

WHAT THE MINISTER SAYS

Is Most Convincing.

"I thought I would write you what Pyramid Pile cure has done for me. I had a most aggravated case of bleeding piles; indeed I dreaded when I had to go to stool. One fifty cent box cured me. I feel like a new man. I have recommended it to others as being the most wonderful remedy known. It is indeed a great blessing to suffering humanity. You are at liberty to use this for all it is worth, and I hope it may do good." Rev. W. E. Carr, 355 No. Hollbrook St., Danville, Va.

Recognizing this fact, Rev. Mr. Carr consents to the use of his name in order that other sufferers may know there is a cure called Pyramid Pile Cure, which is sold by druggists everywhere for the low price of fifty cents a package, and which will bring about for every one afflicted with piles the same beneficial results as in his own case. Be careful to accept no substitutes, and remember there is no remedy just as good.

A little book describing the causes and cure of piles is published by Pyramid Drug Co., Marshall Mich. and will be sent free for the asking. All sufferers are advised to write for it, as it contains valuable information on the subject of piles.

NOW HE HAS A GOOD STRONG BACK

What Dodd's Kidney Pills did for H. M. Spears.

Thought he Would have to Stop work but the Great Canadian Kidney Remedy Made Him Strong and Active.

ANTIGONISH, N. S., Nov. 9. (Special.)—Mr. H. M. Spears, a well known farmer living near here, is shouting the praises of Dodd's Kidney Pills. "When I came to Nova Scotia about four years ago," says Mr. Spears, "I was so troubled with Backache I began to think I could not attend to business. However, I got a box of Dodd's Kidney Pills and was able to attend to work."

"I had not taken enough to root the Kidney disease out entirely however and the following winter I was troubled with pains in my back and limbs. Then I got more of Dodd's Kidney Pills and after using three boxes all my pains and lameness left me."

"I can't say too much in favor of Dodd's Kidney Pills. They put me in a way to tend to business after two doctors had failed. I was a cheesemaker for years but now I am a farmer with a good strong back."

Lame back is the first symptom of Kidney Disease. Cure it with Dr. D's Kidney Pills and you will never have Bright's Disease.

Seed Armor.

Plant seeds are increased in a hard covering, upon which the gastric juice of animals takes no effect, and it is this natural protection which preserves what is so necessary to reproduce the support of animal life. It is only when a seed is crushed and its vital principle in consequence destroyed that the gastric juice acts upon it, and it is soon dissolved.

It is for this reason that birds are provided with gizzards to break the protecting coats of the grain, and animals that feed on seeds and nuts strip them of their shells and husks.

In succulent fruit, such as the strawberry, raspberry, currant, apple, orange and melon, which from their nature are attractive to the taste, the seeds, which are often likely to be swallowed, are fortified by a doubly protective coating so that they pass unharmed through the digestive organs, and their germinating powers may even be improved by the warmth and trituration of the stomach.—London Standard.

Swedish Women.

Reverence for women is one of the immemorial Scandinavian characteristics. The women themselves are emulous of masculine achievement and are keen for obtaining the same civil rights. The woman of the south dominates by her charm, the woman of the north by her force of mind. Each has a love of physical activity and a thirst for knowledge. Coeducation prevails everywhere in the schools. In no other country is the woman who is obliged to earn her own living better cared for. All positions and all the professions are open to her. She may be doctor, professor, journalist, manufacturer, without losing her woman's position in the world. The first transportation company of Stockholm was founded by a woman and by her directed with success. Many printing shops employ women exclusively. There has, of course, been the unpreventable consequence of this, that Swedish women have grown indifferent to ward marriage, and the number of independent women has increased—Review de Paris.

Corbin are the New York State Board of Advisory Consulting Engineers, are stockholders, says that it has bought from Cuba the hull of the old battleship Maine for \$5,000,000. The Kidneys ARE Delicate.

EASILY AFFECTED BY CHANGES OF TEMPERATURE.

Dr. CHASE'S KIDNEY-LIVER PILLS.

Not even are the lungs more susceptible to the effect of cold drafts or overheating, of dampness or cold than the kidneys.

This accounts for workmen so frequently becoming victims of painful and deadly kidney diseases.

Pains in the back are usually the first note of warning. Then there is frequent and painful spitting up of mucus, headache and derangements of the digestive system and bowels.

IF YOU WOULD PREVENT BRIGHT'S DISEASE AND OTHER DEADLY FORMS OF KIDNEY DISEASE YOU MUST ACT QUICKLY.

To be certain of immediately arresting disease and bringing about thorough cure, you must use Dr. Chase's Kidney-Liver Pills, which have so many times proven their superiority as a treatment for the most serious diseases of the kidneys.

By acting on the liver and bowels as well as on the kidneys, Dr. Chase's Kidney-Liver Pills effect a thorough cure of the whole filtering and excretory system and entirely rid the body of all poisonous waste matter.

Mr. ELLIS GALLANT, Paquetville, N. B., writes: "About four months ago I found my condition so serious that I had to leave work. I could not sleep nights my appetite was very poor and my kidneys were so affected that I could hardly walk on account of backache."

"I resolved to try Dr. Chase's Kidney-Liver Pills and Backache Plaster. After three weeks' time, I am glad to say, I was able to resume work and now feel as well as I ever did. I therefore say that Dr. Chase's remedies are excellent family medicines."

Dr. Chase's Kidney-Liver Pills are so thorough and far-reaching in their influence on the kidneys as to thoroughly cure the most serious disease. One pill a dose, 25 cents a box, at all dealers or Edmanston, Bates & Co., Toronto. The portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box.

The Religious Life of the Home.

It would be vain to ignore the warning voices which tell us, on either side of the sea, of a certain decadence in the definitely religious life of the ordinary home—a falling off, that is, in the very force which gave rise to distinctive inspiration and its distinctive power to so much of our grandfathers' lives.

If that be true—and, in spite of all explanatory qualifications, nobody will, I think, say it is wholly false—it surely behooves every gathering of churchmen to consider well what they can do to safeguard the men and women, and above all the children, from a peril whose gravity, if it is impossible to overestimate, because it affects the very foundation of our Christian life.

I am not presumptuous enough to try to judge of the degree to which this danger is at present yours. You can tell, as I of course cannot, whether the prophetic provision is being made in the Canada of to-day for securing that the children shall nowhere grow up ignorant of the fullness and the significance of their Christian heritage.—Archbishop of Canterbury.

Dr. Hugo's Health Tablets

The placing on the market of the formula used by the greatest living specialist in female diseases, Dr. Hugo, of Paris, has put in the reach of every tired and ailing woman the latest, and thus far the most successful one, ever introduced for the ailments it is claimed to cure. It is not a cure-all. No specialist's prescription ever is.

The tablets are not for men; they are only for women, and are only claimed to cure the diseases to which they are specially subject.

No woman, however, who has regard for her future health and happiness, should delay one moment in taking Dr. Hugo's Health Tablets if she has ever backache, bearing-down pains, menstrual difficulties, pallor, cold feet, nervous irritability, hot flushes, bloating, faintness, melancholy, lassitude, or a tired and all-gone feeling.

These symptoms indicate that important organs in the female system are becoming weakened and need toning up, otherwise serious sickness, grave uterine diseases, and the surgeon's knife are threatened.

There is no need of serious apprehension, however, if these tablets are taken, for they do not act upon the female system—that they take away the cause of these symptoms. They stop all drains on the system, restore the weakened vital forces, and make women regular. As a result, there comes new life and vigor, and in ninety-nine cases out of every hundred they

Not For Men—Only For Women

The need of an up-to-date remedy for women has long been recognized. The remedies introduced twenty-five years ago, while perhaps the best in their day, have, in the progress of medical science, been superseded by others that are regarded as more effective.
