Boils and Pimples.

Whenever your complexion is unnatural, your skin in an unhealthy condition, your face covered with blotches and pimples, when boils and festering sores abound then your blood is bad. You can best cleanse it with that purely vegetable compound, Burdock Blood Bitters, which safely and promptly renovates the blood and invigorates the entire system.

Boils Cured. Mr. C. A. Mussen, Bawlf, Alta., writes: "I recommend Burdock Blood Bitters as being the best blood purifier there is. About three years ago I was greatly troubled with boils and our druggist advised me to try Burdock Blood Bitters and after taking two bottles I have not had a boil or even a pimple."

Pimples Cured. Mr. J. Morehouse, Zealand Station, N.B., writes: "My face and neck were covered with pimples, and I tried all kinds of remedies, but they did me no good. I went to many doctors, but they could not cure me. I then tried Burdock Blood Bitters and I must say it is a wonderful remedy for the cure of pimples."

Jack R. Williams, City, left yesterday afternoon on the Rosalind for Quebec on a two weeks trip. His many friends wish him a pleasant trip.

The S. S. Harland made her usual trips to Orwell yesterday. She carried a fair amount of freight inward and outward and about seventy-five passengers.

All officers, non-commissioned officers and men of Number Nine Field Battery A. M. C. will meet tonight at the drill shed. As this is the last drill before going to camp a full attendance is desirable.

The gasoline yacht Aloha, of New York, arrived yesterday from that port. The yacht was two weeks on the way down, and experienced a great deal of rough weather. The Aloha picked her way along the coast, stopping at different ports. Stanley Green, of New York, was aboard, and leaves to return this morning. The yacht will proceed to Summerside, P. E. I., where her owner, N. B. McKelvie, of the stock brokerage firm of Hayden, Stone and Company, will join her next week and will remain for a cruise of a month on the Prince Edward Island shores.—Halifax exc.

Alexander Cross and Mrs Cross of Glasgow have spent some time in New Brunswick and Nova Scotia and the last few days in this Province. They are put up at the Victoria Hotel and leave this morning to make the tour of Quebec, Ontario and the prairie Provinces. Mr. Cross sat in Parliament for several terms as one of the members for Glasgow, and at the last election failed of success by only some 100 votes. He is a strong free trader. His firm is engaged in the manufacture and sale of fertilisers, and has for years past had customers in this Province as well as throughout Canada. His son, associated with him in the business represents the fourth generation in a long-established trade. Mr. Cross visits Canada from mixed interests of pleasure, business and the acquisition at first hand a better knowledge of Canada. He shares the opinions of many in this Province that the system of protection is not a sound national policy.

The will of the late Dr F. F. Kelly of this city has been filed in the Probate Office. The deceased, in his will, appointed as executrixes his wife and his sister, Miss Florence Kelly. The bequests include two hundred dollars to the Charlottetown Hospital. To his executrices he bequeathed the one acre lot with summer cottage at Brighton for their use and the use of his son, Frederick G. Kelly, until he attains the age of twenty-two years, after which the property referred to is to revert to him. The pony and outfit is left to his son. He directed that four thousand dollars of his estate was to be invested for his son Frederick G. and out of which the necessary amount is to be used for his education and the remainder to be given to him upon his attaining the age of twenty-two years. After payment of the bequests mentioned above the residue of the estate is to become the property of his wife, Mrs. Helen Kelly. The estate was valued at about twenty thousand dollars.

Miss Stamper, City, returned to the city last evening on the Northumberland.

Miss Florence Henderson, Grafton Street, is visiting in Summerside and vicinity.

The Dept. of Agriculture have been fortunate in securing the services of Prof. C. A. Zavitz of the O. A. College to address a series of meetings throughout the Province. He will be present at the Prince County Institute Convention which meets in Summerside on Tuesday, June 28th, and will speak at 10 o'clock a. m. On the evening of the same day he will address a meeting in the hall at Malpeque. Prof Zavitz is one of the best men on his subject in Canada and as his services are in such demand it is rarely that he can be secured. Everyone therefore, within a reasonable distance should make it a point to be present at some of his meetings. He will be accompanied to some of his meetings by the Commissioner of Agriculture.

Glory Oil cures Asthma

Glory Oil Company,
Port Elgin, N. B.

Gentlemen:—This is to certify that I have used Glory Oil with great success. Our little son was troubled with asthma and when one year old he suffered so much from this disease that we were afraid we would lose him. We tried many remedies but without results. At last we procured a bottle of Glory Oil, which we used according to directions. To our delight Glory Oil gave immediate relief. We kept using the oil from time to time and at length we noticed that the attacks became less frequent until they ceased altogether. Our boy is now five and a half years old and he has not had an attack of asthma for over a year. He is now well and strong.

We also have another boy, now twelve years old, who suffered from enlarged tonsils to such an extent that we feared that an operation would be necessary. Glory Oil was used and wrought a complete cure.

Our appreciation of your medicine is beyond the power of words to express. You are at liberty to publish this testimonial.
