THE FIRST REAL PICTURE OF THE GREAT WAR

### MEET WILL BE MCKENNA BOUT DOMINION'S LAST SUMMER STAND IN N. B. POSTPONED

Horses Arrive From Capital For Final Appearance in Province Before Fall Fairs.

MONCTON, N. B., July 30.—The Maine and New Brunswick Circuit campaigners have moved on from Fredericton for their last stand on Canadian soil before the fall fairs, the jump from here being across the international boundary to Presque Isle for racing on August 8 and 9, which will be the last of the summer meetings before the opening of the fall fairs section of the circuit at Showegan on August 14, 15, 16 and 17.

A re-adjustment of classes in the program drawn up for the Moncton Driving Club's meeting on Wednesday and Thursday, August 1 and 2 brings new fields of horses together in such a manner as to create a new interest in this week's racing. J. Horseman, of Moncton, and Battonette, entered by J. A. Kudderman, of Sydney, N. S., are newcomers on the Maine and New Brunswick circuit here.

Ruby P., 2.04 3-4, conqueror of Bessie McKillo, 2.01 1-4, in their memorable pacing duel at Fredericton last fall, will make her first start of the season in the free for all here on Thursday and indicate that she will be the largest field of the season for the \$1,000 event. That Ruby P. is ready to tackle the free for allers was evident at Fredericton last week when she paced the second heat of the 2.10 event in 2.07 1-4, which was faster than the free for allers had gone in any heat this season. Except the second round of their race at Fredericton the following day when Bessie McKillo made it an even 2.00. Guesswork, 2.02 1-4, Merriman, 2.00; Lambert Todd, 2.02 1-4; El Verso 2.05; Curuso, 2.07; and Harry Putnam, 2.07 3-4, complete a field that is easily the best lot of free for all pacers ever carded for the Moncton track.

#### Fast Pace Expected

The Junior free for all, to be raced on Wednesday, is open to 2.12 pacers, as a result of the re-adjustment that has been made, and while Tarzan Grattan, 2.02 1-4, winner of the \$25,000 American Pacing Derby in 1925, will doubtless be the favorite there should be some great racing with Jackson Grattan, 2.01 1-4, Hedgewood K., 2.07 1-4; Peterkin, 2.07; Betty Direct, 2.07 1-4, and others that have all been racing around 2.08 in the field. The 2.14

### BASEBALL Q. S. S. VS. SOUBIS

(Canadian Press) CHICAGO, Ill. July 31.—The scheduled bout between Jack McKenna of Sydney and O'Callaghan, local boxer, was postponed indefinitely here last night.

### BASEBALL Q. S. S. VS. SOUBIS

A game of baseball will be played between Queen Square School boys and the Soubis High School boys at the C. A. A. Grounds this evening at 6 o'clock. Last year when these two teams met there were two very exciting games. So come along and join the crowd and give the boys a bumper house.

### Four of Aubrey Tribe

Four members of the Captain Aubrey tribe will be added to the regular campaigners of the circuit in the 2.25 class in which Eula H., 2.10 1-4, the little strawberry roan pacer by Hedgewood Lad which was purchased for Billy Keys' stable last fall at the Brockton Fair by Mrs. S. A. Wathen, of Fort Fairfield, Me., can be counted upon for miles in 2.10 if necessary. Bingen Aubrey, entered by Col. D. A. MacKinnon, of Charlottetown, P. E. I.; Sport Aubrey, entered by W. A. Simpson, of Pt. du Chene, N. B.; Billy Aubrey, entered by J. H. Thompson, of Moncton, and James Aubrey, entered by S. T. Etter, of Amherst, N. S., are the quartette of the Aubrey family added to the entry list here. T. J. Devlin, 2.11 1-4, entered by Frank O'Brien, of Moncton, is the only addition to the regulars in the 2.18 trot and pace, while Peter Allright, entered by S. T. Etter, of Amherst, N. S., is the only newcomer in the list of entries for the 2.21 trot. The Moncton Driving Club have been making a lot of improvements at the track, under the direction of President W. H. Spear, Secretary A. E. Tremblay and the other officers, and this week's racing should be the highest class attractions ever offered here. The 2.14 paced race goes at the most easterly point embraced in the Maine and New Brunswick circuit.

### HIGH HOPE AT OLYMPICS

TORONTO, July 30.—Alexander Gibb describes the six girls who are Canada's big hope at the Olympic games at Amsterdam this summer, as follows: Myrtle A. Cook, director track and field, Canadian Ladies A. C., Toronto-born veteran member of the team, is the only girl on the present team who has represented Canada abroad before. She holds the international indoor sprint title, won in New York last March, and is claimant now for new world record for the 100 metres of 12 seconds flat. She will compete for Canada in the 100 metres and relay.

Ethel Smith, Canadian Ladies A. C., born in Toronto, is 21, and was former holder of 220-yard championship, but did not defend the title at Halifax. A splendid sprinter, just coming into her own. Is a soft ball and basketball star; wears glasses when competing; is entered for the Olympics in 100 metres and relay event.

Fanny Rosenfeld, born in Russia, 1905, naturalized Canadian in 1920; holder of Canadian records in broad jump, standing broad, discus and shot put has run 100 yards in 11 seconds and 220 yards in 26 seconds, but never been credited with either. Canada's most outstanding all-around girl athlete, and entered for Olympic games in relay and discus.

Ethel Catherwood, born in Hanover, North Dakota, still in her teens; parents are Canadian-born; holds Canadian high jump record; also jayvein, and equalled world record in high jump at Halifax trials of five feet three inches. A tall, statuesque beauty; hails from Saskatchewan, but now permanently located in Toronto. Miss Catherwood will represent Canada in the high jump.

Jean Thompson, 17-year-old high school girl from Penzance, but born in Toronto; only commenced real training last September. A claimant for the new world's record in 800 metres, time 2:21 2-5. Canada's Olympic entrant in 800 metres.

Florence Bell, sometimes called Jane, 18 years old, Toronto born, holder of Canadian 80-yard hurdle record; won school championship for four years; swimmer of note; former all-round Canadian junior champion; a member of Canada's 400 metres relay at the Olympics.

Rickard Wants Another Dempsey  
John L. Sullivan defeated Jake Kilrain in 75 rounds for the heavyweight title, July 8, 1889, at Richmond, Missouri. That was the last bare knuckle bout, and since then there have been twenty-nine battles for the crown, including Thursday night's go between Gene Tunney and Tom Heeney, and the championship has changed hands on seven occasions, the last time in Philadelphia, in 1926, when Tunney won from Jack Dempsey. At present there does not appear a mauler in sight capable of "taking" Tunney, and the Greenwich Village fight king should be on top for some time to come. Tex Rickard is of that opinion and will not attempt to match Tunney before September, 1928, and in the meantime will endeavour to develop an opponent for Gene, who can not only fight, but has the necessary "color" to draw the fight fans to see him fight. In other words, he wants another Jack Dempsey.

### SENSATIONAL CANADIAN SPRINT STAR WILL BE IN THE 200 METRES FINALS THIS AFTERNOON

Percy Williams Hero Of Century Dash Out For Double Triumph.—Canadian Girl Athletes Make Great Show In 800 Metres Which Was Captured By Lowe Of Great Britain.

AMSTERDAM, July 31.—By W. H. Ingram, staff correspondent of the C. P.—Percy Williams, Vancouver, British Columbia, who won the 100 metres championship at the Olympic games yesterday will be out for a double triumph in the sprints tomorrow when he competes with the world's sprinting stars including John Fitzpatrick of Hamilton, Ont., in the 200 metres finals. These two members of the Canadian team qualified for the final today by securing places in the preliminary and semi-final heats. Canadian won a second, third and fourth place in today's finals, two places going to the female contingent and one to the male. Elizabeth Robinson of the United States was forced to world's record time of 12 1-2 seconds to win the 100 metre final for women, with Fanny Rosenfeld of Canada second and Ethel Smith, Toronto third. Robinson, manager of the Canadians protested the decision however, claiming that reliable witnesses at the tape would vouch for Rosenfeld's victory over the American. The third Canadian in this event, Myrtle Cook of Toronto was disqualified for false starts.

Percy Williams of Vancouver, ran second in his 200 metres semi-final this afternoon to Helmut Koering, German sprinter whose time was 21 3-5 seconds, the fastest time of any recorded in the day and less than a second slower than Charley Paddock's world record of 20 4-5. Williams closed fast to beat Otto Peltzer in an 800 metre heat increased in a veritable roar when Elizabeth Robinson of the United States was placed in front of Fanny Rosenfeld, Canadian officials saw Miss Rosenfeld get to the front in the final few strides and four placing judges canvassed by Canadians saw it the same way. The result was that M. M. Robinson, manager of the Canadians entered an immediate protest. This placing followed a previous "tough" break when Myrtle Cook the ace of the Canadian sprinters was disqualified for false starts. Miss Rosenfeld had previously withdrawn from the 100 metres, this event was won with a throw of a little more 128 feet. Miss Rosenfeld has tossed it more than 120 feet in Canada.

WRESTLING  
AMSTERDAM, July 31.—Makinen of Finland won the Olympicbantamweight wrestling championship today, winning two straight bouts from Bob Hewitt, University of Michigan, the first by a fall and the second by decision.

CANADIAN GIRLS GET POOR DEAL  
(Special to the Guardian)  
AMSTERDAM, July 31.—Rumblings of officials in charge of the Canadian Olympic team heard over the refusal to allow Canadians the same privileges as the United States, the Hester incident yesterday and the bumping of Little by Otto Peltzer in an 800 metre heat increased in a veritable roar when Elizabeth Robinson of the United States was placed in front of Fanny Rosenfeld, Canadian officials saw Miss Rosenfeld get to the front in the final few strides and four placing judges canvassed by Canadians saw it the same way. The result was that M. M. Robinson, manager of the Canadians entered an immediate protest. This placing followed a previous "tough" break when Myrtle Cook the ace of the Canadian sprinters was disqualified for false starts. Miss Rosenfeld had previously withdrawn from the 100 metres, this event was won with a throw of a little more 128 feet. Miss Rosenfeld has tossed it more than 120 feet in Canada.

Ball Game Goes To Rovers, Default  
The bottom has apparently dropped out of the City Baseball League which is about finished anyway. The Rovers scheduled to play the Stars last night, took the game by default, the latter failing to show up for the fixture. The final game of the series will be played Thursday night between the Rovers and Anchors. Isn't it a pity that "small talk" so often leads to great trouble. No matter if you are hidden in an obscure corner, never try to satisfy yourself with doing your second best.

### OUT, BUT STILL ON HIS FEET

The terrible eleventh round of the Tunney-Heeney battle at Yankee Stadium, New York, saw Heeney staggering blindly hardly able to defend himself. This telephoto picture shows Heeney sagging badly (right) as the referee stepped in and stopped the fight to spare the game New Zealander further punishment. Heeney had been knocked out in the tenth round but was saved by the bell and after the one-minute rest he came from his corner for the eleventh round only to run into a terrific barrage of blows. With two minutes and fifty seconds to go the New Zealander was rocking on his feet and ready to collapse when referee Forbes stepped between the battlers, as shown in this picture, and led Heeney staggering to his corner. In this photo Tunney is behind the referee.

### GENE RETIRES FROM RING

NEW YORK, July 31.—Tommy Loughran today announced the intention of cleaning up all challenges for his world's light-heavyweight boxing championship title. He then entered the heavyweight division in the hope of a crack at Gene Tunney's crown. "I'll fight either Leo Lomski or Jimmy Slattery in September, but may take on Mickey Walker in Chicago, and then will give up my title to enter the heavies' ranks."

### GOLF

Today, Wednesday, at the Charlottetown Golf Links, at 2.30 p. m., men's singles, eighteen holes, medal play handicap will be played. Class A—Handicap twenty-two and under. Class B—Handicap twenty-three or more.

## 'HARD ROCK' FROM 'DOWN UNDER' GOES TO THE CANVAS

This is a telephoto picture of one of the big moments in the Tunney-Heeney fight at Yankee Stadium, New York, in which Tunney successfully defended his title as world heavyweight champion. Heeney was snapped just after the champion had knocked him to the canvas. The New Zealander is supporting himself on his left elbow and instinctively holds his guard over his face with his right hand while Tunney towers above him. Toward the end of the tenth round, Tunney saw that the battle was his and, rushing Heeney hard, knocked him to the ropes. The "Iron Man" went down almost unconscious, his body nearly rolling from the ring. Obviously he was unable to get up but the bell saved him.
