HORSE RACES AT GARFIELD

A large crowd assembled at Garfield Saturday to witness one of the best horse races of the season. There were three classes which were well contested in each and every heat. The track was in good condition and every one present seemed to enjoy themselves. Many passed comments on how well the races were conducted. Mr. McLeod, the genial proprietor is deserving of credit for putting this track in such good condition and there is no doubt but before long this will be one of the most popular tracks on the Island the officials of the day performed their duty to the entire satisfaction to the horsemen and public in general. Mr. F. W. Hughes, City, was starter and handled the race in good style getting the horses away with out too much scoring. The Judges were Messrs Joseph Fraser, Daniel McLeod, Joseph McCabe, Timms Messrs Preston Prowse and J. McCabe.
