SIR HENRY

(Continued from page 5) This matter was further discussed by Messrs Cotton and Appleton. Mr. Appleton then replied to Mr. Cotton's statement regarding the double service...

Mr. Cotton thought that if the double service was assured all the year round the traffic on the late train would greatly increase.

As to the standardization of the railway, to Murray Harbour, Sir Henry stated emphatically that nothing would be done this year. The Hillsboro Bridge is not fit to put standard equipment on it.

With regard to the changing of the plans for enlarging the Railway Wharf, Sir Henry said the contention that it should be made wide enough to permit another pier to be built on the east side of the wharf was perfectly right...

Meeting of Fish and Game Association

A meeting of the Fish and Game Association was held in the City Hall yesterday afternoon, the President Mr. Gilbert Gaudet, K. C., occupying the chair. Mr. C. R. Smallwood acted as Secretary in the absence of Secretary Frank Fraser.

The meeting, the first to be held for over a year was called primarily for the purpose of reviving the interest and enthusiasm enjoyed by this club a number of years ago...

Mr. A. E. Morrison an ardent angler and strong supporter of the Club opened the discussion by suggesting that the size of trout taken from the ponds and streams be increased to eight inches instead of six the present size...

Mr. Carter asked the President if the sale of trout was prohibited. He was informed that it was, most emphatically. Mr. Carter stated that he knew of instances where trout was sold to fox ranches.
