Commodore Ledyard No. 34709

ENROLLMENT No. 11
Will make the season 1918 at the owner's stable Montague Terms:—Five dollars per time of first service and ten dollars additional when mare proves in foal. Commodore Ledyard foaled in 1901 was sired by Admiral Dewey the son of Bingen and Nancy Hanks. Commodore's dam was Lady Etheby by Jackdaw. Hence, it will be seen that no horse stands higher in point of breeding. As a sire, he stands without peer in the Maritime Provinces. In fact he has produced more race horses than all the other stallions confined standing for service today on P. E. Island. He is the sire of Bob Mac, 2134, Hilda S., 216, Orwell Belle, 219, Iona Girl 217 1/2, Rexlight 217 1/2, and 19 others in the 2.30 list, besides a host of others that have trotted in better time than standard time but were successful in having their time suppressed. Commodore is now 17 years old and was never in such good condition as at the present time. He is at the age at which all great sires have transmitted their greatest number of trotters, as it is an unquestionable fact that our great sires beget more speed between 15 years and 22 years than they do before that age. Anyone owning a like mare that wishes to get a colt with speed or a superb driver will run less risk of failure by breeding to Commodore than in using those unproved sires that owe their reputation to their owner's ability as boosters.

Synopsis of Canadian Northwest Land Regulations

THE sole head of a family or any male over eighteen years of age, may homestead a quarter section of available Dominion land in Manitoba, Saskatchewan or Alberta. Applicant must appear in person at the Dominion Lands Agency or Sub-Agency for the District. Entry by proxy may be made at any Dominion Lands Agency but not Sub-Agency on certain conditions.
Duties—Six months residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres, on certain conditions. A habitable house is required except where residence is performed in the vicinity.
In certain districts a homesteader in good standing may pre-empt a quarter-section along side his homestead. Price \$2.00 per acre.
Duties Six months residence in each of three years after earning homestead patent; also 50 acres extra cultivation. Pre-emption patent may be obtained as soon as homestead patent, on certain conditions.
A settler who has exhausted his homestead right may take a purchased homestead in certain districts. Price \$3.00 per acre. Duties—Must reside six months in each of three years, cultivate 20 acres and erect a house worth \$300.
The area of cultivation is subject to reduction in case of rough, scrubby or stony land. Live stock may be substituted for cultivation under certain conditions.

REMOVE THE CAUSE

of a skin disease, and the disease will naturally disappear. That is how Zam-Buk cures. The cause of all skin troubles is germs. Zam-Buk is a powerful germ-destroyer, not only of germs on the surface skin, but also deep down in the underlying tissues.
This is because of Zam-Buk's unusual power of penetration. Ordinary ointments, which have not this power of penetration, can only destroy the germs on the surface skin—hence the disease breaks out again. Zam-Buk cures thoroughly and, therefore, permanently.
Only Zam-Buk should be used for eczema, ringworm, salt rheum, scalp sores, ulcers, abscesses, blood-poisoning, piles, boils, pimples and teething rash, while Zam-Buk's power to end pain and heal quickly also makes it invaluable for cuts, burns, scalds and all skin injuries. All dealers 50c. box.

AUTOISTS—SPECIAL ATTENTION.

New markers with car numbers thereon are now ready for delivery. Auto owners who have not registered or renewed their license for the current season must do so at once. Persons operating motor vehicles without these new Markers displayed thereon after the 14th June, 1918, will be prosecuted according to Law.
