HOSPITAL SECRETS.

A Nurse Says: "Pe-ru-na is a Tonic of Efficiency."

MRS. KATE TAYLOR.

Mrs. Kate Taylor, a graduated nurse of prominence, gives her experience with Peruna in an open letter. Her position in society and professional standing combine to give special prominence to her utterances.

CHICAGO, ILL., 427 Monroe St.—"As far as I have observed Peruna is the finest tonic any man or woman can use who is weak from the after effects of any serious illness.

"I have seen it used in a number of convalescent cases, and have seen several other tonics used, but I found that those who used Peruna had the quickest relief.

"Peruna seems to restore vitality, increase bodily vigor and renew health and strength in a wonderfully short time."—MRS. KATE TAYLOR.

THE CAPITAL OF THE WEST

Latest from Summerside and Princ County

There were about 180 passengers by the Northumberland last night.

George Crabbe returned Thursday night from an extended visit to Montreal.

Strawberry, vanilla and chocolate ice cream at Railway Dining Room. 11tts3i

THE steamer Polui from Montreal was in port yesterday on her way to Newfoundland.

Root and ginger beer in stone bottles and all kinds of temperate drinks on ice at Railway Dining Room. 11tts 3i

Miss Laura Green, Boston, arrived by the Northumberland last evening to spend the summer at her old home in Summerside.

JOHN M. CLARKE, Summerside and J. H. Bell, Charlottetown, returned last night from Moncton, where they have been attending a meeting of the I.O.F.

John Brazil, New Glasgow N. S. and Frank Brazil residing in the western states arrived by the Northumberland Thursday night on a visit to their old home Summerside.

Robert Muirhead and Colin Muirhead of Chicago formerly of Summerside arrived here Thursday night by the Northumberland on a short visit.

Miss Maud Bearisto who has been visiting her home in Summerside left yesterday on return to Newport R. I. She was accompanied to the Point by Mr. Bearisto and Miss Flerrie Bearisto.

The new bathing house recently erected by Capt. John L. Read on his shore at east end of the town was used by the keyholders for the first time yesterday, when upwards of forty men, women and children enjoyed the benefits of salt water and the exhilarating ozone. The opening of this bathing house was quite a new feature in this line here, and gives promise of a greater interest in the developing of our seaside beaches. The house built by Mr. Read at the instigation of the Summerside Improvement and Tourist Association, contains ten departments all of which were rented long before the building was completed. There is yet a demand for more houses and it is likely that another one will be built at once. The result shows at least that Summerside is only awakening to the fact that but a little enterprise is needed with the means at hand, to accommodate those seeking such pleasure. It is hoped that further developments of our resources to accommodate tourists and others looking for these conveniences will result.
