PROBABLY the most artistically arranged display of millinery goods yet seen in Summerside is that in the show window of Messrs. Sinclair & Stewart. Even to the uninitiated the window is a beautiful picture, in which all the colors and shades are so tastefully blended as to make it a pleasure to stand and gaze at it. While those versed in millinery lore will find in it all the latest Parisian and American novelties in every style that the feminine head can wear or conceive.

THE social and spelling bee given by the young people of the Methodist Church in Epworth Hall, Thursday evening, was a very enjoyable one. After a short literary and musical program, the central event of the evening, the spelling bee, was called. There were quite a number of competitions, and a good deal of amusement was caused as one after the other succumbed to the hard words given them by Miss Ethel Connors, who had charge of the dictionary. Mrs. R. H. Campbell survived the fire and was declared the victor. Ice cream and refreshments were served during the evening. The proceeds amounted to nearly \$10.

THE GUARDIAN records with a mere sorrow the death of Mr. Strang Hart, of Coleman, which occurred last Thursday, of pneumonia, after an illness of two weeks. Mr. Hart, who was 68 years of age, has resided at Coleman during the past 30 years, where he conducted an extensive and successful mercantile business. He was a prominent figure in Prince County and took an active part in every movement calculated to benefit his fellow man. Well educated, intelligent and a man of sterling integrity, he was loved and respected by all who knew him. To his sorrowing wife and daughter the GUARDIAN extends its deepest sympathy.

Polka dots are the feature of the new hosiery, and blue and tan stockings are liberally sprinkled with blue, white or red spots. For evening wear the silk hose with real lace fronts are the choice.

A REFRESHING STYLE. The art of quotation requires delicacy in practice. An already famous firm has originated and developed into very promising advertising a mass of old quaint proverbs. We refer to Messrs. C. I. Hood & Co., of Sarsaparilla fame, who are using not only our columns but those of thousands of our contemporaries, in adapting, wise saws to their service by clever and practical turns. It is refreshing to see something new and bright in this line. Clean cut argument is better than big display type.

A DRUGGIST'S FAITH. What's Most Called For Must be the Best Remedy.

A druggist's testimony of the popularity of a remedy is the strongest kind of a proof that it will do what it promises. Paul Livingood, druggist, of Allenton, Pa., says: "Dr. Agnew's remedies have sold away beyond my expectations. You can write me for saying that Dr. Agnew's Catarrhal Powder is the best seller for catarrh I have in my store. Many of my customers praise it highly." It is a great remedy and has a continental reputation. Sold by S. W. Dodd and G. E. Hughes.

The high top knot is still the most fashionable mode of dressing the hair, and the Parisian woman's pompadour is thrown well forward in an overhanging puff.

HEART STARTS. Dr. Agnew's Cure for the Heart—One Dose Helped in 30 Minutes—Two Bottles Cured.

Mrs. M. K. Calhyer, 29 Pacific Ave., Toronto, was troubled with heart disease for years, could not stand on a chair without growing dizzy; going up stairs, or being suddenly startled brought on palpitation, suffocation and intense pains under the shoulder blades. She tried many remedies—was treated by heart specialists without permanent relief. She procured and used Dr. Agnew's Cure for the Heart. She got relief within 30 minutes after the first dose, and before she had taken two bottles every symptom of heart trouble had left her.

Sold by S. W. Dodd and G. E. Hughes.

YOUTH FOR OLD AGE.

Seventy-Six Years Old, but Felt Like a Young Man.

Commissioner Worden of Wickham, N. B., Cured of Kidney Disease by Dodd's Kidney Pills—He Suffered for a quarter of a Century.

WICKHAM, QUEEN'S CO., N. B. May 12.—Every resident of this district knows Mr. G. J. Worden, Commissioner of Wickham Civil Courts. He is a gentleman seventy-six years old, universally looked up to and respected as an upright worthy citizen, and an honorable, God-fearing man.

Mr. Worden's friends are congratulating him on his remarkably robust health and sturdy appearance. Behind this is a wonderful story, that should be read by everyone. Mr. Worden tells it himself.

"For over twenty-five years I was afflicted with Kidney Disease," says Mr. Worden, "suffered terribly with pains in the loins and back, and urination caused me the most horrible agony. I submitted to several surgical operations. I could get no rest at night, and had to lie on one side in bed continually. I could not sit an hour at a time. In short, my condition was such as I can't describe. I was treated by several doctors, but they failed to relieve me. I had fully given up hope of ever getting better."

"One day I read of Dodd's Kidney Pills and the description of Kidney Disease symptoms was so exactly like my own sufferings, that I resolved to try the pills. One box helped me so that I got six more. When I had nearly finished the seventh box, I quit taking them, as it seemed I was a new and young man, made from an old one. That is how I felt. Every sign of my trouble had disappeared completely. I was, and now am, strong, hale and hearty."

"I was a great sufferer from Itching Piles, and to my great surprise they also were cured. Dodd's Kidney Pills have, by the blessing of God, cured me and made a new man of me."

"I solemnly declare the foregoing to be true, to the best of my recollection."

Dodd's Kidney Pills are sold by all druggists, at fifty cents a box, six boxes for \$2.50, or they will be sent on receipt of price, by The Dodd's Medicine Co., Limited, Toronto, Ont.
