SPORTING WORLD.

The World's Meet.

The Board of Control of the World's Meet met Wednesday night and got through a lot of routine business. They had an important subject under discussion, namely, the officials for the World's Meet races. The names will not be given out for some time, as the C. W. A. executive has the final power in the matter, and the men proposed will have to be communicated with.

The Board decided to issue a number of handsome posters for distribution in the United States and in Europe.

Collectors are very satisfactory, and though the Council would not vote any money some of its members behaved very handsomely.

Shooting the rapids and slides of the Ottawa river in an open boat is an exciting and somewhat dangerous pastime. Wednesday afternoon Their Excellencies the Earl and Countess of Minto indulged in the diversion. Their Excellencies are ardent admirers of Canadian sport in all its phases, and are willing to undergo considerable risk for such a novel and exciting experience. The boat used, was thirty-six feet long.

BELTS of ye olden tyme. An authority on the subject gives some interesting data concerning the importance attached to this article of dress. Up to 1830 short skirts were in fashion, and from that date until 1860 long waisted figures were affected by even those not naturally endowed with this anatomical structure. From this period when Napoleon III reigned in France down to the present. We are showing over 1,000 belts, Jas. Paton & Co. YOUR LAZY LIVER

Needs stirring up this Spring.

Nothing can do this so effectually and remove every trace of impurity from the system as Laxa-Liver Pills.

The past winter has been a rather hard one.

People living indoors a good deal, eating quantities of meat and heavy foods, are likely to have their system clogged up with impurities.

No one can feel well with these poisons circulating in the blood.

The head feels heavy, the tongue is coated, appetite poor, bowels constipated—no energy, mental or physical.

Laxa-Liver Pills are what everybody needs this spring.

They relieve the constipation, act on the sluggish liver, clean the coated tongue, improve the appetite, purify the blood, clear the cobwebs from the brain and make the whole system feel buoyant and full of energy.

And they work so perfectly that they do not gripe or pain, sicken or weaken, or cause the slightest inconvenience.

Price 25c. a bottle, or 5 for \$1, at all druggists. Say you want Laxa-Liver Pills, for there's nothing else as good.
