Dear Friends—Life is filled with surprises, some happy ones, which we welcome, others which bring sadness. The news of your impending departure from our community is one of the latter.

During the years you have lived among us you have won a very real place in our affections, and in our community life. You have generously contributed of your time and your talents to the support of our various organizations, and were always ready with assistance in times of misfortune or illness. It is our earnest desire that the ties of friendship which were formed in our association together may remain a warm bond of fellowship through the coming years.

As you leave us to enter a new sphere of industry in another neighborhood, we pray that you will be abundantly blessed with health, happiness and prosperity. Our wish for your young son Gordon is that he may continue to

grow strong and sturdy, and that after he has satisfactorily completed school and college, he may attain success in whatever occupation in life he chooses.

As a tangible mark of our sincere esteem we ask you to accept this parting gift. Signed on behalf of the community.—D
