RECORD 2:23 (4)

AN IDEAL SPECIMAN OF THE AMERICAN TROTTER.
Handsome, Rikely Bred and a Game Race Horse.

All agree that the Wilkes is the leading speed producing family of America. The number of performers in standard time sired by George Wilkes (2:22) and his sons, and produced by his daughters, is 3381. The nearest competitor Electioneer has only 2040. The fastest in the Wilkes family are inbred. Oakley Baron (2:23) is an inbred Wilkes. He is a direct descendant on the male and female line of George Wilkes through three of his best sons, Baron Wilkes (2:18), Onward (2:25), and Bourbon Wilkes. He is a magnificent individual, has all the qualities required in a sire, soundness, size, speed and beauty. His progeny sell for highest prices. Almost impossible to buy one. Oakley Baron is without doubt the best bred and handsomest stallion on the Island. His early speed points to the fact that it is born with him. He will transmit it. At the Amherst Horse Show this spring, colts by Oakley Baron won first prizes in the two and three year old classes. His oldest colts are three this spring.
