S. A. McDonald's Sale Ends Jan 31

The Last Call to the Big Sale

When we started this sale we very plainly stated that we needed \$20,000 during the month of January and there is every evidence that we are going to get it too.

We have gone over every section of our store grouped in lots lines that are now broken into and have decided to clear these lines out at less than half their regular values.

Don't Grow Bald, Young Man!

Take Care of Your Hair While You Have Hair to Take Care of.

It's a safe ten to one bet that the young man who uses PARISIAN Sage as an occasional hair dressing will never grow bald.

There's a reason, of course, and it's a very good and sufficient one. Dandruff germs cause falling hair and falling hair means thinner hair and in due time baldness.

PARISIAN Sage prevents baldness, by destroying the cause of baldness—the little persistent vociferous dandruff germ.

If you have dandruff or itching scalp it means that dandruff germs are sapping the vitality from the roots of your hair.

It is not a dye, mind you, neither does it contain poisonous sugar of lead or even sulphur. It is a scientific preparation that abolishes dandruff, stops falling hair and scalp itch, and makes hair grow lustrous and luxuriant.

Many young women as well as men are growing bald and for the same reason. Use delightful, refreshing PARISIAN Sage; it nourishes the hair roots, if the roots are not dead, and brings to every user a head of glorious hair—radiant and fascinating.

Large bottles for 50 cents at drug stores and toilet counters. See that you get PARISIAN Sage. Geo. E. Hughes guarantees it.
