

A CHORUS ROWS for this is part of their daily work in keeping fit for nightly duties. "Smiles," Misses Dora Burns and Ada Lind tell us, "are kept dazzling white by Pepsodent."

# Let These Smiles Show How to Keep Teeth Dazzling White

NOW modern science restores "off-color" teeth to dazzling whiteness. It's been found that dingy teeth come from a film that forms on teeth. A stubborn film ordinary dentifrices do not successfully remove. Run your tongue across your teeth and you can feel that film now—a sort of slippery coating. It absorbs discolorations from food, smoking, etc. It invites tooth decay, gum troubles and is the chief cause of pyorrhea because it breeds bacteria and is the basis of tartar. Now, in a new-type dentifrice called Pepsodent, scientific combatants are found. Leading dentists widely urge it. All dentists have it. Try-day test free.

The map indicates the rugged ice-bound nature of the coastline which made the landing of the Bremen and the succeeding rescuers on Greenly Island so dangerous. Inset above is a fisherman's hut, typical of the little group on Greenly Island with its highhouse, its fox horn and its population of 14. Inset below is the bulk of the British light cruiser, Raleigh, which in August, 1922, went ashore on the Labrador coast at Point Amour, close to Greenly Island. A government wireless station is now located at Point Amour, which is about 14 miles from Greenly Island. The crew escaped on rafts. The wreck is still on the rocks.

**ENJOYABLE SHOWER.**—An enjoyable miscellaneous shower was given in honor of the marriage of Miss Edith Duffy of the Hotel on Wednesday evening. Numerous and various pretty and expensive presents were presented by her friends, the principal being a beautiful set of dishes from Mr. and Mrs. I. C. Brown, which was accompanied by a short address. The shower was in honor of the marriage of Miss Edith Duffy who has been a valued employee of the hotel for the past six years to Mr. Eugene Theriault, a popular and obliging clerk at the same hotel. The happy event takes place this morning.

**DONALDSTON WOMEN'S INSTITUTE.**—Ten members and ten visitors met at the home of Mrs. Charles Rowe. Meeting opened by reading the Club Women's Creed. Roll Call answered by "communions." After the minutes were read and adopted a financial statement was read, and a report was given by the school committee. An interesting lecture and demonstration of cooking, with the use of "Wear-ever" aluminum utensils, was given by Mr. Himelman, after which an appetizing lunch was served. A hearty vote of thanks was then extended to Mrs. Rowe and Mr. Himelman. The meeting was brought to a close by singing "Save the King."

**WHY CERTAIN WOMEN ALWAYS ATTRACT MEN**

The women that charm and attract, that compel attention, are always healthy—their eyes are bright, skin is clear. Above all else these women keep their system regular, keep their blood pure and free from the poisons of constipation. No corrective for women's ills can match the smooth, easy action of Dr. Hamilton's Pills. Purely vegetable in composition, these little pills never gripe or cause distress. They assist nature to keep the bowels working in proper order. To look fit, to feel "peppy," to enjoy good spirits and vigorous health use Dr. Hamilton's Pills—just right for women's ills. 25c per box at all dealers.

**INSIDIOUS EYE STRAIN**

We use this adjective advisedly. Sufferers from Eyestrain may have perfect vision and therefore do not suspect the presence of any eye defect. The motive power of the entire human organism is Nerve Energy. Normal eyes, it is computed utilize about 20% of this Nerve Energy, but when Eyestrain is present, a much larger proportion is required. Hence defective eyes, through their consumption of an excessive amount of nerve energy may seriously affect the functioning of other organs of the body and produce ill health. **G. F. Hutchison** Optometrist

Jamaica Plains, Mass., and formerly of Dartington, P. E. Island, passed peacefully away at the early age of 27 years. The deceased had been in a somewhat poor condition of health for several months, but none of the loved ones ever realized that the end was so near at hand. In spite of all that medical skill and kind friends could do, she continued to grow gradually weaker and weaker until on the above mentioned date her gentle spirit winged its heavenward flight.

Besides a sorrowing husband, Mrs. Younker leaves to mourn the loss of a kind and loving mother, two boys, Ira and Harry.

The deceased was one of a family of three brothers and four sisters. The brothers are: Angus McDonald, Kellham, Alberta; Alexander McDonald and Daniel McDonald, Rosindale, Mass.; and the sisters, besides Mrs. Younker now deceased, are: Mrs. Lemuel Hushing, Concord, N. H.; Mrs. George McCleod, Milton, Mass.; and Mrs. Hector White, Dorchester, Mass.

Mrs. Younker's father, Mr. Alexander McDonald, Brookfield, P. E. I., passed away some years ago, but her mother, Mrs. McDonald, who is at present residing with her daughter, Mrs. Lemuel Hushing, is now left to mourn the loss of an ever kind and devoted daughter.

Mrs. McDonald and all of the brothers and sisters of the deceased, are feeling very keenly their great sorrow.

Mrs. Younker, who was always a general favorite wherever she went, will be much missed by all who had the privilege of knowing her. She was a young woman of strong and noble character and was ever ready to lend a helping hand to every good cause. She always carried with her an atmosphere of sunshine and good cheer. Many will henceforth miss her kindly word and ever pleasant smile. But while all shall miss her, it is in the home that her loss will be most keenly felt. Her two boys are just at that age when they very much need the care of a loving and devoted mother. They will often sigh for the touch of a vanished hand and long for the sound of a voice that is still—but all to no avail.

The work of that tender hand will never again be felt and the sound of that gentle voice will be heard no more.

The coming of the end had no terrors for her. She was found ready—ready waiting the "welcome home" of that Master Whom in life after life she delighted to honor and to serve.

Her passing was one of sweet peace. The remains accompanied by Mr. Douglas Younker, husband of the deceased, reached the island on the evening of Tuesday, March 20th.

The funeral which was a very large one was held in the Presbyterian Church, Brookfield, on the afternoon of Wednesday, March 21st.

In the unavoidable absence of the pastor, Rev. R. Hensley Stavert, the funeral was conducted by Rev. Douglas Younker. The service was a very impressive one. The floral tributes were beautiful. The pall-bearers were Messrs. Bruce Younker, Wm. Stewart, Gordon McLeod, D. J. McInnis and mail service.

### In Memoriam

**MR. JAMES F. BULMAN.**

Many throughout the province will learn with regret of the death of James Bulman which occurred at his home in New Glasgow, March 21st, 1928, in his seventy-fifth year. His death though not unexpected, was not thought serious until the last few days, and all that medical skill and loving hands could do was of no avail and he passed peacefully away.

He was a man of sterling integrity and universally esteemed upright and honest and the community loses a kind neighbour always ready to help in time of trouble.

Mr. Bulman was twice married. His first wife was Francis Bagnall, daughter of the late William Bagnall, Clyde Mills, New Glasgow. His second Margaret Stewart who devotedly nursed him during his last illness. There are left to mourn their loss besides his widow, Honeywell of Stanley Bridge, Nellie, (Mrs. Wilbur Clark) Alma, (Mrs. Ernest Clark) of Cavendish and Mervyn on the homestead. One son, Cranville, predeceased him four years ago.

The funeral which was held on the 24th was largely attended, and was conducted by the pastor, Rev. Peter Jackson. The Hymns beautifully rendered, were very impressive. A beautiful floral tribute decorated the casket, which was laid to rest in New Glasgow cemetery. The pallbearers were: John Laird, Cecil Laird, Watson Semple, John Semple, James R. Stewart and Joseph I. Stewart.

Sheltered now from life's temptation. From its cares and dread alarms. Naught can reach the soul reeling— In the loving Saviour's arms.

**MISS MARY GORDON**

The many friends of Miss Mary Gordon were grieved to hear of her death on March 12th at the home of her sister, Mrs. Roderick MacKenzie of Lower Montague. She was the eldest of a family of ten and lived to the age of eighty-two. For many years Miss Gordon lived in Brathelton where she was a greatly loved and respected member of that community. Many people will remember her sterling character, her cheerful nature, and her kindness to those in need. Though she lived but a short time in Lower Montague, she was held in high esteem by those who met her, and this was shown by the large number of friends who gathered to pay tribute to her memory.

Her life-long friends, Mr. Samuel Martin, Mr. Alexander MacPherson, Mr. Peter VanDerstine, Mr. Hugh Matheson and Dan Matheson, were pall bearers at the funeral, which was held March 14th.

The Rev. Dr. Genge conducted the funeral services at the house, and the Rev. Mr. MacLennan those at the grave, and Miss Agnes Annear played, and Miss Lena Wright and Mr. John A. Campbell sang Miss Gordon's favorite hymns.

She is survived by two sisters, Mrs. Roderick MacKenzie, of Lower Montague; and Mrs. Frederick Cheffeld, of Boston, Mass., and one brother, Mr. John Gordon, of Mitchell River. Flowers were sent from Mr. and Mrs. Frederick Sheffield, Mr. and Mrs. Lewis Connors, Mr. and Mrs. Earl Gilson, Mr. and Mrs. Malcolm Buchanan, all of Boston, Mass. Interment was in Valleyfield cemetery.

**MRS. DOUGLAS YOUNKER.** On the afternoon of Thursday, March 15th, Mrs. Douglas Younker a very highly esteemed resident of

# The DAILY NEWSPAPER

It Opens Almost Every Door and Enters Almost Every Home

THE DAILY NEWSPAPERS OF CANADA stand ready to carry the message of legitimate business into every literate home in the Dominion. Ninety-seven Daily Newspapers in all—distributed from Atlantic to Pacific—whose combined circulations total 1,900,000 copies per day.

These Daily Newspapers are invited into these Canadian homes—are paid to come into them—they never intrude.

Your advertising message has behind it the prestige and good-will and influence of the paper that carries it. It is introduced and recommended to the reader in a friendly way. It is sure to be seen and read sympathetically, and at a time when the mind is most receptive.

No other form of publicity compares in effectiveness with advertising in the Daily Newspapers.

It costs less than any other form of advertising. Mr. Claude C. Hopkins, an American advertising man of world-wide reputation and great experience, of whom it is said that he changed the buying habits of a nation, states on page 77 of his recent book entitled "My Life in Advertising":

"We have learned that newspapers offer the cheapest distribution of any offer we wish to make."

ADVERTISING can be placed in every Daily Newspaper in Canada—giving complete coverage of the Dominion—at a combined cost of only \$5.56 an agate line.

If your product does not enjoy national distribution, you will find Daily Newspapers published in the limited territory where it is sold. They cover your field.

## ANY ADVERTISING AGENCY

officially recognised by the Canadian Daily Newspapers' Association will gladly quote advertising rates of any Daily Newspaper or group of Daily Newspapers by return of mail, and will study your marketing problems and prepare your advertising copy without charging you a penny for its services.
