THE BEST FRIENDS OF PE-RU-NA ARE THE MOTHERS AND CHILDREN

When Sickness Comes to the Little Ones It is the Mother Who Chiefly Suffers.

She suffers even more than the child who happens to be sick. Her sympathy is deeper than that of any other member of the family. The mothers look forward with dread to the torrid heat of summer, thinking of their children and the many liabilities to disease that are before them.

MRS. THREESA ROOKE MOTHER and CHILD

MILDRED, INEZ and MARIE SAILER

G. H. FARMER and SON

A Multitude of Mothers Have discovered that Peruna is the stand-by, and that in all the ailments of spring and summer to which the children are subjected, Peruna is the remedy that will most quickly relieve.

Whether it is spring fever or stomach derangement, whether it is indigestion or bowel disease, a catarrhal congestion of the mucous surfaces is the cause. Peruna quickly relieves this condition of the mucous membranes. Its operation is prompt, the children do not dislike to take the medicine, it has no deleterious effects in any part of the body.

It simply removes the cause of the disagreeable symptoms and restores the health. Peruna is not a physic. Peruna is not a nerve nor a narcotic. Peruna does not produce any drug habit, however long it may be taken. Peruna is not a stimulant.

Peruna is a specific remedy for all catarrhal ailments of winter and summer, acute or chronic.

The mothers all over the United States are the best friends that Peruna has.

The Mothers Hold Peruna in High Esteem.

Not only because it has cured them of their various ailments, but because it always rescues the children from the throes and grasp of catarrhal diseases.

We have in our files hundreds of testimonials from mothers whose children have been cured by Peruna. However, the large majority of mothers who use Peruna, we never hear from.

But we do hear from a great number of mothers who are so overjoyed at some special good they have received from Peruna that they cannot restrain their enthusiasm. They are anxious to share these benefits with other mothers.

The Benefit Which the Children of the United States Have Received From Pe-ru-na Can Never Be Put Into Words.

The chronic ailments it has prevented, the suffering it has mitigated, will never be fully recorded.

But at least this much can be said that the coming generation owes a great debt to Peruna, for it is in the tender years of youth that slight ailments are liable to develop into lasting diseases, thus blasting the whole career of the individual.

The mothers who are bringing up their children to-day to believe in Peruna are doing a great work for humanity. These children brought up to believe in Peruna from the start, will, when they become heads of families themselves, use Peruna with unquestioning faith.

Per-na Protects the Entire Household.

As soon as the value of Peruna is appreciated by every household, both as a preventive and cure, tens of thousands of lives will be saved, and hundreds of thousands of chronic, lingering cases of catarrh will be prevented.

Mrs. Thresa Rooke, 258 N. Ashland Ave., Chicago, Ill., Treasurer Ladies' of the Macabees, writes:

"In our home Peruna is the only medicine we have. Grandmother, mother, father and child, all have used Peruna. It is our great remedy for catarrh of the stomach and head, colds, and female complaints of which it has cured me.

"We find it of great value when my husband becomes worn out or catches cold. A couple of doses cure him.

"If the baby has colic, or any stomach disorders, a dose or two cures her. I consider Peruna finer than any doctor's medicine that I have ever tried, and I know that as long as we have it in the house, we will all be able to keep in good health."—Thresa Rooke.

No Doctor Required.

Mr. Edward Otto, 927 De Soto street, St. Paul, Minn., writes:

"I cannot say enough for Peruna. It has done great work in my family, especially for my oldest boy. We had doctored with three or four different doctors and they did not seem to do him any good.

"We gave up hopes of cure, and so did they, but we pulled him through on Peruna.

"We had several doctors and they said they could do no more for him so we tried Peruna as a last resort, and that did the work. Since then we keep it in the house all the time, and no doctor is required."—Edward Otto.

Per-na Contains No Narcotics.

One reason why Peruna has found permanent use in so many homes is that it contains no narcotic of any kind. Peruna is perfectly harmless. It can be used any length of time without acquiring a drug habit.

Peruna does not produce temporary results. It is permanent in its effect.

It has no bad effect upon the system, and gradually eliminates catarrh by removing the cause of catarrh.

There are a multitude of homes where Peruna has been used off and on for twenty years.

Such a thing could not be possible if Peruna contained any drugs of a narcotic nature.

Per-na Should Be Kept In Every Household

Where There Are Little Children.

Peruna should be kept in the house all the time. Don't wait until the child is sick, then send to a drug store. But, have Peruna on hand—accept no substitute.

Children are especially liable to acute catarrh. Indeed, most of the affections of childhood are catarrh.

All forms of sore throat, quincy, croup, hoarseness, laryngitis, etc., are but different phases of catarrh.

Mrs. Amelia Saller, Menasha, Wis., writes:

"I have used Peruna for a number of years. It cured me of chronic catarrh which I suffered with from infancy.

"When my three children were born they all had catarrh, but I have given them Peruna and find it very effective in ridding them of this horrible trouble. I find that it is also good to give them as a tonic and a preventative of colds and colic.

"In fact, I consider it a household blessing. I would not know how to raise my children without it. I am pleased to give it my recommendation."—Amelia Saller.

IT WAS NOT A FAITH CURE

Dodd's Kidney Pills Cured Mrs. Adams' Bright's Disease.

She Did not Believe in Them, but To-day She is Strong and Well.

COLLINGWOOD, Ont., Nov. 24, (Special)—Mrs. Thos. Adams who moved here about two years ago from Burk's Falls, is one of the many Canadians who once had Bright's Disease and are now strong and well. Like all the others she was cured by Dodd's Kidney Pills.

"I was eight months an invalid," says Mrs. Adams, "and no one can tell what I suffered. My doctor said I had Bright's Disease and Sciatica, but I got no relief from anything he gave me. At last a friend of my husband induced me to give Dodd's Kidney Pills a trial. I had no faith in them, for I thought I never would get better, but after taking three boxes of them I was able to do my work. I have had good health ever since I used Dodd's Kidney Pills."
