FARMERS BUSY.—Just now is a very busy time for the farmers and they are working every available minute. There is considerable grain out yet and those who are through harvesting are digging potatoes. There has been a wonderful change in the work of the farmer in the last few years the digger replacing the plow and the motor truck replacing the horse in hauling the potatoes to market or storage. Then pickers are in great demand and are secured from the extreme west and the extreme east for digging. One farmer in Kinkora expects to have a crop of 35,000 bushels or more. The potato industry has assumed enormous proportions and should be a big factor in giving the province a contented population and keeping the young people at home.

Bourassa Opposed To Independence

DUBLIN, Oct. 14.—Annexation of Canada by the United States would mean the end of Canadian independence aspirations, declared Henry Bourassa, M.P., Quebec, editor of Le Devoir, Montreal, at a dinner given in his honor by the Irish Free State here Monday night. "We desire, from a purely Canadian point of view, to maintain British connection as an obstacle to the penetration of Americanism throughout the whole continent of North America," Mr. Bourassa added.

ST JAMES CHOIR will meet for rehearsal tonight at 7.30 sharp. A full attendance is requested.

SUDDEN DEATH.—Mrs. H. Stetson, 181 Dorchester Street has received a telegram conveying the sad news of the unexpected death of her sister-in-law, Mrs. T. N. McKay, which occurred at Medicine Hat Wednesday.

CAR RECOVERED.—The Ford car belonging to a resident of this city which was stolen several nights ago from in front of the Prince Edward Theatre, was found yesterday afternoon at Borden and returned to the owner.

SYMPATHY EXPRESSED.—Deepest sympathy will go out to Mrs. William Nelson and family in the death of Mr. Nelson which occurred yesterday after a very short illness. Mr. Nelson was a well known and very highly respected employe of the Charlottetown Condensed Milk Company and his familiar figure and cheery word will be missed in many households.

RETURNS FROM VANCOUVER.—The following clipping is from the News Publishing Co. of Vancouver—J. B. Rombough of Niagara Falls, New York, who has been a visitor to Vancouver for the past two months left for home Tuesday. He is greatly impressed with the possibilities for successful investment and the wonderful future of British Columbia. Mr. Rombough has been in the fur business for 21 years and has been a breeder of all ver black foxes for the past 12 years in Prince Edward Island. He has studied conditions in British Columbia relative to the fur-raising industry and believes that the cool weather and moist atmosphere are more conducive to the producing of fine texture and natural color in the fur than is the case in the colder climates.

ACTS OF VANDALISM.—During the dance at Brighton Club on Wednesday night, some persons undertook to let the air out of the tires of no less than seven automobiles parked outside. Whether the trick was meant as a practical joke or not, the car owners saw no humor in the situation when they had to drive home or deflated tires, in some cases greatly to the damage of casings and inner tubes. No doubt the only thing that prevented the perpetuated joker, if he was one, from completing the job was the fact that he was interrupted at his work by some one who thought he was changing a tire, and who offered help. He fled before he could be caught or identified, and the matter was reported to the police. Later in the night, as the dance was breaking up, a further interruption occurred in the shape of a bottle thrown through a club-house window. These are acts of vandalism that are giving fair minded citizens food for thought. It is hoped that before long some of the perpetrators of these foul tricks will be caught in the act and dealt with summarily.

GOLF

Through the kindness of Mr. L. E. Wellner, who has presented two handsome trophies for the event, a special match will be played off on Saturday next, Oct. 16th, at the Charlottetown Golf Links. At Mr. Wellner's suggestion, the matches will take the form of two separate matches—Ladies handicap singles medal play and men's handicap singles, medal play, 18 holes. For this special match a special handicap list will be drawn up for the ladies so that every lady player in the club may compete with an equal opportunity to win the trophy. It is hoped there will be a large turnout of both men and lady players for this special match. Drawing to take place, weather permitting, at 2.15 p. m. sharp. There will also be prizes for runners up, presented by the Men's Green Committee.
