

NO PERSON likes to wait very long to have repairs at a shoe store. Often great inconvenience is sustained by not having work attended to at the proper time. We not only do our work promptly but we do it properly. Our workmen are experienced and we guarantee satisfaction.

For Bell Hanging, Gas Fitting, Sheet Iron and Tin Plate work we are unequalled.

Salt Rheum You may call it eczema, tetter or milk crust. But no matter what you call it, this skin disease which comes in patches that burn, itch, discharge a watery matter, dry and humors in the system.

It will continue to exist, annoy, and perhaps agonize, as long as these humors remain.

It is always radically and permanently cured by

Hood's Sarsaparilla which expels all humors, and is positively unequalled for all cutaneous eruptions.

STARVED HERSELF

Story of a Nova Scotia Woman— For Nine Years She Has Not Eaten Solid Food—Her Warmhearted Praise of Dodd's Dyspepsia Tablets.

A remarkable story is that of Mrs. James Bradley, Smith's Cove, Nova Scotia. By her own statement she has actually starved herself for nine years. Nor was it voluntary, on her part. She was a victim of Dyspepsia.

All over civilization there are people doing the same thing, starving themselves rather than endure the pains of indigestion. To those people or such of those people as may read this paper, Mrs. Bradley's letter is almost the most important message they could receive: "I thought I would give a few words of testimony as regards Dodd's Dyspepsia Tablets, so as to possibly assist other sufferers. I have had Dyspepsia for nine years, and have tried the best doctors in this place, and never in all that time got any relief until just a short time ago. "I had to starve myself from eating, and had given up all hope of ever having any help. No tongue can tell what I have suffered. I cannot describe it. "I saw the advertisement for Dodd's Dyspepsia Tablets and purchased six boxes. I have taken most of them and am thankful to say I can eat most anything and sleep comfortably which I never expected to be able to do again in this world. All those who suffer as I did I advise to try Dodd's Dyspepsia Tablets, and never be without them, for they are the very best remedy invented though you search throughout the world."

Dodd's Dyspepsia Tablets cure Scurvy, Stomach, Flatulence, Gas, Heartburn, Pains after Eating, Water-brash and all the other troubles connected with Dyspepsia. They are fifty cents a box at all druggists.

A Musical Story

A young lady teacher residing not many miles from Charlottetown decided to purchase an Organ. We quoted her prices on our High grade Organ—she decided to buy a cheaper one she saw advertised in a foreign house—She did so—paid freight, cartage, etc.—in a month's time the instrument was "away out" she had it repaired—in a short time it was "out" again she got no satisfaction from it—she came to us—bought one of with a guarantee—now she has no trouble.

It says to buy our guaranteed instrument.
