Saturday was Tag Day. Most everyone is aware of that. The young lassies worked all day in disagreeable weather and gathered up about \$400. This is creditable and it is not imagined that any one of the contributors who was "touched" by the irresistible ones will miss the loose change which went to make up the neat sum obtained.

The annual meeting of the Brighton Quoit Club was held last evening. A goodly number of the members were present. The election of officers for the ensuing year resulted as follows: President—Ewen Stewart; Sec'y—H. V. Buntain; Field Committee—Dr C. H. Beer, R. H. Campbell and J. A. S. Bayer. A review of the past seasons work and the financial condition of the club showed everything to be in a satisfactory condition and the outlook for the coming season's work is promising. The Field Committee will arrange at once to have the quoit beds and grounds in readiness to start the games as soon as weather permits and are importing some new brass quoits (regulation weight) from Halifax.

The following is an extract from a letter received by Rev. Wm. Harrison of Grace Church, City from Rev. Dr. Elliott, who carried on a successful evangelistic campaign in this city recently:—"We are in the midst of a remarkable simultaneous campaign here in the city of Columbus, Ohio, under the direction of Chapman and Alexander. Our district is known as the 3rd Ave. district where six street churches are active in the services, which are held in the 3rd Ave. Methodist Church. The whole city seems to be mightily stirred and I believe a widespread blessing is to follow. We close here March 27 and the party separate, Chapman and Alexander go to Wales and Mr. Fitzgibbon, Mr. Leggett and myself go to Ottawa, Canada, to begin a series of meetings in the Stewarton Pres. Church, Thursday evening, March 31st."

A Culloden correspondent writes: "The farmers of this vicinity are all through with their winter's work. The school is progressing favorably under the able management of Miss Florence McGregor. James and Roddie McRae left the west recently—Murdoch Gilmore, Melville, paid a flying visit to Culloden this week—Miss Katie McLean, Melville, is visiting friends in Culloden—Tom McPherson sold a valuable horse recently and bought another—John Jenkins, one of our enterprising farmers is busy lumbering—Wesley Stead bought a valuable mare from John Stewart for which he paid a handsome sum—Miss Laura Jenkins has returned home from visiting friends in Melville."

All should hear the vocal trio by Miss MacArthur, Miss Blanchard, and J. W. Berry, at the Opera House Easter Monday night. 3-26d2i.

Another interesting lot of dress silks

TIME WAS, AND NOT SO VERY LONG AGO EITHER when a silk dress was a luxury that might be approached only by the very rich.

And now? Well you know the vast improvement and refinement in methods of manufacture, which have resulted in cheapening the price—while retaining high excellence in the fabric.

And then, we own some little claim to credit ourselves—we have been seeking the best sources for silks—getting nearer the maker—cutting out middlemen's profits—and handling bigger and bigger lots—so that now we are able to give you better silks values than ever before.

The new French treaty helped greatly too—making the duty on French—Austrian—and Swiss much lower than last year.

That is a long perforce to the story of these lovely new silks that the TUNISIAN brought over for us—and you. New Merv—New Taffeta chiffon, Moire, Cotele, Broche, Mousseline Faille, Faile Francaise, etc. Then of course, China silks, Japan Taffetta, Shantung, Foulards Pailletter, Tamolines etc.

Said his "heart"—that is his—there never has been a season when so many pretty wash goods were shown in this store, as this season! Worth looking into to-day if you have some sewing planned for this week.
