SYMPTOMS OF KIDNEY TROUBLE.

Backache, Sideache, Swelling of Feet and Ankles, Puffing under the Eyes, Frequent Thirst, Scanty, Cloudy, Thick and Highly Colored Urine. Frequent Urination, Burning Sensation when Urinating.

These symptoms indicate a de- ranged condition of the kidneys, and some of them are caused by uric acid in the blood, and unless attended to immediately may eventually cause Diabetes, Bright's Dis- ease, Dropsy, etc., which very often result in life-long misery. Doan's Pills not only relieve but cure all the above complaints.

Here is what Mr. Young, of Hareourt, N. B., writes: THE DOAN KIDNEY PILL CO., Toronto, Ont.

DEAR SIR,--Some time ago I was great- ly troubled with pains in my back, hips and legs. My water was very scanty and was the color of strong tea and very thick, containing a sediment very much like fine sand and had a very offensive odor. I am very glad to say that after I had taken one box of Doan's Pills all of the above troubles have disappeared and I am perfectly cured and feel like a dif- ferent person. I might also say my brother was troubled with his kidneys and used Doan's Pills and was completely cured. NELSON N. YOUNG
