Readers of the Guardian seem to be unaware that a nominal charge of but one cent per word for either Morning Daily or Rural Daily or two cents for both is made for all "At Home" notices which are inserted in the Guardian from time to time. Off the above there is a discount of ten per cent for cash with order.

A letter to a friend in Charlottetown, from Dr. John H. Elliot, so well and kindly remembered here, and now at Pine Heights-Brattleboro, Vt., states that he is beginning his fall work in that city after the close of which he will return to Chicago and be associated in the great Chapman-Montreal, Canada, for a union campaign in which the churches of north Montreal will all unite.

The growing popularity of the Hewson Woolen Mills' tweeds, knitted goods, etc., is daily shown by the increasing demand of the buying public. Every new style is to be found in their goods, to which is added a standard of worth second to none in Canada and from all over the Dominion repeat orders come to their factory in Amherst, which are promptly filled. Their energetic travellers are always on the road learning the wants and requirements of the customers of the Hewson Manufacturers are in a position to keep up with the varying changes of Dame Fashion. When sterling value is sought Prince Edward Island buyer is assured of the finest qualities in the goods carrying the Hewson trademark.

Today is Columbus Day, the anniversary of the discovery of America. The branch of the Knights of Columbus in this city are to joyfully celebrate their patron's day and members of the council from outside the city and province will assemble to-day with the city brethren. Last evening about fifteen came on the Northumberland from Antigonish, New Glasgow, Stellarton and other towns, and many others arrived on the mail train. A reception committee of Charlottetown brethren, are looking after the visiting members. A good program has been laid out for today, the ceremonies beginning in the afternoon when at two o'clock the degree teams will give an explanation of the first degree, followed at three-thirty by the second degree. In the evening at 7.35 the order will form in procession and, headed by a band, will proceed by torchlight to St. Dunstan's Cathedral where a special service will be held at which Rev. Dr. McAllan will deliver the sermon. On their return to the hall the third degree will be put on at nine o'clock. The parade of today will be a large one. The Council here being very strong.

Piping Hot Water Always Ready

for every occasion, with the Kootenay Steel Range, without "driving" the fire or wasting fuel. The generous firebox is built so that the water heats very rapidly as it passes through the water front, and gives a plentiful supply. One bath usually empties the boiler heated by an ordinary range with the result that the rest of the family must wait for more water to heat. Not so with the boiler attached to the water front of a

because the Kootenay never fails to heat as much water as is required and as fast as it is used. The nearest McClary Agent will make clear to you the reasons why you ought to own a Kootenay.

One Eye at a Time

That's the way we test. Usually the eyes differ in sight. A glass which suits one, injures the other, and ultimately both suffer. We use modern appliances and the greatest care to avoid a misfit. A misfit would hurt your eyes and our reputation. Hundreds of your town people can certify to the truth of these words. They know because they have suffered and been relieved. Our record book contains most of their names. Silverstone & Epstein Drs. of Optics, 168 Queen St. Ch'town, P. E. I.
