A unique feature of the day was the reception by Radio, of the dinner programme from the Victoria Hotel, in the dining room of the sister Hotel, the Queen. The guests of the Queen Hotel enjoyed the Orchestra very much and were greatly pleased with the novelty of the event.

The receiver was loaned through the kindness of Major Keith Rogers, President of The Island Radio Co.

10 A. S. has made a decided improvement in this matter of volume through the use of a new amplifier and it is expected will be heard in more distant points in the future. Letters of appreciation are regularly received from Nova Scotia points. The Wave length is quite low 232 metres.

VERDUN, MONTREAL, QUEBEC.—"I am one of thousands who have taken Lydia E. Pinkham's Vegetable Compound and I have great faith in it. I can safely say it has relieved my troubles and I feel so different. I recommend it to all my friends and hope it will cure other women who are suffering from the troubles I had."—Mrs. THOS. H. GARDNER, 221 Evelyn Street, Verdun, Montreal, Quebec.

Lydia E. Pinkham's Vegetable Compound is a dependable medicine for the new mother. It is prepared from roots and herbs, contains no harmful drugs and can be taken by the nursing mother.

Hugh McPherson and Dougald of Darlington and Mrs. George Day of Wheatley River. He was a son of the late Murdoch and Hannah McPherson of Darlington.

SPLENDID POTATO FIELD.—On Thursday, the privilege it was of a Guardian scribe to be shown a field of potatoes, the property of Mr. J. A. Burge, the efficient and obliging C. N. R. agent at Bedford. This specimen of agricultural industry is the result of Mr. Burge's leisure moments, and they are few. But after having discharged faithfully the duties incumbent on his office, he amplies the time in the attainment of acts that are most useful. The field visited contained six acres and even if set down among the choicest the plants would command attention. The tops and foliage particularly present a beautiful aspect and on close inspection you find them also largely free from infection. Not one diseased stalk was found in the whole field, and the tubers already show proof of vigorous development. These tops have now completely covered the furrows, and vibrating in the breeze present a reality that pictures cannot rival. These results have been attained by the application of intellect and reason to the development of common place methods and the results will no doubt puzzle the laggard mind. But any farmer whose land contains the natural constituents could achieve equal results, if he would only utilize the means at his disposal with rational direction. Mr. Burge is among the first in this vicinity to employ latest methods in seed production.—V.

NEARLY 500.—Close on 500 excursionists left Summerside, Kensington and other points in Prince County by the C. N. R. last night on the harvest excursion. There were quite a number of women among the excursionists.

Arsenault was chief celebrant.

It is understood this is the first time an Island team has entered in the Quebec competition.

VISITORS FROM BOSTON.—Mr. J. A. Maskell, of Boston, and Mr. Samuel W. Holt, of the Boston Globe, are on a visit to the Province. Mr. Maskell is a frequent visitor, as he is a native of Acadians, but this is the first occasion which Mr. Holt has come to our shores. He has been for the long period of forty-two years on the Boston Globe and has seen a good part of the United States, but has never seen so perfect and desirable a land as in Acadians. He is in the city of Boston, where he has been for three weeks here and visit different parts of the Province.

PAINFUL ACCIDENT.—On Friday evening last Master Harold Jay, four-year-old son of Edward E. Winton, of this city, became near having a very serious accident when he got up on a chair and reached the scissors. When turning around he fell, the scissors going into his forehead just at the edge of the hair. His father picked him up seeing he was bleeding very freely, rushed to the phone and called the doctor, who in a very few minutes was there, stopped the bleeding and put two stitches in the wound. Although it was an ugly wound everybody was glad it was not as serious as it looked at first. This is surely a lesson to children to keep clear of such sharp instruments.

FIRE AT BORDEN.—A fire, the cause of which is unknown, occurred at Borden on Saturday afternoon when the dwelling of Mr. Arthur Arsenault with all its contents was completely destroyed. The fire was not noticed until it had rushed to the phone and called the doctor, who in a very few minutes was there, stopped the bleeding and put two stitches in the wound. Although it was an ugly wound everybody was glad it was not as serious as it looked at first. This is surely a lesson to children to keep clear of such sharp instruments.

\$2500 FOR COW.—Mr. C. L. Goodhue, Manager of Raymondale Farms, near Montreal, recently visited Prince Edward Island and purchased the Holstein cow "Hiemke" from Water Jones, Bunbury Farm, for \$2,500. He also purchased several young animals from "Bunbury Farm" paying as high as \$250.00 for a calf. He also bought two head of cattle from H. J. Kennedy, Southport. The shipment consisting of seven head, went forward on Wednesday last, in charge of Joseph V. Bradley, the herdman of "Bunbury Farm." This is the second sale made to Raymondale by "Bunbury Farm" which is now in a fair way to recover all or more of the money spent in the Upper Provinces some years ago for foundation stock.

INJURY TO CHILD.—Last Friday evening Master Harold Jay, the four-year old son of Mr. and Mrs. Edward E. Jay met with a painful accident when he climbed on a chair and secured a pair of scissors and in turning fell, the scissors inflicting a nasty wound in his forehead. Medical aid was quickly summoned, the wound requiring two stitches. It is pleasing to report the little chap is now doing fine.

MEMBER OF CHOIR REMEMBERED.—At a recent meeting of the members of the Central Christian Church choir, Mr. Alex Stewart, son of Mrs. Daniel Stewart, of this city, was presented with a fountain pen and address of farewell, the occasion being on the eve of his departure for Western Canada. At the departure for Western Canada, Mr. Stewart, who has been a member of this choir for a number of years, attended P. W. College from which institution he received a teacher's license. While in Western Canada Mr. Stewart intends to engage in the teaching profession.

James and John McLeod, the two young lads of ten and nine years respectively, sons of Mr. John McLeod, Euston Street who have been missing from their home since Monday, were found on Grafton street early last evening by Officer Higgins and Doyle who returned them safely to their homes. The two youngsters said they had been late for supper on the previous evening and had been afraid to go home. They were not very communicative as to their escapade, but did not seem very sorry for being captured, after having spent a night in the open air.

DR. MILLER ILL.—A Canadian Press despatch from Kenynton, N. S., states that Dr. A. F. Miller, Superintendent of the Nova Scotia Provincial Sanitarium, is critically ill, suffering from internal hemorrhage. A telegram, however, received from Dr. Miller today states that he took a slight respite, but his condition is greatly improved.

BRILLIANT ISLANDER.—Miss Doris Ena Locke, formerly of Sherbrooke and Summerside, has attained the best standing, both terms, for the past three years in the South Calgary High School, leading the graduating class in 19-25 and winning the McKillop Scholarship. On another occasion she won the Governor General's prize and Shield for her school in competition with students from all over the province of Alberta. The High School in a write up of the graduating class, pays her the following tribute: "Doris Ena Locke came all the way from Summerside, P. E. I. her birthplace, to Calgary, and straightway proceeded to annex the Governor General's medal in Grade 8 and has been setting pace for South Calgary ever since. She is one of our quiet pupils in the class room, but speaks with authority on school lore, and is secretary of the Year Book Committee. Miss Doris Ena Locke is a daughter of Mr. Arthur H. Locke formerly of Sherbrooke and Summerside and a niece of Mr. Joseph Locke and Mrs. George McCallum of Summerside. Before going to Calgary she was a student in the Summerside High School.

At Providence R. I. on July 5th, 1925, after a short but distressing illness—Cancer-borne with heroic fortitude and calm resignation—the Divine will, the late David H. Hume in the 72nd year of his life. Born at Bath, Me., the deceased in early life located in Brooklyn, P. E. I. but some time later he settled down at Peters Road where the greater part of his life was spent with his family on his farm there.

The late Mr. Hume was very popular with the majority of his acquaintances. He was a brilliant conversationalist, and his witty and humorous sayings brightened many a lifeless evening in the community where he resided. He was a clever performer on the stage, and was frequently called upon to take a leading part in helpful community socials.

By his first marriage with Miss Sarah A. Singleton of Peters Rd. the following family survive: Isabella J. in Kansas, John D. in the West, William and Oliver in N. Battleford, Sask., Joseph in Oregon, N. S.; Georgina (Mrs. Edward Thompson) in Long Island, N. S.; Annie (Mrs. James A. Dewar) in Murray River, P. E. I.; Edith (Mrs. Fred Sutherland) in Picton, N. S.; J. Watson (Mrs. Lorne Buell) in Murray Harbor; Sylvia (Mrs. E. Myers) in Lot. 48, P. E. I. Also a brother Ezra in Bath, Maine, and a sister Mary Isabelle (Mrs. George Bears) in Murray River, P. The remains accompanied by Mr. and Mrs. George Cruft (relatives and the bereaved wife) arrived at the home of his son-in-law, Mr. James A. Dewar, Murray River, where services were held in the Kirk by the Rev. Ewen McDougall, who in his usual impressive manner gave hopeful evidence for the departed of a blessed immortality in the life to come.

THE LIVE STOCK DEMONSTRATION TRAIN made its first stop Monday August 10th at Hunter River. The number of people coming in from the surrounding districts, exceeded expectation. It is estimated that between three and four hundred farmers, their wives and children viewed the exhibit. A very keen interest was manifested and those in charge of the various cars were kept busy answering questions. Expressions of high appreciation on this progressive policy were heard on all sides. More detail reports of the Demonstration at the various stopping places will appear later.

WHEATLEY LIVES.—Yesterday August 12th, will go down in the history of the village of Wheatley River as one consecrated to the memory of the glorious dead of that community to the gallant boys who fought and fell in the Great War. To perpetuate the memory of those who made the supreme sacrifice in the European conflict, the residents of this district have erected on the north side of the river, on a very appropriate spot just at the entrance to the village, a handsome granite monument, surmounted by a black obelisk, and bearing the following inscription: WHEATLEY LIVES. BUILT BY A PEOPLE'S LOVE, TO THE MEMORY OF OUR HEROIC DEAD 1914-1918.

KILLED IN ACTION.—Pte. Fredk Matheson, April 30, 1917; Pte. Arthur Ling, Sept. 15, 1916; Pte. Leigh Cole, killed by the Germans, Mosby, Gallant, Sept. 28, 1915; Cpl. Jerome Gallant, June 16, 1916; Agnes S. Macdonald, Nurse, June 20, 1917.

DIED OF WOUNDS.—Pte. Adrian Peters, Aug. 8, 1918; Pte. Roy Ling, May 1, 1917; Pte. Eusebio Leao, Sept. 4, 1918.

DIED FROM WAR SERVICE.—Gr. T. D. Pidgeon, July 10, 1920; Pte. Lemuel Waye, Oct. 30, 1920; Pte. Wm. Axworthy, Jan. 11, 1922.

The unveiling ceremony was carried out in the presence of a huge concourse of people yesterday afternoon, with Capt. D. A. Macdonald, chairman of the Monument Committee, presiding. The actual act of unveiling was by His Honor the Lieutenant Governor. On the large platform erected for the purpose were seated beside the chairman and the Governor, Hon. J. D. Stewart, Hon. Dr. W. J. P. MacMillan, Hon. John Sinclair, D. A. MacKinnon, M. P., Dr. Jenkins, aide to the Governor, J. H. Buntin, M. L. A., Rev. J. S. Bonnell, Rev. R. H. Staver, Rev. Mr. Baxter, Mr. T. D. Ling, and Mr. Wm. Crewe. At one side were seated the relatives of the fallen, while the music for the occasion was rendered by the Wheatley River choir, assisted by Mr. Robert Messervy. Miss Smith presided at the organ.

The ceremony opened with the singing of the National Anthem, followed by introductory remarks by the chairman, who called upon His Honor Lieutenant Governor Heitz as the first speaker. His Honor delivered a fine stirring address, in which he laid stress on the fact that the people for whom our soldier boys had sacrificed their lives had a great debt to pay, one which could not be wiped out by the simple erection of a monument, but only by dedicating ourselves anew to the service and duty for which they had so gladly died. Ending his address amid enthusiastic applause, the Governor, after a rendition in chorus of "O God our help in ages past," descended from the platform and undraped the memorial while the assemblage sang in unison the National Anthem.

The weather for the Montague horse races, which were held yesterday afternoon, was ideal until about four o'clock, when a heavy shower caused a great many of the spectators to take shelter in cars and vehicles. It cleared off again somewhat but was rather dirty at the close of the races.

The attendance was about 2500, and did not come up to other years, due largely to the fact that having his late in that section surrounding Montague. The track was in excellent condition, in fact faster than it has ever been in its history, and some very good racing took place.

This race had five starters and three of these became heat winners, the race finally going to Princess Aubrey, now owned by D. McPhee of Baden, P. E. I., a gentleman who has made quite a success of fox farming. He recently purchased her from the Adams stables, Halifax and placed her in the hands of Mr. Tynald Semple who drove her to victory yesterday.

Miss Belle Rico an old favorite with race goers won the second heat and was also the contender in the first and fifth heats. MacCreus won second money in this heat. He finished second in the fourth heat. The race was awarded to the heat by the judges owing to Princess Aubrey having made a winning break. Mac then went on and won the fifth heat quite handily. He was driven by Mr. George Hooper. The best time made in yesterday's meet, 2:18 1/4 made by Princess Aubrey equals, we believe, the track trotting record held by Miss Belle Rico, 2:19 Pace.

SIX HORSES STARTED in this race, which was won by the Pup, owned by Mr. Herbert Campbell, Charlottetown. Mr. Ern. McTague handled the ribbons very skillfully and every heat was a good contest between The Pup and Major S. The puping son of British Soldier. Close finishes between The Pup and Major S. were the order in every heat but Major S. won the first heat by about a length, but after that The Pup was the better and commanded the next three. The race for third place was between Soldier Boy and Gordon Harvester the latter winning the coin.

After the end of the first heat of the last race, the starter, Mr. Fred Wright, of Summerside, spoke of the loss the trotting sport had sustained in the last year in the death of Dr. J. D. McIntyre of Montague, Mr. Pictou S. Brown of Charlottetown, and Mr. Hammond Kelly of Southport. He paid a graceful tribute to their memory and called on the audience to rise and stand with bowed heads, while the orchestra played a piece suitable to the occasion. The officials of the meeting were: Starter: Mr. Wright. Judges: George Callbeck, Summerside; Walter Brown, Charlottetown; R. J. Steele Charlottetown. Timers: Ed. Acorn, M. Mahar, D. McLeod.

P. McMahon. The pall bearers were: Richard Connolly, Patrick Murphy, Alex McLeod and Emmet Hogan. Service at the grave was conducted by Father McCabe.

A very pretty wedding was solemnized yesterday Aug 13th 1925 at the home of the bride's cousin 181 Dorchester Street when Mr. Albert Paul Hiltz of Indian River Nova Scotia was united in marriage to Miss Johanna Ethel MacLeod of Stanley Bridge. The Rev. George C. Taylor officiated.

The bride was prettily gowned in blue silk with pearl jewelry trimmings and carried a lovely bouquet of flowers. After the ceremony the happy couple motored to the bride's home carrying with them the best wishes of their friends. The Guardian wishes Mr and Mrs Hiltz a happy and prosperous journey through life.

THE Art of Public Speaking was the subject of an admirable address given by Rotarian (Rev.) J. Sydney Bonnell of St. John, the speaker at yesterday's Rotary Luncheon.

Rotary is the finest form of self expression," said the speaker at the beginning of his address, and the man who can express himself clearly and forcibly in public can become a leader in his community.

Such great orators as Daniel O'Connell, Daniel Webster, John Bright, George Whitfield and Wendell Phillips, who swayed the emotions and passions of men as great artists play upon an instrument, are not a mere draught of their advocacy of a great cause. Rotarian Bonnell taking up the technical side of public speaking, presented the following suggestions: "To all who desire to express themselves fluently and effectively: (1) Speak in a conversational tone, no matter how large the audience is. Don't shout or below. A good rule is, "Go slow, rise higher, take fire." (2) Don't make a speech unless you are well prepared. Demosnate the greatest orator of all time was always well prepared. (3) Don't be afraid to turn down invitations to speak. (4) Don't apologize at the beginning of your speech. (5) Don't speak unless you have something to say. (6) Be strict. To average speaker or should never talk more than ten or twelve minutes. (7) Never impose a speech on a weary audience. (8) Be simple in your language. (9) Don't wave your arms or use high sounding words. (10) Carefully prepare your opening and closing, especially the latter. (11) Read the best masters in literature and oratory. (12) A beginner should first write notes of his proposed speech, then rehearse it, at least twenty times by himself. Among the speeches specially recommended by Mr. Bonnell for study were those of John Bright, (a great favorite with Lloyd George) and Wendell Phillips. Hard, unremitting work is the chief secret of success as an orator.

The hearty thanks of the Club was tendered the speaker of the day by the chairman, Rotarian C. L. Miles.

The report of the picnic committee was presented by Rotarian James Murley and adopted. The minutes of the meetings of July were read by the Secretary Rotarian Ruben Macdonald, who adopted.

On motion of Rotarian George Inman, seconded by Rotarian Charles Chandler, the thanks of the Club were tendered President Jackson and the members of the picnic committee, on the success of that gathering.

NEW CEMETERY.—On Wednesday morning His Lordship the Bishop of Charlottetown assisted by Rev. James Murphy, Rev. P. Walsh, Rev. N. Poirier, Rev. A. J. McIntyre and Rev. T. Campbell consecrated a new cemetery—an extension of the old one—at Alberton. His Lordship and party attended the Picnic at Palmer Road and spent Wednesday night in Summerside the guest of Rev. J. J. Macdonald. His Lordship left for Charlottetown Thursday morning.

Mr. J. A. McDonald, State Deputy of the Knights of Columbus, city, and Mr. A. P. McQuaid, Past Deputy, Souris, returned Wednesday night from Duluth, Minn., where they attended the annual convention of the Order. Both gentlemen report the convention a great success, considerable work being accomplished and plans made for the ensuing year. The convention was held in the Hotel Duluth, opening at 9 o'clock on August 4th by a parade from convention headquarters to the Duluth Amphitheatre where Pontifical High Mass was celebrated by His Lordship Joseph P. Pinton, Bishop of the diocese and an appropriate sermon delivered by Archbishop Dowling of St. Paul. It is estimated that about 10,000 people attended this service.

The parade was headed by the St. Paul Zouaves and the delegates from each jurisdiction carried a large banner with the name of the state or province they represented. As the P. E. Island banner passed along the streets, lined with thousands of spectators the Island delegates were greeted with such remarks as "How are the black foxes?" "How is Spud Island?" The city throughout was elaborately decorated with flags and bunting, the majority of the states also displaying the K. of C. emblem in their show windows with the sign "Welcome to the K. of C."

After the parade and mass a civic reception was held, the Mayor of the city welcoming the delegates and giving them the freedom of the city. Every available minute clear of the business meetings the delegates were entertained by boat and sight seeing trips. Messrs McDonald and McQuaid had hardly arrived, when former Islanders, residents of Duluth, called them by phone and also called at the hotel personally and entertained them lavishly during their stay.

"A good man and a just and a disciple of Jesus" were the words taken from the New Testament, descriptive of one of its characters, by Rev. J. A. McLellan at the funeral service of the late Donald P. McKinnon, Brooklyn, as applicable to the life and character of Mr. McKinnon. All agreed to the suitability of the words. Mr. McKinnon was born at Grandview sixty-six (66) years ago, where his parents stayed with friends on their arrival from Scotland until they made a home of their own at Brooklyn, La. 63, where Mr. McKinnon lived all his days. His health began to fail two years ago but he was able to be about his work most of the time until a few weeks before his death on July 24. He was married to Margaret McPherson, Valleyfield East, who survives him. To them were born two sons and three daughters, all of whom are living. Mr. and Mrs. McKinnon possessed one of the most comfortable homes of the country, with industry and taste in evidence; kindness, courtesy, hospitality with other graces of the Christian life permeated the atmosphere where they lived. To those that come after him, Mr. McKinnon passed in name and character a good heritage. Quiet in

disposition, strong in his convictions, since early life a true Christian, strict in his religious profession, industrious and frugal he had the highest esteem of all. A faithful attendant at church services, a liberal supporter by means and time of its work, Valleyfield Congregation, of which he was one of the most faithful members, will miss him much. The sincere sympathy of a wide circle of friends goes to his widow and family in their heavy bereavement. His son Donald and his family live in the old home. Hector is in Alliston, Mass. The daughters, Mrs. A. Finlayson, Grandview; Mrs. A. Phee, and Sadie, Alliston, Mass. Surviving Mr. McKinnon also are one brother, John, Brooklyn, and five sisters, Catherine, North Pt.; Mrs. Consins, Arlington Heights, Mass.; Mrs. Essens, Cambridge, Mass.; Mrs. McPherson, Bellevue; and Emilie, Brooklyn.
