GIVEN UP TO DIE.

Was Mr. E. N. Stowell, but Dodd's Kidney Pills Cured Him.

BROCKVILLE, Oct. 8.—When an eminent physician notifies a sick man that his case is hopeless and that he must die, he is to be taken for granted, in a pretty bad way.

That was the position of Mr. E. N. Stowell, of this city, not long ago. He had suffered all the agonies of Bright's Disease for several years. The ablest physicians had pronounced his case hopeless, and he had begun to set his home in order, when a friend urged him to try Dodd's Kidney Pills. One box put new life in him, seven boxes cured him. Now his friends hardly know him for the same man. Score one more for Dodd's Kidney Pills.

THE entertainment held in Music hall last Friday evening for the purpose of raising funds to place electric lights in St. Paul's church, was very well attended, considering the unsettled condition of the weather. THE Halifax Herald says: A large number of those who went to Amherst yesterday to witness the match race between Lina Belle and Ferron, returned last night a disappointed lot. It rained all day at Amherst and the track was too heavy for racing, and it was decided to postpone the race until Friday afternoon next. The match race will be called at 2 o'clock, after which the 224 class will be trotted. No such interest has ever been taken in a horse race in Canada as that manifested in the trot between Lina Belle, the Quebec mare, and Ferron, owned in Bridgetown. A. B. Pitter and Mr. Lamy, of Moncton, place the amount bet at \$12,000. THE Ravel new Humpty Dumpty and Pantomime Company is a no faced at the Opera House, on Friday and Saturday evening. S. C. W. Ravel, the brain front of the company, is one of the finest pantomime clowns ever seen in this section. All special trick scenery is used. A strong list of pleasing vaudeville features will be introduced during the action of the play. It is a long time since this fair story was presented in this city but its memory, like Uncle Tom's Cabin, will never die. The Troy Daily Times of a recent date says: Never in the history of the Opera House was such a business done as on the occasion of the Ravel Humpty Dumpty engagement; the company was a circus on a small scale, everybody was well pleased with the performance, and the verdict was that it was a good company and worthy of the big patronage.
