## North Sydney Staggers To 4-3 Win Over Miners

### Tony Golab May Have Played His Last Game

**By H. Dent Hodgson**  
(Canadian Press Staff Writer)  
OTTAWA, Oct. 20 (CP)—Has football's golden boy—Tony Golab—played his last game? "Very probably," the 31-year-old star said today in an interview. But the Ottawa Rough Riders playing power-horse, with a sore arm and his left leg swathed in a hip-length cast, wants to play just one more.

On six all-eastern teams and seven Big Four all-star selections since he joined Riders in 1939, he'd like to play on what he figures will be the winning team in the 1949 Grey Cup final.

He's sure that game will be Ottawa against Calgary Stampede, as last year, and that Ottawa will come out on top. It would be his first turn on a winning Grey Cup team, although he played for Riders in 1941 when they got the cup by default.

Whether he'll be able to play that last game depends on what is under that cast. Neither Tony nor the doctors will know for sure until the cast comes off—probably in a week or so.

Tony says the injury has something to do with "ligaments, cartilages and tendons."

## George Ross To Meet Dick Turpin

LONDON, Oct. 20 (AP)—George Ross, Canadian Olympic middleweight, today was matched to meet Dick Turpin, British middleweight champion, at Birmingham, Nov. 1.

Ross, who comes from West Bay Road, N.S., is the Canadian midweight titleholder. He was outpointed by Albert Finch of Britain in his last bout, Oct. 4.

By The Canadian Press  
The executive of Ottawa Rough Riders, Big Four rugby team, sent a formal protest to the Interprovincial Rugby Football Union nine years ago over alleged rough play when Tony Golab was injured in a game with Argonauts the previous Saturday. Golab was on the injured list for the remainder of the season.

## St. Mary's Win 6-2 From Beavers To Top Maritime Senior League

SAINT JOHN, N. B., Oct. 20 (CP)—Halifax St. Mary's blasted Saint John Beavers 6-2 tonight and succeeded Moncton Hawks as first place team in the Maritime Senior Hockey League while Beavers retained the third spot. Only one point separates Hawks and St. Mary's.

After a scoreless first session, Halifax shot three second-period tallies. The score was 5-0 before Buck Whitlock, assisted first by Nick Nicole and then by Mousie Dowling, accounted for the Saint John brace.

Six Saptamarans shot as many goals. Gordie Armstrong led the parade with one counter and two assists. Rock Sullivan helped in two goals.

The start of play, scheduled for 9 p.m., A.S.T., was delayed about 15 minutes when a power failure left the Forum without lights.

The line-up revealed a switch by Sam Kelly from Moncton Hawks to Beavers. The winger hails from Pembroke, Ont.

In goals for Saint John was Red Burke, Moncton, who formerly played for Antigonish. The regular Beaver netminder, Floyd Peres, is nursing a knee injury.

Close checking and good work by the goalies kept the first period scoreless. The pace was fast and the ice good.

Halifax centre Billy Hannon, unassisted, broke the scoreless deadlock early in the second. After a scrimmage in front of the net he shot the rubber past Burke as the latter sat on the ice.

With only two regular defencemen available for the injury-riddled Beavers, lack of sufficient rearguard personnel was evident in the next two Halifax goals.

Ron Gaudet scored from close in, helped by Armstrong, and a few minutes later there was no one to beat but the goalie when Sullivan made it 3-0.

Play was rough and the two referees, Moe Walsh and Hughie Gillis, were exceptionally lenient. They imposed two minor penalties in the second session and none in the first.

## Mt. A. Academy Advances To N.B. Playdowns

MONCTON, Oct. 20—In a hard fought quarter of football in Moncton Wednesday, Mount Allison Academy defeated Moncton High School 7-3 to win the right to advance in the New Brunswick interscholastic rugby playdowns. Mt. Allison entered the game with a 3-point margin resulting from their victory in Sackville on Saturday and they won the two game total goal series by a 10-3 margin.

The game was hard fought throughout with tempers threatening to flare at several times but was kept well under control by the capable refereeing of Buggy Warner.

Outerbridge, MacFarland and Causo were outstanding for the Academy while the Moncton team was sparked by Crossman and Mahar.

Lineups: Fullback J. Mahar; three-quarters D. MacDonald, M. MacCallanagh, T. Burns, J. Crossman; forwards, R. McEwen, K. Cripps, P. Lutes, G. Randall, B. Smith, B. Pierce; picking quarter, T. Davies.

Mount Allison: Fullback J. Outerbridge; picking quarter, Jorge Causo; three-quarters, B. Brown, D. MacFarland, L. Campbell, Boswell, D. Allen; scrum, Picketts, G. Himmelman, D. MacKay, B. Greenlaw, B. Abell, M. Joyce; subs, Plant, Jost, H. Howatt.

Every time the boys score an egg this year they have to put a cent in the pot. This should keep them aiming for that left pin. The ladies pay a forfeit for a different reason. Every time they cross the foul line or bounce the ball on the alley they have to contribute one-hundredth part of a dollar.

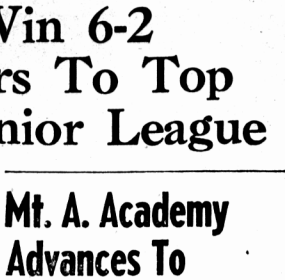

There is a little more talk of a neutral this year, so who knows? Maybe something concrete will be done about it before long. It's probably too late to have a new arena in 1949-50 but here's hoping we'll have one for 1950-51. In the meantime something will have to be done to keep the hockey picture flickering this winter.

It is nothing less than a hockey holdup for one year in the town which has been the national pastime in these parts. We have had a fine program of minor hockey in the town, thanks to our local Kinsmen, Sheen & McInnis and others, but this program will need the stimulus of outside competition in a covered rink before spectators in order to keep the youngsters' interest high.

step in the right direction." He and other recently against contraceptive slot machines because they make the devices readily available to young persons. Dr. Henry Wilson, proposed in his Diocesan Chronicle today a boycott of drug stores that place such machines outside their doors. He urged that the city council encourage to young people to commit fornication," the Bishop said.

Dr. Norman Haire, president of the Sex Education Society, commented: "I regard the proposed ban on the sale of prophylactics from automatic machines with dismay. The articles are sometimes used as contraceptives, but are used much more frequently as preventatives against disease."

BIRMINGHAM, England—(CP)—Chief Constable E.J. Dodd claimed that the city's new police information room was probably the best in the country. He said a radio-controlled patrol-car could be on the scene of a crime in five seconds or less.

## North Sydney Staggers To 4-3 Win Over Miners

NORTH SYDNEY, N. S., Oct. 20 (CP)—North Sydney Victorias staggered to a 4-3 victory over Glace Bay Miners in a Cape Breton Senior Hockey League game here tonight. Vics built up a 4-0 cushion in the first two periods and Miners rattled in three goals in a furious, belated third period drive.

The win lifted Vics into second place with three points, one back of Sydney Millionaires. Miners, with a tie and two losses remain in the cellar with one point. Tomorrow night Vics travel to Sydney to meet Murph Chamberlain's defending League and Maritime champs, whom they tied here 2-2 Tuesday night.

Left-winger Bob Verrier of Boston, with Vics last year, and Kent Storey, a rookie sensation, paced the winners with a goal and an assist apiece. Bob Bangay, another holdover, and Bob Menzies, a newcomer, each had singles.

Tren Anderson, wingman with Kitchener-Waterloo Flying Dutchmen in the Senior Ontario Hockey Association last year, fired two Glace Bay goals. Leonard (Moe) White of Montreal, Miners playing coach last season, picked up the third marker.

Defenceman Gus Gallipeau of Providence, a former Vics playing coach, set up Verrier just past the midway mark for North Sydney's first period goal. It was Verrier's first of the season.

A three-goal outburst sent Hal (Admiral) Dewey's redshirts in the second period. Menzies started the parade by jamming Storey's hand out behind him. Eddie D'Aoust at 8:38. Eight minutes later Bangay finished off a double relay from Verrier and M. MacDonald.

Hal Gibson helped Storey score what proved to be the winning goal at 18:46 and Miners took over in the third period. Anderson spoiled Fred Murray's debut and shutout bid at 6:51 of the windup on a pass from Doug Runions, League scoring champ with Vics last year.

Conny Brown, scoring sensation with Valleyfield Braves of the Quebec Senior Hockey League last season, made the play for White's goal at 14:51. Then a minute and eight seconds later Murphy formerly of Pembroke Lumber Kings, was beaten by Anderson again with Jack Thaler assisting.

Both teams played it hard but Conny Brown, scoring sensation with Valleyfield Braves of the Quebec Senior Hockey League last season, made the play for White's goal at 14:51. Then a minute and eight seconds later Murphy formerly of Pembroke Lumber Kings, was beaten by Anderson again with Jack Thaler assisting.

## U. N. B. Retains Title At Track, Field Meet

FREDERICTON, Oct. 20 (CP)—University of New Brunswick overhauled St. Francis Xavier University in late events today to retain the Maritime intercollegiate track and field championship. It was a close victory. U.N.B. finished with 54 points and St. F. X. with 52. Acadia placed third with 27. Mount Allison fourth with 22 and Dalhousie last with five. No records were broken.

Bernats of Acadia won the individual championship with 14 points. Morrison of St. F. X. was second with 12 1/2 and Barry King of U.N.B. third with 11 1/2. Bernats won the javelin throw and picked up thirds in the shot put, discus and high jump.

U.N.B. worked under a double handicap. Jim MacDonald was declared ineligible at the last minute and Paul Keleher snapped a tendon in the mile relay when his team was scrapping for first. MacDonald was the only three-letter man at St. F. X. last year. He shifted to U.N.B. this fall. St. F. X. officials presented papers just before the meet began showing that MacDonald's marks the previous year were not high enough to allow him to compete. Athletes with low scholastic standing are barred from interscholastic competition by the Maritime Intercollegiate Athletic Union.

St. F. X. went ahead of U.N.B. by three points after the six morning events. Mount Allison was the third. Dalhousie failed to pick up another point during the afternoon events.

The King twins, John and Barry, dominated the dash. The U.N.B. sprint stars placed one-two in the 100, with Barry ahead in 10 seconds flat. John won the 220 and then Barry took the 440. U.N.B. winners were Manson in the pole vault, Miller in the mile and Hale in the shot put.

Morrison of St. F. X. took the bronze in the high jump and was a member of Antigonish's two winning relay teams. Gallagher of St. F. X. won the 800.

Acadia finishers were Vincent in the low hurdles and Bernats in the javelin. Mount Allison's Lee took the hop, step and jump and Hill the discus.

Brisk fall weather kept times down. The U.N.B. winners were Manson in the pole vault, Miller in the mile and Hale in the shot put.

## Amateur Sports Groups To Meet

OTTAWA, Oct. 20 (CP)—The Canadian Fitness Council will convene a meeting of amateur sports organizations similar to one held here last January.

A committee headed by Mr. Ross will arrange the meeting tentatively set for Jan. 6 and 7. Also on the committee are E.W. Stenson, Regina, and Dr. W.C. Ross, Halifax.

Dr. Norman Haire, president of the Sex Education Society, commented: "I regard the proposed ban on the sale of prophylactics from automatic machines with dismay. The articles are sometimes used as contraceptives, but are used much more frequently as preventatives against disease."

BIRMINGHAM, England—(CP)—Chief Constable E.J. Dodd claimed that the city's new police information room was probably the best in the country. He said a radio-controlled patrol-car could be on the scene of a crime in five seconds or less.

step in the right direction." He and other recently against contraceptive slot machines because they make the devices readily available to young persons. ## Hockey Player Visiting Home In Summerside

Dillon McNally, well known Island hockey player who has for the past two years been residing in Oakville, Ont., is at present spending some time with his family, Mr. and Mrs. Philip McNally of Summerside. Dillon was scouted by the Chicago Black Hawks of the National Hockey League last year and attended their training camp. He is still on their negotiation list. Dillon was the Maritime senior Amherst Rambler. However, he has decided to remain with his firm in Oakville. — S

## Canadian Tourist Ass'n Officers
