AMONG the names published in the Danvers Mirror, June 17th, 1899, of the nurses who graduated from the training school for nurses, of Danvers Hospital, North Danvers, Mass., we are pleased to see the name of Miss Margaret M. She left home two years ago and entered the Hospital for the purpose of becoming a trained nurse, and successfully graduated on June 9th, 1899. #### Letter of Condolence.

To the wife and family of the late William Ward:

DEAR FRIENDS:—As God in His all-wise Providence has seen fit to take from amongst you, a loving husband and kind father.

Therefore; We the members of L. O. L. No. 1166, do hereby extend our heartfelt sympathy.

In the death of Bro. Ward the Orange Association has lost a true and faithful member, one whose earnestness and zeal in the cause of Orangeism, will ever live in the memories of the brethren. A member of the Association for thirty-two years, he never failed to attend the Annual Demonstration, and acted as banner-bearer during thirty-one years of his membership. He has now gone to his reward. We deeply mourn his loss. Our heartfelt prayer is, that He who has promised to be a Father to the fatherless, and husband to the widow, will sustain and comfort you in this sad hour of your bereavement. Signed in behalf of the members.
