MARITIME BASEBALL CHAMPIONS CAPTURE OPENING GAME

Saint John Team Loses 12-Inning Game To Kiwanis

St. Stephen Hurler Wins Own Game When Single In 12th Bounces Past Fielder For Home Run, With The Sacks Loaded.

(C.P. By Guardian's Special Wire)

SAINT JOHN, N. B., Sept. 7.—Four runs in a hectic twelfth-inning gave St. Stephen-Milltown Kiwanis a 6-2 victory over Saint John Y. M. C. I. Maroons this evening in the first game of the New Brunswick senior baseball finals.

Masters, Saint John hurler, went the entire route and, until the eventual twelfth, held the McMillan time champions to the two runs they scored in the first inning. Generally air-tight play, with both teams unable to take advantage of the few breaks necessitated by the extra innings.

In the first half of the twelfth, with none out and the score still deadlocked at 2-2, Kiwanis filled the bases by a single and two bunts. The tide turned definitely when Masters fell attempting to field the second bunt.

Roy Bowles, who hurled eleven innings for the visitors, cleaned the decks with an unexpected home run after his single bounced past the right fielder.

Sending in Brownell, their south-paw star, Kiwanis then held Maroons rudderless for the last half of the twelfth.

The next game will be played here tomorrow, with the scene shifting to St. Stephen next week. Three out of five games will decide the provincial title and the opponents are Nova Scotia for the Maritime title.

TITLE BOUT IS AGAIN POSTPONED

Barney Ross and Jimmy McLarnin Will Meet Tonight Providing Weather Favorable.

(By Edward J. Neil)

(A.P. By Guardian's Special Wire)

NEW YORK, Sept. 7.—The weatherman tossed a beautiful feint in the form of sunshine at Jimmy McLarnin and Barney Ross today, then crossed them quickly with a heat downpour that forced the second straight postponement of their return duel for the welterweight championship in Madison Square Garden's big bowl on Long Island.

Barring continued opposition from the man who pulls the strings on the water buckets, the show will try to go on again tomorrow night, and if that's not possible, a fresh start will be made next Tuesday night.

All sorts of complications bobbed up meanwhile. Now McLarnin, who weighed 145 3/4 pounds yesterday at the official scaling, and Ross, who nudged an even 140, will have to do it again tomorrow afternoon on the New York State Athletic Commission scales. The Vancouver cell, with surreptitious exercise, may have trouble coming in under the 147 pound class limit.

More troublesome than this even, was the threat of a southern storm sweeping up this way and due here tomorrow. If the fight must go over into next week, Monday night is out because Ross, an orthodox Jew, will be celebrating Rosh Hashana that day, an occasion in his religion when you must feel kindly dispositive toward all enemies, and that certainly would be the time to tangle with a belting Irishman.

HORSE RACES AT DORCHESTER

DORCHESTER, Sept. 7.—The horse races and Labor Day celebrations held here Monday proved very successful. Three races were run and there was keen competition in all classes, especially in the 3:00 and 2:29.

At the beginning of the last heat in the green race, Dr. M. M. Laddie, of New York, driving Rose Marie, was thrown from his sulky and rendered unconscious, when his cart collided with the cart of H. Coates, driving Josie the Great. Medical attention was given Dr. Laddie and he regained consciousness in time to see Rose Marie win the third straight heat, driven by his brother Milton Laddie, of River Hebert, N. S.

The summary of races was as follows:

Green Trol and Pace, 1 Mile Heats

Rose Marie, (William Laddie, River Hebert) 1 1 1

Josie the Great, (Harold Coates, Amherst) 2 2 2

Bon Dewey (Ainslie, Oulton Woodpoint) 3 3 3

wrestler and now wrestling promoter Paul, Bowser.

The latest fast record trotter to be sold to Europe is the grand young four-year-old trotter Brown Berry, who took a record of 2:01 this year. His purchaser is a Frenchman and he will be raced in the big stakes in France, Belgium and most surprising of all, Germany. Just imagine a French owned trotter winning in Hitler's land!

A new world's record of 1-1-16 miles on a half mile track was made at Hamburg, N. Y., by the Canadian pacer Dominion Gratian (4) 2:02 1/2, when he met and defeated Tommy Hanover 2:04 1/2, and Calumet Ado 2:04 1/2, in one of the greatest three horse races ever witnessed over a half mile track. Tommy Hanover won the first dash of one mile in 2:01 1/2, equalling the track record. In the equaling dash of 1-1-16 miles Dominion Gratian won by inches from Tommy Hanover with Calumet Ado at the latter's side wheel. Another great performance of the meeting was that of Calumet Epson, a three-year-old which trotted in 2:07 1/2.

Lucky Lindy, who sported a record of 2:12 for several years but bettered it many times in competition finishing second, has broken into the 2:10 list in a winning race at Woodstock Exhibition last week. His second heat was in 2:09. Earl Avery, who piloted Alan Harvester here, was the driver. Lucky Lindy is now owned by C. M. Alexander and she is owned by the former old boss, Saint John, N. B.

Another record to go by the cards for a half mile track occurred at the same meeting when the three-year-old trotting filly Tara beat a fast field in the record breaking time of 2:08 1/2, 2:08, 2:08. The first mile is the best on record for age, sex and sex and the three heats are the fastest ever raced by a three-year-old trotting filly in a half mile track competition. By this she is owned by the former old boss, Saint John, N. B.

20th Victory Of Season For Warneke

(A.P. By Guardian's Special Wire) NEW YORK, Sept. 7.—Lonnie Warneke, who has halted New York Giants so often this season that it's almost become a habit, turned the trick here today for the sixth time in seven attempts and Chicago Cubs won the third game of the series 4-2.

The victory didn't help Chicago's waning pennant hopes to any great extent as they had lost the first two games and were still eight games behind the pace setters of the Chicago Cubs.

Rain, which fell through the greater part of the game didn't seem to hamper Warneke's effectiveness as he won his 20th victory of the season. He yielded nine hits, but was able to bear down in the tight spots and he walked only one.

Carl Hubbell, also seeking his 20th victory, started for the Giants and met his downfall through Gabby Hartnett's home run in the eighth. Hubbell was the third and last hit Hubbell gave but it followed a single by Riggs Stephenson in the fifth and gave the Cubs a 2-0 lead. Hubbell was removed for a pinch hitter in that same inning.

Shields and Allison Make Stirring Comeback to Enter Quarter Finals For Singles Title.

(By Bob Cavagnaro)

(Associated Press Sports Writer)

(A.P. By Guardian's Special Wire)

FOREST HILLS, N. Y., Sept. 7.—The preferred tennis stock of the United States—Frank X. Shields and Wilmer Allison—took a big drop and then rallied strong at the finish today as the first and second nationally-ranked stars fought great uphill fourth round battles to keep their places in the 53rd men's national singles championship.

Shields was extended to five sets before overhauling left-handed Robert Ryan, an unranked performer hailing from Signal Mountain, Tenn., 9-7, 3-6, 2-6, 6-2, 6-2. While Allison dropped the first set and then recovered his form to eliminate John McDiarmid of Fort Worth, Tex., 6-2, 10-8, 7-5.

Four other players joined Shields and Allison in advancing to the quarter-final round, but Canada's lone survivor this far, the dynamic little Marcel Rainville, was not among them.

The Davis Cup veteran from Montreal played brilliantly after a faulty start in his match against young Sidney Wood, Jr., of New York, but he could not quite match the speed and placements of the American.

Fred Perry, England's ace and the defending titleholder in this classic glided through the fourth round with the greatest of ease. Edward W. Peibelman of New York, was no match for any department of the Briton's game, and the latter won 6-2, 6-1, 6-4, 6-4.

The others who went into the quarter finals were Lester Stoen of Los Angeles and New York's Clifford Sutter. Stoen eliminated John W. Van Ryn of East Orange, N. J., 6-3, 6-4, 6-4 and Sutter conquered Berkeley Bell of New York, 6-3, 7-5, 6-4.

Roderick Menzel, the giant Czechoslovakian, defeated Gregory S. Mangin, the little Newark, N. J., star in five sets, 8-6, 4-6, 3-6, 8-6, 6-3, and Donald Budge, promising Calif. prospect from Oakland, Calif., registered an upset in his elimination of Bryan M. ("Bibley") Grant of Atlanta, 3-6, 6-3, 6-4, 6-8, 6-3. Both matches were carry-overs from yesterday's uncompleted third round programmes.

With the score deadlocked at two sets each, Eudge and Grant picked up the threat of their hostilities and from the very outset the red-haired Pacific Coast youngster was in the driver's seat. He served with a ferocity that accounted for several aces and lathered the sphere into ungettable spots with his whip-lash backhand.

Two quarter final matches will be played tomorrow with Lester Stoen and Perry encountering Sutter.

Winner Shoots Brilliant Golf To Shatter Record

Runner-up Breaks Even In Morning Round But New Champion Is Sensational In Final 18 Holes — Match Ends At 31st

(By Arthur Merkel, Canadian Press Staff Writer)

(C. P. By Guardian's Special Wire)

DIGBY, N. S., Sept. 7.—Maritime golfing supremacy once more swung back to New Brunswick today as Eddie Sharpe of Saint John took the measure of Gint Cain of Yarmouth in a 36-hole final match that made history on the Pines Course here.

Even up at the 18th this morning, Sharpe began a round in the afternoon that shattered the course record for amateurs and pushed him ahead so far the match ended on the 31st with the blond shot-maker six up and five to go. At that point Sharpe was one under par for the 13 holes. His shooting had been so brilliant that Cain, himself close to par, could make no headway. He did not win a single hole in the second half of the day's play. Both decided to continue the round after the champion had been declared.

Sharpe went on with his sensational play, but dropped some strokes as the tension relaxed. On the 16th he sent one into the water, losing two strokes, and spilling his chance for a par display. If the ball had not gone into the water on the 16th, Sharpe would have little Marcel Rainville, was not among them.

The Davis Cup veteran from Montreal played brilliantly after a faulty start in his match against young Sidney Wood, Jr., of New York, but he could not quite match the speed and placements of the American.

Sharpe wanted the victory badly to make up for his defeat by Cain in the New Brunswick tournament several weeks ago, and once he got going near the middle of the first round he never let up his brilliant play.

Three down on the 11th, he won holes steadily until he was one up on the 17th green. Gint won the next and they were even at the half-way mark. Then Sharpe began his overwhelming victory march winning seven and halving six of the next 13 holes.

Sharpe started out this morning with sub-par golf, gaining a birdie three on the first. Cain won the second when he drove his first ball close to the pin, one-putted and carded a birdie two. They halved the third, and Cain went one up on the next. Both were getting into lots of trouble as their putting left much to be desired. Sharpe evaded the match on the fifth when Cain took six on the par three hole.

They halved the next with sixes, and Gint went ahead winning the next two with par-shooting. They both had birdies on the long 460-yard 10th, only needing one putt to break par. Gint had a three-hole advantage at the end of the 11th which proved the turning point of the match. He only won one hole from then on, the 18th. Sharpe had begun his long race with old man par and was unbeatable. Eddie won four of the six holes following, halved the other two. On the 16th he barely missed a hole in one as the ball jumped over the cup and stopped two feet behind. He had a birdie two on the hole.

On that round, Sharpe went out in 36, equalling par. Cain hit them out as far and as straight as Sharpe did throughout the day, but his putting was on the rocks, and he missed a chance after chance to win or halve holes by two or three putts. Eddie sank them from any part of the green in which he happened to lie.

After lunch, the two went back to the course, but Cain could not seem to pull himself out of the slump even then. The best he could do was halve some of the holes with his brilliant opponent. They were still even at the end of the 19th, as Sharpe sank a 20-foot putt for a par four. Eddie had a birdie two on the 20th while Gint took three. On the 21st Cain couldn't get by the stymie Sharpe laid down and needed five for the hole won by Sharpe with a par four.

The Saint John player increased his lead to four up on the next two on a 30 foot putt. Sharpe was then two below par, but lost strokes on the 24th and 25 and finished that nine in par.

An example of Cain's inability to take advantage of the breaks was on the 24th when Sharpe drove his first into the woods on the right, hooked his recovery into a clump of bushes at the left of the green and took a five. Cain was on in two but three putted to halve the hole in five, one more than par. Sharpe was four up at the 27th.

As they rounded the turn, both scored birdies on the long 28th as they had done in the morning. Gint putted from close to the pin on this one, but Sharpe felt to sink one from about forty feet out even the hole. Another birdie on the 29th put Sharpe five up and two under par once more. He could not miss a thing. The rough meant nothing to him and he hit recovery shots as if the ball were in the middle of the fairway. They went one over par as they halved the

425 yard 30th, but Sharpe came back again on the 31st to win the hole, and go six up with only five holes left to play.

The game was not actually as lopsided as the match score showed after the 31st. They went on to finish the round. When they had checked scores, Gint had only four strokes more than Sharpe's record, 73.

PROS UNDER PAR ALSO

More sub par golf was seen in the professional tournament being staged at the same time as the amateur finals took place. James Rimmer of Ashburn won out finally after a tie in the 36 holes of medal play with Archie Skinner of the Pines Course here. Rimmer led in the morning playing with a breath-taking 69, two less than par and three less than the score of Skinner who beat out the rest of the field. A 76 in the afternoon, however, brought up the score of Rimmer to the same as Skinner, 145. In the replay, Rimmer once more broke through the crumbling defenses of the god of the links, carded 33 on the first 9 with its par 35, and literally swept his slight, sandy-haired opponent off his feet.

Jack Madash, defending titlist, of Yarmouth, and Jack Hitchcock of Charlottetown, had a steady 149 to place third in the running.

Thirteen pros had entered the tournament to constitute the biggest field in recent Maritime meets, but only 11 went around the links today. Prizes were presented in the clubhouse this afternoon at the completion of play, and the Westfield hero escorted away enough silverware to fill a large sized box.
