

Lowest Excursion Rates on all Trains to the Prince County Exhibition, October 4th. & 5th.

---Bargains at HOLMAN'S, S'Side. on Both Days

Every indication points to 1916 being the banner Exhibition for PRINCE COUNTY. The crops have been abundant, and the exhibition in Floral Designs, Agriculture, Live Stock, Domestic Science, Art and Photography, and all their kindred branches, promises to be of unusual interest. No person should miss the first day as addresses, both instructive and entertaining, will be delivered by some of the ablest platform orators in the Province. Be sure to visit the Show Building on Thursday. The lowest excursion Rates will prevail on all trains, from all stations, on both days.

Holman's are offering phenomenal values for both Fair Days—every department of this vast establishment will be a veritable Exposition of Fall and Winter Styles. It will be well worth a trip to Summerside to be present at Holman's on both days.

The Prince County Exhibits in Floral display and Handicraft, Domestic Science and Needlework, Art and Photography; and their allied branches represent the keenest thought, the cleverest imagination, the truest perception, and the noblest aspirations.

Be sure to visit the Prince County Fair on the first day. The 2nd. day will take care of itself.

The entries for the races include some of the best racing horses in the Maritime Circuit. There will be interest and excitement in every minute of the two Fair Days at Summerside. Don't forget the dates, next Thursday and Friday, October 4th. and 5th.

The biggest attractions of all you'll find the bargains in Holman's Store, on both Days. Holman's Store will be an exposition of Fall Styles and Novelties—nifty notions and marvellous money-saving values.
