

THOUSANDS OF WOMEN TORTURED

BY BLINDING HEADACHES. Who Could Be Well, and Happy, and Free of Pain.

Headaches simply mean poisoned blood. The human body is constantly decaying and being renewed. Dead matter is absorbed by the blood, and should be taken from the blood by the kidneys, bowels and skin and passed out of the system. If one of these organs does not act properly, the blood becomes impure—if two fail, death is certain.

HOW TO GAIN IN WEIGHT.

You know you are too thin—you eat and eat, but never get an ounce fatter. Nerves are weak, color is bad, strength seems exhausted. It is not hard to get fat. You must eat more, digest more, exercise more.

THE PRINCE COUNTY GUARDIAN

Offices in Summerside Fred. Tanton, Manager and in Alberton Herbert Clark, Manager.

—During the last four or five days there has been the best trade done in the history of Summerside, and that is saying a good deal for Summerside has somewhat of a reputation as a bustling town.

—The members of King Edward L.O.L. No. 1034 intend holding a basket social in Centerville Bedque hall on Monday evening, Dec. 30th. A both comic and pleasing program will be prepared for the occasion. Come one, come all. Admission 10 cts. Ladies with baskets free. By order of Com. 12-24 d 31.

—The Annual meeting of King Edward L. O. E. No. 1034, was held at Bridgeway Lodge room, Dec 18th, 1907. The meeting was well attended. After a considerable amount of business had been attended to the following officers were elected for the ensuing year. T. J. Inman, W.M., Wm. Ramsay, D. M.; M. C. Par-oo, Chap; J. J. Stewart, R. L.; A. E. Wright, F. E.; J. J. Frizell, Treas.; Chas. Schurman, D. O. C.; J. C. Hyde, Lecturer; H. Clark (Chairman), Wm. Cairns, David Pearson, Percy Allen, Edward Gardner, C. M. Maitland.

—John T. Campbell, of Cape Traverse has broken all the records in the fox-hunting line. Already he has shot and denuded over twenty of the animals. He has sometimes captured as many as three in one day. Early last spring he imported a pair of black and tan foxhounds from Ohio, which are superior to anything that has been seen in that section of the Province. Their instinct at the age of six months is simply marvelous. With this pair he has two other well bred, trained hounds, making two span which are hard to trim. The owner's knowledge of hounds, and his close acquaintance with the tricks of Master Bernard cannot be overestimated. Besides the foxhounds, he has some two hundred musk rats and a number of mink skins.

—The closing exercises of the Union Commercial College, Summerside, were Monday night in the college room in the Crealby block. Prizes were awarded as follows: first prize for spelling, Ada Stevenson, Fredericton; second, special prize Eva Heirs, Summerside; special prize typewriting, Agnes McDonald, Georgetown; second special prize Katie Morrison Summerside. Prizes for most improvement in penmanship, Rogers Fowler, Belique; Diplomas for shorthand: Ada Stevenson, Katie Morrison, Mary McNeill. Diploma for Commercial Bookkeeping: Bruce Davison, Principal Moran presided. The teachers Miss McKinnon and Miss McGregor were each presented with a gift accompanied with a most encouraging address from the students. Some very pleasing instrumental and vocal music readings and speeches made a pleasant evening. College reopens on Jan. 6th 1908.

—Maple Leaf Loyal True Blue Lodge No. 233, held its annual meeting in the Orange Hall, Bedque on Dec. 9. The following officers were elected for the ensuing year:—

- The J. Inman, W. M. Mrs. Clark McQuarrie, D. M. Mrs. Theo J. Inman, Chap. F. Wright, Director Ceremonies. Lulu Hoper, Organist. C. D. Wright, R. S. Pearl Clark, F. S. A. E. Wright, Treas. M. Johnson, Com. Alex. McFarlane, I. Tyler. Elmer Pearson, O. Tyler. Herbert Muttart, Vernon Craig, Clark McQuarrie, Wright Leard, Ethel Pearson, Committee.

Maple Leaf Lodge is now in a flourishing condition, having a membership of thirty-eight.

Minards Liniment Cures Diphtheria

—Alberton harbor is still free of ice although all shipping from that port has ceased.

—H. A. Leslie Kensington, recently shipped by express a half barrel of herring to Central City, Colorado.

—There were ten passengers going by the U.S. Empress on Tuesday and twenty-five returning. The outward cargo included 1400 bags oats, 300 bags smelts, and 100 dressed hogs.

—A report has been in circulation through the country to the effect that there is smallpox in the home of Jesse Huestis in connection with the store of A. I. O. & Co. (Alban). It is pleasing to know that the rumor is entirely unfounded as the doctor in attendance reports the illness to be only old fashioned measles.

—The Crescent Whist Club, of Alberton, held its first meeting for the season recently, and appointed the following officers:—President, E. T. Mallett; Vice Pres., M. J. Foley; Sec. Treas., Justin McCarty; The Committee consisting of ladies and misses—Vivian Reid, Katie I. Mountain, Mrs. Jaqueline Doherty, Mrs. J. F. White, Mrs. J. W. Skerry. Meetings are held weekly at the club room.

DEAFNESS CANNOT BE CURED by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We have a wonderful cure for this, and cannot be cured by Hall's Catarrh Cure and for circulars write to Dr. J. C. Deane & Co., Toledo, O. Sold by Druggists.
