

PERMANENT CURE OF RHEUMATISM

Burdock Blood Bitters Cured Mrs. C. Allard Eight Years ago, and she has had no Return of the Disease Since.

From the tortures of Rheumatism who would not give his all to get release, even though it were temporary. But when, for a small outlay, not only temporary but permanent relief can positively be procured through the use of Burdock Blood Bitters, who need endure the agony of this terrible disease.

The case of Mrs. C. Allard, of Pembroke, Ont., is another of those instances, some of which we are publishing from time to time, where B.B.B. not only gave relief for the time being, but made a cure so lasting that after eight years there has been no return of the disease.

This is the letter written by Mrs. Allard, Jan. 16th, 1894:

"About three years ago I was troubled with Rheumatism in my arm and shoulder, and a queer, sleepy feeling in my arms so that they pained me a great deal at night.

"I tried different doctors and a good many remedies, but found no relief. I was advised by a lady friend to try B. B. B., and after using one bottle I felt so much better that I continued using it until I had taken in all three bottles, when I was completely cured.

"B. B. B. I consider a splendid remedy, and I cannot speak of it too highly."
(MRS.) C. ALLARD.

This letter was received July 6th, 1898:

"Since I was cured by Burdock Blood Bitters some eight years ago I have never felt any pains or aches in my arm or shoulder. I still have the same confidence in B. B. B. now that I had then. It gave me so much relief and made such an effectual cure that I never fail to praise it."
(MRS.) C. ALLARD.

BABY'S AWFUL HUMOR

My baby sister had a rash, causing her intense suffering. We had doctors, and tried everything, without a cure. It would scab over, crack open, a watery matter would ooze out and the scab fall off. We procured a box of CUTICURA (ointment), a cake of CUTICURA SOAP, and CUTICURA RESOLVENT, and she was entirely cured without a scar being left.

INSURE AGAINST BILIOUSNESS.

By Using the Only Sure Cure. Dodd's Dyspepsia Tablets.

They Tone and Invigorate the Liver Giving it strength to do its Work Thoroughly—Their Effect is Immediate and Permanent.

Biliousness is most prevalent during the fall and winter months.

People eat much more fatty foods during those seasons, than during spring or summer. The Liver is over-worked; it becomes exhausted, and the bile which it secretes overflows and is distributed throughout the system. This is Biliousness.

A bilious person suffers more than tongue or pen can describe. Every feature in the face bears the impression of the disease.

There is one way to cure this complaint. That is to assist the tired-out Liver to do its work; to give it strength and energy.

Biliousness cannot be cured in any other way.

Dodd's Dyspepsia Tablets have a powerful, though gentle effect on the Liver. They give it strength and vigor, and enable it to receive and dispose of the bile, in the way Nature intended it to do.

So speedily is the effect of this wonderful medicine on the Liver apparent, that in a few hours after the first dose has been taken the sufferer feels the benefit. A few day's use of the Tablets the organ in working order again.

It is best to continue the use of Dodd's Dyspepsia Tablets for a couple of weeks after the organ has been restored to its natural condition. If this is done the Liver is fortified against weakness and will do its duty promptly and regularly.

No other medicine known has such a wonderfully beneficial effect on the Liver as Dodd's Dyspepsia Tablets have. They and they only are a certain and permanent cure for Biliousness; and all other Liver complaints.

Price: fifty cents a box, six boxes \$2.50; at all druggists, or sent by mail, on receipt of price, by the Dodds Medicine Co. Limited, Toronto.
