Doan's
Kidney Pills
FINALLY MADE A
COMPLETE CURE.

Mr. Jacob Jamieson, Jamieson Bros.,
 the well-known Contractors and Builders,
 Welland, Ont., tells of how he was cured.
 "For fourteen years I was afflicted with
 kidney trouble which increased in severity
 the last five years. My most serious attack
 was four years ago, when I was completely
 incapacitated. I had terrible pains across
 my back, floating specks before my eyes
 and was in almost constant torment. I
 could not sit or stand with ease and was a
 wreck in health, having no appetite and
 lost greatly in flesh. I had taken medicine
 from five different doctors and also
 numerous other preparations to no pur-
 pose. I finally began to take Doan's
 Kidney Pills and before I had taken five
 boxes the trouble left me and I now feel
 better than I have for twenty years. Those
 who know me know how I was afflicted
 and say it is almost impossible to believe
 that I have been cured, yet they know it
 is so. I have passed the meridian of life
 but I feel that I have taken on the rosy
 hues of boyhood."

LESSON II, SECOND QUARTER, INTER-
 NATIONAL SERIES, APRIL 12.

Text of the Lesson, I Cor. xv, 20, 21,
 50-58—Memory Verses, 55-58—Golden
 Text, I Cor. xv, 20—Commentary
 Prepared by Rev. D. M. Stearns.

[Copyright, 1908, by American Press Association.]
 20. But now is Christ risen from the
 dead and become the first fruits of them
 that slept.

We have today a great and glorious
 chapter truly, beginning with the gos-
 pel by which we are saved and ending
 with the complete subjugation of all
 things unto Him who died for our sins
 and was buried and rose again the third
 day, according to the Scriptures (verses
 3, 4). The writer of this epistle, with
 whom we have recently been journey-
 ing so much, seemed to know nothing
 but Christ crucified, Christ risen and
 ascended and Christ returning to reign.
 It would be well if there were many
 like him. In this chapter he gives
 special prominence to the resurrection,
 proving that the life and death of
 Christ would have availed us nothing
 if He had not risen; that apart from
 this great fact there is no gospel to
 preach, no ground for faith, no salva-
 tion; but, Christ being risen, all is well
 with those who trust in Him, and as
 He is in His risen body so shall we be
 (Phil. iii, 21; I John iii, 2).

21. For as in Adam all die, even so in
 Christ shall all be made alive.
 By one man sin entered into the
 world, and death by sin, and so death
 passed upon all men, for that all have
 sinned. For as by one man's disobe-
 dience many were made sinners, so by
 the obedience of One shall many be
 made righteous (Rom. v, 12, 19). All
 are in Adam without exception, and
 therefore all are sinners and dead in
 trespasses and sins (Eph. ii, 1). All
 who, being convinced of sin, have ac-
 cepted Christ are in Christ, and He is
 wisdom, righteousness, sanctification,
 redemption and life eternal to all who
 truly receive Him (I Cor. i, 30; I John
 v, 12).

50. Now, this I say, brethren, that flesh
 and blood cannot inherit the kingdom of
 God; neither doth corruption inherit in-
 corruption.
 The kingdom of God will be that con-
 dition of affairs on earth when the will
 of God shall be done on earth as it is
 done in heaven (Matt. vi, 10), or, as in
 verse 28 of our chapter, when the Son,
 having (during the thousand years,
 Rev. xx) subdued all things unto Him-
 self and cast Satan and all his follow-
 ers into the lake of fire, God shall be
 all in all. In order to enjoy that king-
 dom and its glory, these present mortal
 bodies of flesh and blood must be
 changed and be made like His resur-
 rection body of flesh and bones (Luke
 xxiv, 39). They will be as real and
 tangible as His resurrection body, but
 no longer subject to the powers and cir-
 cumstances which control our mortal
 bodies (Luke xxiv, 31; John xx, 19).

51, 52. Behold, I shew you a mystery.
 We shall not all sleep, but we shall all be
 changed in a moment.

In I Thess. iv, 16-18, this is more fully
 set forth and so simply and clearly
 that only those who do not wish to
 can fail to see it. Our Lord Himself
 referred to it in these words: "He that
 believeth in Me, though he die, yet
 shall he live, and whosoever liveth and
 believeth in Me shall never die" (John
 xi, 25, 26). The natural man can never
 see nor inherit the kingdom of God un-
 less he is born from above, born the
 second time, and all who, being born
 again, belong to the kingdom must in one
 of two ways obtain a body fit for the
 kingdom—the body must die and rise from
 the dead at His coming or be in a mo-
 ment changed without dying, as were
 the bodies of Enoch and Elijah.

53, 54. Then shall be brought to pass the
 saying that is written, Death is swallowed
 up in victory.

Corruptible and mortal are terms re-
 ferring to our present bodies; incor-
 ruptible and immortal describe the
 bodies that shall be ours at His com-
 ing, when we shall be like Him. This
 quotation from Isa. xxv, 8, 9, reminds
 us that when the kingdom comes and
 the glorified church is with Christ
 reigning over it (Rev. v, 9, 10), Israel
 shall have her place, with her rebuke
 taken away from off all the earth, for
 she shall see Him coming in His glory.
 55-57. O death, where is thy sting? O
 grave, where is thy victory? The sting
 of death is sin, and the strength of sin is
 the law. But thanks be to God, which
 giveth us the victory through our Lord Jesus
 Christ.

In Hos. xiii, 14, from which part
 of this is quoted, the words are: "O death,
 I will be thy plagues; O grave, I will
 be thy destruction. Repentance shall
 be hid from mine eyes." Thinking of
 these words, I often say that I am glad
 that God hates death and the grave
 and will destroy both and will never
 alter His purpose about it. While in
 the case of the believer the curse of
 death is changed to a blessing and
 brings only gain and the very far bet-
 ter (Phil. i, 21, 23), yet the fact stands
 that death is an enemy, and to talk of
 death as the Lord's coming is to con-
 found one of the worst of enemies with
 the best Friend.

58. Therefore, my beloved brethren, be
 ye steadfast, unmovable, always aboun-
 ding in the work of the Lord, for as much
 as ye know that your labor is not in vain
 in the Lord.

The glories of the resurrection, the
 kingdom, the new earth, concerning
 which Paul said Rom. viii, 17, 18; II
 Cor. iv, 17, 18, and many such words
 may well encourage us to be steadfast
 in the faith, unmoved by any false doc-
 trine and gladly walking in the good
 works which He has prepared for us.
 He only wants us so to present to Him
 our bodies, which is truly a reasonable
 thing, since He has bought us with a
 great price, that He may unhindered
 work in us all His good pleasure, caus-
 ing all grace to abound toward us (Eph.
 ii, 10; Rom. xii, 1, 2; I Cor. vi, 19, 20;
 II Thess. i, 11, 12; II Cor. ix, 8).

THE BARR CRITICISMS.

LONDON, April 5.—"Westerner," writing
 to the "Chronicle," partly support-
 ing Mr. W. I. R. P. on his reply to the Barr
 criticisms, which emanated from a corres-
 pondent in Toronto, and which appeared
 in the "Chronicle" a few days ago. He ad-
 mits that the "Chronicle's" correspondent's
 writing was judicious and timely, how-
 ever, but it thinks was not quite accurate
 "Westerner" writes that it is a bad policy
 to form colonies of distinct nationalities.

COLONIES MUST PAY.

LONDON, April 6.—A pamphlet by an
 author just issued says that the Imperial Govern-
 ment is not responsible for the journeys
 of the coronation guests to and from Eng-
 land. All charges should fall to the colony
 concerned and the same applies to the
 troops invited to participate in the
 ceremonies last year. The colonies should
 bear the whole cost of transport to and
 from England.

**WALKED LIKE
 AN OLD MAN**

Joseph Hamel Suffered Long
 Before he Used Dodd's Kid-
 ney Pills.

Had Lost All His Energy and was
 Discouraged—The Great Kid-
 ney Remedy Cured Him Com-
 pletely.

NICOLET, QUE., April 10.—(Special)—Of
 the many people in this neighborhood who
 have been brought back to health and
 strength through the use of Dodd's Kid-
 ney Pills few are in a better position to give
 the public the benefit of their experience
 than Joseph Hamel. He knows both sides
 of the question—the suffering and the
 relief.

"I suffered from Kidney Disease for
 three or four years," says Mr. Hamel.
 "For two years I would take two or three
 days off work a week. I was continually
 sick and forced to walk like an old man.
 I lost all my energy and became dis-
 couraged."

"After trying a lot of medicines that
 only gave relief for a while I was fortunate
 enough to try Dodd's Kidney Pills.
 After using three boxes I was completely
 cured."
 Mr. Hamel is enthusiastic in his praises
 of Dodd's Kidney Pills and there is not
 the slightest doubt of the correctness of
 his statement as dozens of people can
 testify to his illness and cure.

*Not
 An Imitator.*

The reproductions of
 sound by the Berliner Gram-
 o-phone are firmer, louder,
 clearer, more natural, richer,
 truer, than any other talking
 machine made. Its singing
 is real singing, not imitative squeaking,
 its talking is real talk-

**SHARES TO ADVANCE FROM

**MARVELLOUS DISCOVERY OF GOLD, SILVER AND COPPER
 ORE MADE ON PROPERTY OF THE EASTERN NATIONAL
 COPPER COMPANY, Ltd., AT CHETICAMP, CAPE BRETON**

**ORE-BEARING SCHISTS
 From 75 Feet to 100 Feet Wide,
 AND TRACED FOR 5000 FEET ON THE LENGTH; DEPTH OF 85 FEET ALREADY PROVED**

MR. M. V. GRANDIN, engineer in charge
 of the development work, reports the dis-
 covery of an immense body of gold, silver,
 and copper bearing ore from seventy-five to one hun-
 dred feet wide on the property of the Eastern
 National Copper Company, Limited, at Cheti-
 camp, Cape Breton. This is probably the first
 known instance in Eastern Canada of the
 unearthing of a large deposit of metalliferous ore
 such as made the mining industry of British
 Columbia, the Western States and Mexico of
 great magnitude. The discovery in Cape Breton
 tends to confirm the opinion of mining experts that
 Cheticamp is one of the most important
 mining districts in Nova Scotia. The Eastern
 National Copper Company, Limited, owns some
 of the finest sections of this district and is now

engaged in blocking out a body of ore
 estimated to contain 160,000 tons, worth
 \$10.00 per ton or higher.

The development work is well advanced
 and is proceeding night and day. All the
 surface buildings have been completed and
 the main slope is now down eighty-five feet,
 all in ore, and the calculations of the
 prospectus as to the thickness of the ore
 body and assay value per ton have been
 exceeded fifty per cent. Another gang of
 men will shortly attack the deposit from
 another point. It is estimated that every
 dollar spent underground opens up two
 hundred dollars worth of ore.

The value of the big new deposit has not yet
 been determined, as it has not been fully explored.

**THOUSANDS OF TONS OF ORE ALREADY IN SIGHT.
 Every Day Adds to the Proved Value of the Mine.**

THERE is no safer form of mining investment
 than good gold-copper deposits, as they occur in
 immense veins and carry regular values. Many
 of the private fortunes of the United States owe
 their origin to a lucky investment in a gold-
 copper proposition. The property of the Eastern
 National Copper Company, Limited, is undoubt-
 edly one of the most valuable in the country.
 Besides its extensive mining claims the mining
 company controls timber for mining and building
 purposes and will also have natural water-power.

THE extension of the MacKenzie & Mann Rail-
 way from Broad Cove to Cheticamp in the spring
 will give this great mining enterprise rail as well
 as water communication with all points.
 The undertaking of this Company is a sound
 home enterprise, organized by prominent Halifax
 business men, without the heavy over-capitaliza-
 tion, watered stock, promoters' rake-off,
 directors' perquisites, &c., which characterize
 many foreign companies. The company is
 capitalized at the moderate figure of \$500,000,
 and one-half the entire capital stock has been
 placed in the treasury in reserve. 10,000 shares
 of the other half are being sold for development.

**A LIMITED AMOUNT OF STOCK IS OFFERED AT \$3.00
 PER SHARE (30 CENTS ON THE DOLLAR) PAR \$10.00.**

The stock was started at \$1 per share, and has advanced steadily to \$3. Next advance will
 likely be to \$5, and we expect that it will be quoted at par—\$10—in the Spring, based on ore
 actually blocked out. Less than 1000 shares will be sold at the present figure of three dollars.
