N. B. Fence Co. which we are selling at the old price, and as there has been an advance of 15c per chain, with the probability of \$2.25 for next year, we would advise early purchases for your future requirements.
