WOOL MARKETING

Wool will be received at the Potato Growers' Warehouse at the foot of Prince Street, Charlottetown, after June 14th. Wool shipped by rail should be carefully tagged and addressed to the Wool Grading Station, Charlottetown, "Freight Collect." Wool shipped by truck will be entitled to rail rates only. Truckers must present a proper warehouse receipt before truckage will be paid. An advance will be made on all wool of satisfactory quality, and properly prepared for marketing. The balance will be paid as soon as wool is graded.

In shipping, each fleece should be tied separately with paper string and packed in old, but clean sacking. Do not ship in large number of bags. Use one large sack if at all possible, as this aids in checking. A number of old, clean sacks sewn together will suffice. **EACH SACK SHOULD BE TAGGED WITH THE NAME AND ADDRESS OF THE OWNER WRITTEN IN CLEAR LETTERING WITH INK, ONE TAG TO BE SECURELY ATTACHED TO THE OUTSIDE OF THE SACK AND ANOTHER PLACED ON THE INSIDE.** No responsibility will be accepted for sacks without tags. A deduction of one cent per pound will be made for wool tied with binder paper twine or other unsatisfactory string. Shipping tags and proper paper twine are available at the Provincial Department of Agriculture free of charge.

It is in your interest to see that wool is properly prepared for market. Growers should

1. Remove all tags and dung locks before-tying each fleece.
2. Any burry, chaffy, or strawy portions of wool should also be removed and shipped separately.
3. Sheep should be shorn when dry, and wool should be stored in a place free from dampness.

All wool should be delivered between June 14th and July 17th.

**To Tighten Up On
Traffic Regulations**

Chief of Police A. Birwistle said yesterday that as the result of a very large number of complaints relative to the manner in which the licensed taxies of this City are being driven, the Police Committee has met and has ordered the Police Department to take whatever action they deem necessary to find the cause and to eliminate a further occurrence of the action of the drivers causing these complaints. Practically every regulation has at one time or another been disregarded, such as speeding, driving and parking on the wrong side of the street, swerving in and out of traffic, discourtesy to pedestrians, unnecessary using of horns, parking cars at intersections, disregarding stop signs and driving against traffic, Chief Birwistle stated.

Letters to this effect have been sent out by the Police Department to the various owners of taxi stands throughout the City. Chief Birwistle stated, in which it has been explained that the Department wishes to co-operate with them in rectifying this problem, but in order to curb these violations effectively, they in return, expect the full co-operation of the taxi drivers. Many of these infractions have been for want of thought on the part of the operators, the Chief continued, and I am sure that by bringing it to their attention in this manner, a recurrence will not happen.

Continuing, Chief Birwistle said that it wasn't only the taxi drivers who have been violating these traffic regulations, but that many other drivers are carrying out this practice as well, and that rigid enforcement will be continued until this condition is under control, and in illustration, he pointed out that some 35 persons have already been fined this month for breach of traffic regulations.

**DOIRON - GALLANT
WEDDING**

St. Dunstan's Basilica was the scene of a beautiful spring wedding on Wednesday, May 12th, when Mary Irene, daughter of Mr. and Mrs. D. E. Gallant, became the bride of Gilbert Hyacinth, son of Mr. and Mrs. Joseph Doiron, of Charlottetown. Rev. Patrick McMahon performed the ceremony and also celebrated the Nuptial Mass. Mrs. Joseph Dougan played the wedding music, while Miss Frances Hennessey rendered very beautiful hymns during the service. The bride was given in marriage by her father, and was attended by her sister, Mrs. Warren Cudmore, as matron of honor, and by Mrs. Lloyd Cudmore and Mrs. Frank Gauthier as bridesmaids. The groom was ably supported by Mr. Frank Gauthier.

The bride wore a gown of ivory satin. The fitted waist which was gathered to a long full skirt had a sweetheart neckline, lace insertions and long pointed sleeves. She wore a fingertip veil with heart-shaped head-dress and a string of pearls as her only ornament. She carried a sherry bouquet of red roses.

The matron of honor wore a gown of white net over silk tulle, with a sweetheart neckline, gathered waist, full skirt and short puffed sleeves. Her head-dress was a small circular veil. She wore a corsage of red roses and carried crystal prayer beads, gift of the bride.

The bridesmaids wore similar gowns in pink and turquoise with Dutch caps of pink and turquoise net. They wore corsages of tulle and pink, and also carried their gift from the bride, crystal prayer beads.

Mrs. Gallant, mother of the bride, wore a black and white silk tulle suit, silver fox cape and black accessories.

Mrs. Doiron, mother of the groom, wore a black suit with black and white accessories.

After the ceremony breakfast was served at the home of the bride, to a large number of guests. Assisting in serving were Mrs. Myrtle Pryor, Mrs. Emmet Doiron, Mrs. Augustus Martin, Mrs. Eddie Car michael and Misses Teresa Gills, Teresa Malone, Olive Doiron and Myrtle Gallant.

Mr. and Mrs. Doiron left on the noon plane for a trip through Nova Scotia.

The bride chose for her traveling outfit, a gray dress with a plume, a short topcoat of American beauty, with black and gray accessories. On their return they will reside in Charlottetown, where the groom is attached to H. M. C. S. Queen Charlotte.

invited the members to her home for the June meeting.

A delicious lunch was then served by the hostess, assisted by the Cornwall ladies.

The meeting closed with the National Anthem.

**General Motors
Corporation Seeks
To Avert Strike**

DETROIT, May 26 — (AP)—General Motors Corporation offered a wage boost of better than six cents an hour today in an effort to avert a strike of its 225,000 United Automobile Workers (U.A.W.)

A walkout tentatively is set for Friday. The Union confirmed that General Motors, biggest producers in the auto industry, had made its first wage offer of 1948 to the U. A. W.—C.I.O.

It came today after Chrysler Corporation agreed to try and settle the 13-day-old strike of its 73,000 production workers.
