THE GERM THAT KILLS.

In consumption it is the germ that kills and in PARK'S PERFECT EMULSION it is the Guaiacol that kills the germ. Now this is very simple and easy to understand and if you try it you will prove the correctness of our assertion. There has never before been such a preparation as we now ask you to use. We are the originators of this idea and we have had the assistance and co-operation of the best medical men everywhere. For coughs, colds and consumption, PARK'S EMULSION has proved of great benefit. It has cured others, why than may it not cure you? All druggists sell it at 50c. per bottle.
