A MESSAGE FROM A WOMAN TO WOMEN

"Every Woman Should Take 'Fruit-a-tives'" LAKELAND, ONT., MAY 12th, 1911. "Kindly publish this letter of mine if you think it will benefit other women who might be afflicted with the diseases I have had in the past, but am now, thanks to 'Fruit-a-tives', completely cured of. It is my firm belief that every woman should take 'Fruit-a-tives' if she wants to keep herself in good health. Before taking 'Fruit-a-tives' I was constantly troubled with what is commonly known as 'Nerves' or severe Nervousness. This Nervousness brought on the most violent attacks of Sick Headache, for which I was constantly taking doctors' medicine without any permanent relief. Constipation was also a source of great trouble to me and for which the Doctors said 'I would have to take medicine all my life', but 'Fruit-a-tives' banished all these troubles and now I am a well woman." Mrs. FRED. GADKE. 50c a box, 6 for \$2.50—trial size, 5c. At dealers or sent prepaid on receipt of price by Fruit-a-tives Limited, Ottawa.
