GREATEST HEADACHE CURE IN THE WORLD

Tortures of Chronic Dyspepsia Cured By "Fruit-a-tives"

SHANLEY, ONT., SEPT. 23rd, 1910 "You certainly have the greatest Headache Cure in the world. Before "Fruit-a-tives" came before the public, I suffered tortures from Headaches caused by Stomach Disorders. One of your travellers called on me when I had one of my raging Headaches and had my head almost raw from external applications. He insisted on my trying "Fruit-a-tives". I did so with what I would call amazing results. They completely cured me and since then (nearly six years ago) it is only necessary for me to take one occasionally to preserve me in my present good health."

WM. PITT. Dealers everywhere have "Fruit-a-tives" at 50c a box, 6 for \$2.50 - trial size, 25c or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

THE CENTRAL GUARDIAN

IT PAYS to buy in this Province. CONCERT.—A concert and pie social will be held in Hampton Hall on March 5 in aid of the Protestant Orphanage.

ROADS.—Travelling on the ice is said to be exceptionally heavy and the roads through the country are full of patches. The good road masters should not tarry too long in getting the road almost as smooth as a railway track.

THE MINTO.—The Minto left Picou at 7 a.m. Saturday for Georgetown with express, 25 passengers; 49 tons of freight, 70 sacks of paper and letter mail and one car of wire and docked at 12.10 p.m. She will leave for Picou this morning.

SPEEDWAY HAPPENINGS.—On Saturday the ice speedway was in perfect condition and the owners of candidates for Wednesday's races were giving their horses a workout. Among those present were Dominion D., Ginger and Gordon McMillan of Cornwall, with his speedy entry for the 2.35 class.

MAYFLOWERS.—James Easton, East Royalty, is enjoying the sweet fragrance of Mayflowers picked some days previous to the cold snap. A member of his family was gathering moss when she noticed the Mayflowers in bud and took them home. She kept them in a warm place when they finally came out in full bloom.

HOTEL VICTORIA ICE RACES will take place on Wednesday afternoon next at two o'clock sharp. Entries are coming in and the prospects for a banner afternoon's sport is assured. Ginger, the fast pacer from Vernon River is now in the hands of that capable reinsman, Hammond Kelly, and he is looked upon to make a big bid for the large end of the purse.

PATHE WEEKLY.—That the People's Theatre, Charlottetown, is receiving the latest in motion pictures is evidenced by the fact that The Pathe Weekly to be shown to-night, is No. 8, that is the eighth week in 1913 which ended the 22nd of February. The big two-reel feature which will also be shown to-night was released February 10th. The management have made arrangements to continue this service in the future, which will assure the patrons of The People's the very latest and best in motion pictures.

A FIRST BIRTHDAY.—The first anniversary of The Vancouver Sun, February 12, was marked by the publication of a 48-page paper. Sixteen pages were devoted to sketches and pictures of prominent Liberals, many of whom are natives of the maritime provinces. The following is among those mentioned.—Alfred M. Pond, for four years a member of the Provincial Liberal Association, is a native of Prince Edward Island, where he received his education in the schools of Charlottetown. Later he entered the law offices of Sir Charles Townshend, present chief justice of Nova Scotia. He was also associated with the St. John Telegraph. Coming to British Columbia in 1901, he entered the real estate and fire insurance and has an office at 445 Granville street. He is managing director of the Sterling Trust Co., of British Columbia. In politics Mr. Pond is a Liberal and has always taken an active part in the work of that party in this province, holding several positions in the provincial organization. He was one of the organizers of the Young Liberals' Association and its first president.

From the reputation Jergen's Violet Glycerine Soap had made in all the big American cities we expected it would soon win favor here, but it has surpassed all expectations. We don't seem to be able to sell anything else—another large shipment just received.—Ask for free sample—25c box—E. A. Foster, Central Drug-store. 2-24 Mtl.

Thermometers

It's a satisfaction to have one of our reliable thermometers during this snappy weather. In fact a thermometer at all seasons is a very useful instrument in any home. We have the self registering kind, which automatically record either the extreme heat or cold, as well as the usual style.

All our instruments are tested and any error corrected.
