Conn begins Fighting himself Into shape

NEW YORK, Dec. 3—(AP)—Starting right now Billy Conn goes to work on the same tough system of fighting himself into condition with which he all but took Joe Louis heavyweight championship away last June.

This no doubt will be of interest to Louis, since the object of the back-to-work movement is the Pittsburgh pretty boy's return go with the Bomber, tentatively slated for next May or June.

The other day, Broadway Johnny Ray caught up with his gladiator and told him it's time to bust a few beads.

Johnny has him slated to begin pitching for keeps again against Fred Hamer in Toledo Jan. 13, and another heavyweight in Washington—possibly James J. Johnson or Babe Ritchie—Jan. 26. After that, he'll tangle with Tony Zale, the middleweight champ, in New York Feb. 13 in what is strictly a "money match," made from a guaranteed point of view. There will be at least one other tussle, against a ranking heavyweight.

Three-way tie Develops for Q.S.H.L. lead

MONTREAL, Dec. 3—(CP)—The tangled Quebec Senior Hockey League race grew more confused tonight, as Royals defeated Pats 5-2 in the second game of a doubleheader after Canadiens had pulled out a 2-0 victory over Quebec Aces.

The win moved Royals into a three-way tie with Ottawa and Cornwall for top spot, while Canadiens moved into fourth place, a point ahead of Aces who in turn remained a point ahead of Pats.

Two third-period goals by Alec Smart brought Canadiens their win in the opener. The first came on a penalty shot early in the period, and the clincher result in from a play with Les Ramsay late in the game.

Royals had to come from behind to win the nightcap, and they did it in typical Royal fashion with a three-goal outburst in the second period. Jack Riley opened the scoring for Pats half-way through the first frame, but Jim McFurry tied it up mid-way through the second, and Jimmy Haggerty and Johnny Mahaffy had shot Royals into the lead before the period ended.

Pats rallied early in the third, and Swede Mattson kept them in the fight on a play with Jotkus and Riley, but Royals came right back with another pair of counters. Dick Kowchak getting the second after assisting Paul Raymond in the first.

CHICAGO, Dec. 3—(AP)—Chicago Black Hawks, in the midst of a losing streak that has reached three games, today acquired Bill Mitchell, defenseman, from their Kansas City farm club. The 26-year-old rookie will report in time for tomorrow night's game here against Montreal Canadiens.

Hawks acquire Defenceman

MINNEAPOLIS, Dec. 3—(CP)—Ken Stewart, former Lehighville, Alta., defenceman playing his first professional season with Kansas City Americans, counted only two assists during the week ended Nov. 29 but held his first place in American Hockey Association scoring statistics with eight goals and nine assists for a total of 17 points.

JACKSONVILLE, Fla., Dec. 3—(AP)—Paul Derringer, big right hander pitching star of Cincinnati Reds, today signed a 1942 contract after a few minutes conference with General Manager Warren Giles.

War taxes make 1941 at Ottawa Historic year

OTTAWA, Dec. 1—(CP)—Taxation laws were the important measures added to the statute book of Canada in 1941. With the government clothed with wide powers to make any regulations necessary to the conduct of the war by order-in-council and with parliament concentrating its attention on war rather than on domestic matters the meetings of parliament during the year were remarkable for a dearth of general legislation.

Numerous and far reaching measures having the force of law were passed by order-in-council under the powers conferred either the War Measures Act or the National Mobilization Act. These, however, are of a temporary character and are destined to disappear when the war emergency passes and the acts under which they were promulgated cease to have effect.

The 1941 budget brought extensive changes in the tax laws, all calculated to bring more money into the treasury. The income tax and the national defence tax were increased. A federal gasoline tax was imposed, levies were made on rail, ship, bus and airline passenger tickets and on amusements.

The excess profits tax was revised. The application of the sales tax was widened. A new levy was imposed on soft drinks. The federal government imposed a succession duty on top of the existing provincial levies on estates of deceased persons and this was stated to be a permanent and not merely a wartime measure.

In increasing the income tax the government sought to equalize the application in all parts of Canada by inducing the provincial governments to withdraw from taxation of private and corporation incomes for the duration of the war, accepting instead a subsidy equivalent to their returns from these tax sources in the last year. As the year drew to a close agreements were accepted this arrangement were in the process of conclusion.

The outstanding developments in the field of wartime legislation which the provinces were the establishment of price and wage control measures late in the year. They were designed to stabilize prices and wages at existing levels while giving universal application to the principle of the cost-of-living bonus as a means of adjusting wage-earners' income to rises in living costs.

Other such measures were designed to conserve essential materials for war production by limiting the production of civilian goods, to cut down on pleasure driving to help to meet a gasoline shortage, and to control the export and sale of certain commodities.

Rookie line to See action in Chicago tonight

MONTREAL, Dec. 3—(CP)—Canadiens' replete-dazzle line of Buddy O'Connor, Gerry Heffernan and Pete Morin will take the ice together again tomorrow night to do battle for the Habits against the Black Hawks after having been separated by injuries and passport difficulties.

The trio put in an impressive performance here last Saturday night against Bruins; in which game Morin received a shoulder injury. Heffernan was the only one of the three ex-Royals able to obtain the necessary passport for the Canadiens-Bruins game in Boston.

Today the passport difficulties were cleared up and both the club trainer and physician reported Morin's shoulder in fit condition to resume playing. It was at first thought Morin would be out of action for a week or 10 days.

Murph Chamberlain, Tony Demme and Leo Leach still remain on the sidelines with injuries.

Quebec puts in Bid for Minor League meeting

JACKSONVILLE, Fla., Dec. 3—(AP)—Quebec wants minor league baseball to swap Florida sunshine for Canadian snow when the National Association of Professional Baseball Players meet in 1943.

Putting forth this bid two years in advance, Business Manager J. Emile St. Pierre, won an adroit seat in the Canadian-American League said the association would be invited to hold its 42nd annual convention in Quebec.

Predicts critical Difficulties for Baseball ahead

JACKSONVILLE, Fla., Dec. 3—(AP)—Ford C. Frick, president of the National League, predicted tonight that professional baseball would face critical difficulties in the next six months.

"Baseball in the next six months will face as stern a test as at any time in its 100-year history," he told a gathering of the National Federation of Baseball Writers.

"Certainly the army draft will catch up with us. We now have priorities on Australian wool, horsehide and other materials. We may be playing with willow baseballs here we get through."

"During the next six months and the next year we must work with our eyes open and our heads bent. All forms of athletic competition in this country will be affected."

Zivic to sub For Cochrane Against McCoy

NEW YORK, Dec. 3—(AP)—Fritzie Zivic, the Pittsburgh veteran, will fill in for welterweight champion Freddie (Red) Cochrane in a 10-round bout at Madison Square Garden Dec. 12 with Young Kid McCoy of Detroit. Promoter Mike Jacobs announced today.

Cochrane, who won the title from Zivic, was delayed in getting a furlough from the naval reserve, Jacobs said and wanted more time to train for the bout.

The earliest date Cochrane could get for a furlough was Dec. 11. The winner of the McCoy-Zivic bout probably will be matched with Ray Robinson, New York contender, in a 15-round elimination bout Jan. 16. The winner of this fight then will battle Cochrane for the title Feb. 20.

Rumors Rebound Through Hotel Lobbies As Ball Moguls Get Together At Convention

JACKSONVILLE, Fla., Dec. 3—(AP)—Rumors rebounded through the hotel lobbies today as the major league baseball moguls tried to complete some sort of a trade to justify their presence at the convention of the minor league.

One of the hottest tidbits was that Chicago Cubs might give outfielder Hank Leder to New York Giants for a pitcher; another was that St. Louis Cardinals might sell outfielder Don Padgett to the Cubs; still another was that Chicago White Sox would give outfielder Mike Krawiec to Washington Senators for Doc Cramer.

Undoubtedly there were some negotiations that were close to being deals, but whether they might be closed before the moguls move to Chicago for the big league meetings next week was open to question.

This was especially true of the trade efforts of the White Sox. Manager Jimmy Dykes was in a long huddle today with Bucky Harris, pilot of the Senators, and also talked to Luke Sewell of St. Louis Browns. The latter confab was believed to concern Chicago's desire for outfielder Chet Laabs in which case the bait probably would be one of the Sox' young catchers—George Dickey or Tom Turner.

The minor leaguers took the brakes off their trade inclinations and made innumerable deals during the day, signed managers for many clubs in lopsided ranging from the big American Association down to the little class D circuit.
